## Fine & Rare Wines & Spirits

---

Flowers are blooming, leaves are sprouting, spring is in full swing with another amazing Fine & Rare Wines & Spirits sale!

This sale kicks off with a bang: full, original wooden cases of every First Growth plus Petrus. Afterwards the sale segues into a well-rounded offering with lots of Claude Dugat, Bruno Giacosa, and SQN followed up with the likes of Rousseau, Méo-Camuzet, and Ridge.

The star of this sale though begins at lot 123, showcasing pristine cases of the top chateaux directly imported from Bordeaux & so much more. Large formats abound with double magnums and imperials of Cheval Blanc and Haut-Brion. There are caseloads and caseloads of Mouton, Beauséjour, Cos, Lynch-Bages, Tertre Roteboeuf, and VCC too among other acclaimed chateau.

But that's not all, the collection also holds other treasures. There's Burgundy like Musigny Vogüé and Corton-Charlemagne Boillot. Champagne by Krug and Bollinger alongside the Guigal's La La's and Jaboulet of the Rhône. There are even caseloads of Valdicava's Brunello, Quintessa of California, and even a little Vega Sicilia!

Outside of this massive offering, the sale continues with other gems, so be sure to peruse everything. As always, do get in touch with us if you need any additional info on the lots or need a hand placing bids.

Cheers,  
Charles

## **BORDEAUX**

### **CHÂTEAU HAUT-BRION**

Haut-Brion has the longest history of all the First Growths. It was even mentioned by Samuel Pepys in his diary entry of April 10, 1663, when he was dining at the Royal Oak Tavern in Lombard Street, London: "...and here drank a sort of French wine called Ho Bryan that hath a good and most particular taste I never met with."

The famous Pontac family set up the estate in the first portion of the sixteenth century. Wealthy and well connected, they had the means to promote the wine in fashionable places, and by the early 1700s it was as well known as a wine of the highest quality.

While parts were split off, the estate stayed with the family until it was passed to Joseph Fumel in 1780. He was largely responsible for creating much of what we see today, including the buildings, the gardens and the general layout of the property. He famously hosted a visit from Thomas Jefferson on May 25, 1787, and became Mayor of Bordeaux three years later.

With its popularity waning under a succession of different owners, the estate was finally put up for auction in 1836, where it was purchased by the Larreau family. Two years later, in 1838, they managed to acquire a further piece of the estate previously lost through inheritance laws.

Although it was included as a First Growth in the 1855 classification of Bordeaux, difficult times lay ahead. A further succession of owners and the depression of the early 1930s forced another sale. This time, successful American financier Clarence Dillon stepped up, and for a little under \$200,000 walked away with the estate. It remains in the Dillon family today.

Vineyards, Winemaking and the Delmas Family

No discussion of the wines of Haut-Brion can be complete without a mention of the Delmas family, who have managed the property since 1923—first George Delmas, then his son Jean-Bernard, and today Jean-Philippe. It is not only unusual but also massively fortunate for Haut-Brion to have the care and attention of such a talented family of technical directors.

Jean-Philippe Delmas is a clever, tirelessly devoted man, and the solid support and financial backing of the Dillon family has enabled him and his team to produce an extremely consistent wine. I always look forward to visiting Château Haut-Brion, not just because the wines are superb and the people great, but also because it is unique and has an important place in the history of Bordeaux.

### CHATEAU LAFITE ROTHSCHILD

For as long as anyone can remember, Lafite has been the most highly regarded wine in Bordeaux. From their very first book, published in 1845, Cocks & Feret have listed Lafite first, and it was ranked first in the famous 1855 classification of Bordeaux.

Fite is an old French term meaning small hill, rise or mound; it is from this humble feature in Bordeaux' somewhat bland landscape that France's most esteemed producer takes its name. The Château itself is one of the oldest in Bordeaux, with much of it dating from the mid-sixteenth century. It was purchased by the wealthy Ségur family in the seventeenth century, but like much of the region at the time, the land was used for a variety of farming.

Beginning in the 1670s, the Ségurs spent around twenty years converting a large portion of the land to vineyards. With Latour and Calon, as well as Lafite, under their ownership, the Ségurs began to find a market for their wines in London. It was first mentioned in the London Gazette in 1707 and soon became famous: by the early 1730s, it was a favorite of the Prime Minister, Robert Walpole.

Lafite remained in the Ségur family until 1784. It was sold several times, finally to Baron de Rothschild in 1868, by which time there were some seventy-four hectares of vines. It was a new era of industrial wealth and the Rothschild purchase certainly added much celebrity to the area.

#### CHATEAU LATOUR

Some of my fondest wine memories are of drinking wine bottles of the renowned Château Latour. It is, without a doubt, one of the greatest wine estates in the world. While its history goes well back to the fourteenth century, Latour began to be clearly defined as one of the greatest wine estates in the world in the mid-nineteenth century, and amazingly, It has kept that position for the last 150 years. Their wines, which are known for their power, richness and longevity, are sought after by collectors and wine lovers throughout the world.

As Robert M. Parker says of Château Latour in *The World's Greatest Wine Estates*, "The wine produced here has been an impeccable model of consistent excellence, in great, mediocre, and poor vintages. For that reason, many have long considered Latour to be the Médoc's finest wine... Latour remains one of the most concentrated, rich, tannic, and full-bodied wines in the world."

In 2000, I had the wonderful opportunity to taste over twenty-five vintages of Château Latour, including fourteen wines older than 1961 and four from the nineteenth

century. It was an evening I will never forget. The wines were so rich, alive and fresh. What an extraordinary experience it was to be able to taste the 1900 and the 1899 side by side and discuss the differences, or to argue whether the 1955 or the 1949 is showing better right now (at my table we all thought the 1955 had the slight edge). In the end we tasted Latour from a 125 year span and although there was a lot of discussion about which were the better wines, the final conclusion of everyone in the room was that, "Latour makes some of the greatest wines that any of us have ever tasted."

**CHATEAU MARGAUX**

Perhaps the grandest of the Bordeaux châteaux, Château Margaux is the epitome of style and refinement. At Château Margaux one has truly arrived at the heart and soul of Bordeaux, the world's most renowned wine region.

For centuries before the French Revolution, the château was owned by the Lestonnac family. The revolution, though, saw the estate's owners beheaded, and when the heirs were unable to pay the costs of running the château, Margaux was put up for auction.

The successful bidder, the Marquis de la Colonilla, demolished the old château, and in 1802 work began on the grand château we know today. The Château was sold several times until it was acquired by the Ginestets, longtime shareholders who finally became sole owners in 1949, with the purchase financed by the sale of their St Emilion property, Clos Fortet. However, First Growth châteaux are expensive to run, and to finance the operations of the estate, the owner sold off the vineyards of Dufort Vivens in the 1960s and transferred Château Cos d'Estournel to his sister in 1971. Even those moves, though, were not enough, and collapse of the Bordeaux market in the early 1970s forced Ginestet to sell the château in 1976 to Greek supermarket magnate Andre Mentzelopoulos. A serious oenophile, he was also a major shareholder in the French wine firm, Nicolas.

### CHÂTEAU MOUTON ROTHSCHILD

Mouton, like much of Pauillac in the sixteenth century, was part of the sprawling Ségur estate. In the mid-eighteenth century the land that is now Mouton Rothschild was acquired by Baron de Brane, who changed the name to Brane-Mouton. Brane sold it in 1830 to an M Thuret; while it was already a notable Château, first appearing in a Christie's catalog in 1834, Thuret did not make maintenance of the Château a priority and resold it in 1853. The purchaser was Baron Nathaniel de Rothschild, at the time head of the English arm of the wealthy Rothschild family.

While Mouton was always a highly regarded wine, a big change came when in 1922, when the twenty-one-year-old Baron Philippe decided to run the Château full-time. An innovator from the start of his tenure, in 1924 he decided that in order to guarantee quality the entire production would be bottled at the Château, and from 1934 he numbered each bottle released. Also, of course, he started the tradition of works of art on Mouton labels, featuring the famous Carlu ram's head from 1924 to 1926, and since a hiatus from then until 1945, each label has either been designed by a major artist or featured a tribute to a significant event in the Château's history.

Perhaps his most significant achievement was persuading the French Minister for Agriculture, Jacques Chirac, that Mouton was and had always been a First Growth that had been wrongly classified. So, in 1973, for the first and only time, a revised edition of the 1855 classification was released with Mouton finally ranked, next to its Pauillac neighbors Lafite and Latour, as a First Growth.

**PETRUS**

Petrus today is a little over eleven hectares, including five hectares purchased in 1969 from neighboring Château Gazin. The vineyards have clay topsoil and gravelly subsoil, allowing good initial water retention but excellent longer term drainage. The vines are old, around forty to fifty years, planted with ninety percent Merlot and

five percent Cabernet Franc. To increase concentration the vines are pruned extensively and a green harvest is performed. At harvest time, nearly two hundred workers pick the grapes at their peak of balance and ripeness. Sometimes up to four passes are needed but if pressed, as in 1982, the entire harvest can be completed in just one day.

The grapes are partially destemmed and after a fairly lengthy maceration period, sometimes almost a month, the wine spends twenty months in new oak before being fined (but not filtered) and bottled. Petrus is a classic example of careful vineyard management and winemaking yet the result leaves evidence of something even greater. These methods combine with exquisite terroir for Merlot to create something that is, in good vintages, not only earth-shatteringly tasty, but distinctive, lending the name Petrus majesty because of its quality but also its inimitability.

## GAJA

In the mid-nineteenth century the Gaja family began producing wine in Piedmont. Giovanni Gaja established the winery and Angelo, the fourth generation, joined the family firm in 1961. Angelo Gaja, born in 1940 and the present director of the family firm, has a degree in enology from Alba as well as a masters in economics. In 1974 he went to California, where he presumably fell under the spell of the barrique. Gaja has achieved unequivocal success aging his Barbarescos in small, new oak barrels, where the wine takes on a certain subtlety and suppleness without losing the personality of the Nebbiolo grape.

Gaja is the largest private owner of vineyards in the Barbaresco zone, with 153 acres of vines in Barbaresco, Treiso, and Alba. They own fourteen different vineyards in Barbaresco and Treiso that make up their Barbaresco normale. Besides this regular Barbaresco, Gaja bottles three individual crus. Of the three, Costa Russi matures the soonest. It is the most open, with a sweeter taste and more intense aroma. Sori Tildin is more closed and concentrated; it is firm in texture and holds more in reserve. Sori San Lorenzo is the hardest of all in its youth, requiring age to show its real quality. It is the slowest maturing of the crus as well as the longest lived.

### SINE QUA NON

The ultimate garage wine from southern California emanates from a rusty warehouse that appears to be on the wrong side of the railroad tracks running through Ventura. The winery's name is Sine Qua Non (literally translated from Latin means "without which one cannot".), and as the proprietors' (the husband and wife team of Elaine and Manfred Krankl) indicate on the label of their sumptuous 1997 Syrah called Imposter McCoy, "the truth is inside"...

# **AN OENOPHILE'S RESERVE**

**(LOTS 99-122)**

A longtime Zachys client has decided to part with a slew of other vinous treasures from their state-of-the-art professional cellar in the Northeast.

Burgundy is the heart of this offering. There are cases of Comte Armand from excellent vintages giving way to Rousseau, Confuron, Damoy, Vogüé and other stellar Burgundy producers. The offering closes out with excellent back vintages of Cali classics like Mayacamas and Ridge!

Provenance and storage here are both excellent as our President Jeff Zacharia can personally attest to, so bid with confidence.

## BURGUNDY

### ARMAND ROUSSEAU

Of the two Grand Crus at the pinnacle of the brilliant portfolio of Rousseau wines, the Chambertin "Clos de Bèze" tends to be the more exotic and spicy of the two wines, with glorious fruit tones of black cherry, plum, blood orange often augmented by notes of Gevrey's grilled meat, chocolate and exotic spices. The Chambertin is typically the slightly slower wine to unfold, with a more understated profile of plum, red cherry and strawberry, coupled with notes of cocoa powder, coffee, grilled meats and violets...impeccably balanced, tangy and never come across as over-oaked. They are amongst the very greatest red wines to be found in the world.

#### RIDGE MONTE BELLO

The beginnings of this classic estate date back to 1885 when San Francisco Doctor Osea Perrone bought 180 acres on Monte Bello Ridge in what is now the Santa Cruz Mountains AVA. Vineyards were planted in 1886 and the first wine under the Monte Bello label was produced in 1892 from the upper terrace of vineyards. William Short owned the middle terrace of vineyards on the ridge and sold them in 1959 to three scientists from Stanford University. In 1962 the new owners formed a partnership that became Ridge Vineyards, re-bonding the winery so they could again produce wine for commercial sale. In 1966 Ridge purchased the old Monte Bello winery and a small part of the Perrone vineyard property, and Ridge Monte Bello was born. This wine is made from over thirty parcels from the Monte Bello Vineyard vinified separately. The assemblage is made through a blind tasting selection of each parcel over a number of months, primarily Cabernet Sauvignon with a touch of Merlot and, in some vintages, Petit Verdot. The philosophy is for the wines to be born as naturally as possible, with wild yeasts from the vineyard. The wines are rich and ripe and age gracefully. Paul Draper, CEO of Ridge, has been the winemaker for over forty years. A legacy in his own right, Paul has been named "Man of the Year" by Decanter magazine, received the "Distinguished Service Award" from Wine Spectator magazine, was the first recipient of the "COPIA Award" for winemaking, was named Personnalité de L'Année by Les Grand Prix Du Vin in Paris and was given the James Beard Award for winemaking.

### CHATEAU CHEVAL BLANC

Cheval Blanc has a relatively short history compared with the other top-rank châteaux of Bordeaux. As recently as the 1830s it was still a part of Figeac. A portion of that estate was sold to the Ducasse family, then owners of L'Évangile, and by twenty years later, when a Ducasse married a Fourcard-Loussac, the property was already some thirty-one hectares in size. The estate remained with the Fourcard-Loussac family until part of it was sold to Bernard Arnault and his company, LVMH, in 1998. Today, along with Château d'Yquem, it is fully owned by Arnault and managed by the dynamic Pierre Lurton.

Cheval Blanc, across the road from Pomerol, has distinctive soil makeup: about twenty percent sand, forty percent clay and forty percent gravel. In the gravelly and sandy areas the roots have to work hard to stay alive and often reach depths of seven to eight meters, compared with two to three meters in the clay areas.

Today the roughly thirty-seven hectares of vineyards are planted with sixty percent Cabernet Franc and forty percent Merlot. Yields are typically thirty-five hl/ha, and the annual production of 6500 to 7000 cases is bottled after eighteen to twenty-four months in new oak.

**Lot 145:** individual original wood case

"Extremely precise floral and berry aromatics build out of the glass and this sense of construction continues through the palate. On the attack you get a whoosh of powerful blueberry and blackberry, with sage, woodsmoke and crushed stone, all cut cleanly through, exposing juicy minerality and a feel of different elements layering on top of each other...98." ### **CHÂTEAU CHÂTEAU COS D'ESTOURNEL**

Château Château Cos d'Estournel is regarded by many as the finest wine within the northern commune of Saint Estèphe and is certainly an aesthete's delight. Driving past the stately Château Lafite Rothschild with its manicured gardens and willow-trees billowing in the wind, you enter a rollercoaster dip which ascends towards a building that appears to have been designed on LSD with its Chinese pagodas and menagerie of creatures: lions, elephants and unicorns sculpted in sandstone that radiates at sunset. Even the large main door is ornately carved with exotic flora and fauna. What is surprising is that this is not even a place of residence: but simply one of the most outrageously decadent chais in the world.

The history of Château Château Cos d'Estournel is one of the most colourful in Bordeaux and is associated with iconic figures of the nineteenth century.

The word "Cos" derives from Gasconne tongue, meaning "hill of pebbles" whilst its appendage is down to Louis-Gaspard d'Estournel who was born in 1753 and lived to the ripe old age of ninety-one, passing away just two years before his beloved estate was classified as a Second Growth, along with Château Montrose. Louis Gaspard had a penchant for acquiring land, inheriting his first parcel at the tender age of twenty-nine and having acquired a parcel of vines near the village of Cos, he recognized that the terroir was similar to that of Lafite and immediately resolved to create a wine of equal stature. Between 1821 and 1857 he expanded the vineyard piecemeal from twelve to fifty-seven hectares including the best parcel of vines from the neighbouring Château Cos Labory, eventually owning the whole hill.

**CHÂTEAU LA CONSEILLANTE**

One of the most elegant labels among all the top growths in the Gironde area is that produced by Château La Conseillante in Pomerol. The label is white with a fancy silver shield and a broad silver border. The capsule is a rich blue-purple which will stand out in every bin. Moreover, what is in the bottle is, after Petrus, one of the best wines in the commune.

The female councilor in the title, La Conseillante, was Catherin Conseillan, a dame de fer, a lady who had a business dealing in metals in Libourne in the middle third of the eighteenth century...Perhaps it was because she wholesaled ploughshares and wire on which vines could be trained that this lady had the idea of developing a section of land on the Pomerol-St Emilion border between 1735 and 1776. She was certainly one of the pioneers of vineyard exploitation in the area. In 1756 a wine called La Conseillante was baptized. It has been one of the leading Pomerol crus ever since.

La Conseillante lies at the extreme eastern end of Pomerol just by the crossroads where one turns off the D21 to go down to Cheval Blanc, and is bounded by Petit Village, Vieux Château Certan, Petrus and L'Evangile on the Pomerol side and by Cheval Blanc itself across the road and the commune boundary. Part of the vineyard, indeed, is in St Emilion. The vineyard is in one piece and has remained the same size, roughly twelve hectares, since the Nicolas purchase. It now produces forty to forty-five tonnes from equal proportions of Merlot and Cabernet Franc and ten percent Malbec.

The land here is some thirty-five metres above sea level, a plateau of gravel, clay and sand, which rises marginally to the north towards Petrus and descends in the opposite direction towards the Dordogne and the outskirts of Libourne.

The winemaking...has remained traditional. The wine undergoes a long maceration with the skins, is matured in oak barrels, half of which are renewed each year, and kept twenty to twenty-four months before bottling. It is neither filtered nor, even when it undergoes periodic racking, never pumped. Movement from one receptacle to another is by gravity...The wine resembles Lafleur Petrus rather than Lafleur or Petrus itself in that it is elegant rather than densely structured, perfumed and accessible rather than firm and unforthcoming, delicately rich and refined rather than voluptuously solid. This, I would suggest, is a result of the gravel and sand elements in the soil. What I find exciting about a good Conseillante is its complexity, the depth and concentration of its fruit; above all, its breed. Though it seems to mature faster than some of its more muscular neighbours, the wine is normally impeccably balanced and therefore will certainly keep. As the Conseillante motto has it: 'Faire peu mais fair bon' ('Make little, but make it good'). It deserves its high reputation.

### CHATEAU LA MISSION HAUT-BRION

Although the histories of Château Haut-Brion and La Mission are entwined, both have always been separate entities, sharing a common family name. It is only since 1983 that they have shared the same proprietor when it was taken over by the owners of Haut-Brion...

On November 2nd 1983, the present owners acquired La Mission after the owner Francis Dewavrin was unable to resolve internal family disputes over the way the property was managed and it marks a convergence of histories between Château Haut-Brion and La Mission, though only in the sense that they share the same owner: Clarence Dillon. He enlisted Jean-Bernard Delmas as Château-manager and there followed a period that has consolidated La Mission's position as one of the greatest estates, hovering just outside the First Growths.

Their commitment to innovation and improvements has been a catalyst for many estates in the Graves region to improve their wines, particularly with respect of clonal selection research. In 1987 the old chai was renovated, a new state-of-the-art cuvier was installed and a new bottling line was implemented in 1996. It must be emphasized that the estates are treated as separate entities, even though at some point the vines of both run side-by-side. In 2003 Jean-Bernard retired and handed the reins over to his son, Jean-Philippe Delmas.

Certainly since the arrival of Jean-Bernard Delmas the style of wine has improved: the wine is more pure and the volatile acidity has been eradicated. At its best (the 1966, 1975, 1998) La Mission is a massive, tannic behemoth that has more in common with Château Latour than Château Haut-Brion. It is a powerful, sturdy wine with firm tannins and admirable longevity...

This is definitely one of the most intriguing wines in Bordeaux: the appeal of La Mission is that it seems to avoid the vagaries of wine-making trends and wears its heart on its sleeve. This is a classic wine in every sense of the word and it can make a seamless match with food. A poor La Mission is still a better wine than most; a good La Mission is a great wine and a great La Mission can be a religious experience. I have met few wine-critics who do not hold this estate in high esteem: it is a wine for true wine-lovers.

**CHATEAU L' EGLISE CLINET**

Château L'Eglise Clinet has a long history. It dates all the way back to the back to the late 1800s. Clos L'Eglise-Clinet was created in 1882. This happened when two families agreed to join together and form a partnership to produce Bordeaux wine together. The families were Mauleon Rouchut of Clos l'Eglise. And the Constant family, the owners of Château Clinet. From that point forward, until the mid-1950s, their Bordeaux wine was sold under the name Clos L'Eglise-Clinet.

After that date, the wines were released just as they are today, under the current name of, Château L'Eglise Clinet. Before Denis Durantou, the current owner and wine maker took over, his great-grandfather managed the property. The elder Durantou spent all his time as a shopkeeper. He did not live at the chateau. He preferred to spend his time on his dairy farm, located in Coutras.

Denis Durantou took over the winery in the mid-1980s. The property, slowly but surely keeps getting better and better. Today, it is one of the stars of Pomerol! The wine is concentrated, full-bodied, opulent and rich. Everything is in harmony. This special Bordeaux wine offers a purity of fruit, exotic spice components and freshness. The portion of old vine Cabernet Franc, which is close to 70 years of age is part of what makes this wine unique. Those vines are a large component of what separates the style and aromatic complexity of L'Eglise Clinet from the most of the other top Pomerol wines.

**CHATEAU LÉOVILLE LAS CASES**

The château gets its name from the Marquis de Las-Cases Beauvoise who, upon the dividing up of the vast Léoville estate, ended with the largest portion. Hugh Barton bought a quarter, Baron Poyferré (a relative) ended up with another quarter, and the remaining half went to the Marquis.

As debt accumulated during the earlier part of the twentieth century, the estate was gradually acquired by its then manager, Theophile Skavinski. Jean-Hubert Delon, the estate's present owner, is one of his descendents.

Although there are nearly 100 hectares under vine here, it is the fifty-three hectares of Grand Clos with that famous wall and arched entrance that is the primary source of fruit for the grand vin. The vines are planted to seventy percent Cabernet Sauvignon, seventeen percent Merlot and thirteen percent Cabernet Franc. Ageing is in sixty-five percent new oak barriques for fifteen to eighteen months, which just goes to show you don't need three and a half years in 100 percent new oak to make great wine. The second wine, Clos du Marquis, was one of Bordeaux' first when the 1902 vintage debuted.

These are serious wines, as good as any in the Médoc and in many years outperforming its second growth status. This estate could be called "the Latour of St Julien," which is actually not very far from the truth as it does reside right next door to the First Growth!

### VIEUX CHÂTEAU CERTAN

Originally known as Sertan, the chateau was owned by the Demay family from the 1750s until the mid-nineteenth century when a portion of was sold to Charles de Bousquet (another portion is now Certan de May). Cocks & Feret listed VCC first among Pomerol vineyards in their publication of 1868. It remained with de Bousquet until its sale to Georges Thienpont in 1924, a member of a family of successful Belgian merchants who still own VCC, as well as its neighbor Le Pin.

The vineyards have gravel topsoil with an iron-rich clay subsoil, perfect for the Merlot and Cabernet Franc which dominate the blend. A little larger than Petrus, the vineyards cover 13.5 hectares producing roughly 5000 cases annually. The grapes, sixty percent Merlot, thirty percent Cabernet Franc and ten percent Cabernet Sauvignon, are totally destemmed prior to fermentation in tank. Following this they then go into 100 percent new oak barriques for eighteen to twenty-two months before fining with egg whites and bottling.

#### **CHÂTEAU D'YQUEM**

Château d'Yquem is the apex qualitatively and the centre geographically of the Sauternes area. Each major property occupies its own little hill. Yquem's is the highest. It is also the largest estate, the most perfectionistic, the most consistent. Unlike the rest of the region there was no cutting of corners, no lack of investment, no dip in quality in the sad days of the 1960s and 1970s.

At Yquem we have Sauternes winemaking at its most perfectionistic. The vines are pruned to yield nine hl/ha – one glass per vine (as opposed to a full bottle in a classified growth red wine château). Collection of the grapes is berry by botrytised berry, rather than by bunch or half-bunch elsewhere. The grapes are crushed in a small horizontal hydraulic press in three stages. Unlike in Champagne, for example, the first pressing does not necessarily give the best wine. There is no débouillage before the wine is put into cask. Fermentation and ageing is in new oak, of course, the latter taking place in a splendid underground cellar, constructed in 1987. The assemblage is late and the wine is not bottled for three years or more. Only then is it put on the market...

There is something very special, and indeed very consistent, about Yquem. The wine is more oaky than most in its youth. It is by quite some way the richest, most concentrated, most intense wine of its kind. In great years – I have a marginal preference for 1989 over 1990 and 1988 – it is nectar: the liquid quintessence of concentrated sunbeams, to quote Thomas Love Peacock.

## **HENRI BOILLOT**

The Boillot family is one of the most well established dynasties in Burgundy, with five generations producing wine since 1855. Henri Boillot himself, dissatisfied with the light-bodied wines produced at the family domaine, left in 1984 to found his own negociant line of wines made in a more structured, intense style. The wines found great critical and commercial success and he was welcomed back into the family domaine, eventually buying out the shares of his brothers and sisters in 2005 and changing the name from Domaine Jean Boillot to Domaine Henri Boillot to mark the purchase and avoid confusion with his brother's Domaine Jean-Marc Boillot. A range of negociant wines is also produced under the name Maison Henri Boillot.

Domaine Henri Boillot wines are produced from fourteen hectares in the Côte de Beaune, half red and half white, with a philosophy of low yields, late harvesting by hand and two passes on a sorting table to ensure that only the best berries are selected. Maison Henri Boillot wines are produced with the same philosophy, with vinification of the negociant wines in Volnay and the domaine wines in Meursault. Today Henri Boillot continues to run all aspects of both operations, both in the vineyard and in the cellar, and with his son Guillaume working with him has assured that this historic name will continue to be among the best of Burgundy.

**CLOS DES PAPES**

Paul Avril (1873-1962) was one of the people behind the creation of the appellation. In 1896 he started to sell his wines with the name Clos des Papes. Régis Avril (1901- 1987) delivered wines to two presidents of France General de Gaulle and Georges Pompidou. Paul Avril (1937-2009) started working at the domain 1963 at first together with his father and later for many years with his son. Paul-Vincent Avril (1965 - ) attended as a young man wine school in Burgundy and when he went back to the domain in 1988 he had visions about finesse and elegance and he still considers these qualities as most important for a high class wine. One parcel is nearby the pope's castle and has been surrounded by walls (clos). From here came the name of the domain. Since 2011 the vineyards are certified "agriculture biologique"

Only one cuvée of white (ten percent of the production) and of red Châteauneuf-du-Pape are made. Since 1991 destalking has been total and since 1987 the total production has been bottled at the domain. The secret behind the high quality is a low yield. The yield is minimized by green harvest and by repeated sorting of the grapes during harvest. Clos des Papes is not a place for experiments.

**JABOULET**

When one thinks of Hermitage, one thinks of Paul Jaboulet Aine's cuvee, La Chapelle, one of the world's greatest wines. La Chapelle takes its name from the Saint Christophe Chapel that sits on a steep part of the Hermitage hill. While the firm was founded in 1834 by Antoine Jaboulet, it was quite some time before the famous La Chapelle name was to appear on the label. It is hard to find definitive information as to the first vintage of La Chapelle, but the Jaboulets have been sole owners of the land it comes from since 1919.

The soils are still plowed mainly by horse or mule, with the vines trained to stakes or bush-trained goblet. The average vine age is thirty-five to forty years, with some reaching seventy years before being pulled up. Picking is done mainly by hand, parcel by parcel as each becomes fully ripe. Today there is complete de-stemming and a three-to four-week maceration prior to fermentation. The wine is then racked off into oak barrels, one-third of which are new, where it spends anywhere from twelve to eighteen months maturing before bottling without filtration.

### VALDICAVA

The tiny twenty hectare Valdicava estate was born in 1953 when Bramate Abbruzzese was offered the opportunity to return to his ancestors' property in Montalcino. It still accounts for only 1.5% of the Brunello vineyards in Montalcino and a mere one percent of production, producing only 5000 cases of wine even in a strong year. However, the cult status surrounding this wine is growing and Robert M. Parker asserts, "a strong argument can be made that Valdicava is among the top three or four Brunello di Montalcino producers." The Wine Spectator gave the 2001 Brunello and Madonna Al Piano Riserva scores of 98 and 100 respectively. The current winemaker Vincenzo Abbruzzese aims to merge tradition with modern practices, maintaining the structure and aromas of traditional Brunello, and the elegance and harmony associated with newer methods.

"Here too there is just enough oak to mention but once again it's not really enough to impair the purity of the distinctly cool and ultra-spicy red currant, underbrush, sandalwood, lilac and plenty of earth aromas. The rich, intense and overtly muscular big-bodied flavors possess a similar level of minerality that is borderline pungent and it informs the explosively long, firm and very serious finish. This notably powerful, but not really austere effort, displays magnificent potential and if it develops its usual degree of complexity over time it should merit the upper end of my projected range...98." ### BURGUNDY

#### DOMAINE LEROY

Domaine Leroy boasts wines with the same energy and intensity as the woman behind them: Lalou Bize-Leroy. By 1955, when Lalou was still in her early 20s, she was running her family's historied negociant company, Maison Leroy. By 1974, she became co-director of Domaine de la Romanée-Conti, and, less than 20 years later, she was ousted by the board of DRC, in part for establishing such a successful competitor in Domaine Leroy (although she still has a quarter stake in DRC).

In 1988, finding it increasingly difficult to acquire wine from growers that met the exacting standards of Maison Leroy, Lalou purchased Domaine Charles Nöellat in Vosne-Romanée, renamed it Domaine Leroy, and proceeded to pioneer biodynamic viticulture at what would become one of most legendary domaines in Burgundy. Domaine Leroy has practiced biodynamic viticulture from day one – well before it became trendy – and has even stuck to its astrological guns through such hurdles as the mildew-riddled 1993 vintage. After all, according to Lalou, “wine is inspired from the cosmos, it tastes of the world itself.”

At Domaine Leroy, Lalou insists that “there is no winemaking and no winemaker,” just grapes that guide their stewards. To coax the utmost quality possible from her berries, Lalou never replants her vines, allowing them to mature; she eschews vine hedging (cutting back shoots after the flowering stage); and practices severe pruning and crop-thinning in the vineyard. Domaine Leroy's old vines, combined with unique vine training and strict pruning techniques, lead to ridiculously low yields and intensely concentrated flavor in the final product.

If you ask Lalou her secret to producing such iconic wines, she'll tell you “It is simple, I love my vines more deeply than most people.” Given the wines these vines produce, we don't blame her.

# Buying & Bidding Information

Prior to bidding, all participants must read the Buying & Bidding Information and the Conditions of Sale contained in this catalog that state the terms governing the purchase of alcoholic beverage products sold at auction. Auctions are operated by: (i) Zachys Asia Limited in respect of auctions which are conducted from Hong Kong; (ii) Zachys Wine Auctions, Inc in respect of auctions which are conducted from anywhere else in the world; and (iv) in respect of online-only auctions, the entity stated in the auction particulars as operator of the auction, (each referred to as "Zachys") acting as agent for and on behalf of the relevant consignor of the goods to be offered for sale (the "Consignor"). By participating in an auction, an auction participant ("Buyer") agrees to be bound by this Buying & Bidding Information and the Conditions of Sale in this catalog (whether in print or online).

## Estimates

Catalog lot entries include a description of every lot and an estimated price range that is our opinion of the price expected at auction. Estimates are a guide for bidders and generally reflect prices recently paid at auction for comparable alcoholic beverage products. Each estimate takes into account, among other things, condition, rarity, quality and provenance (history of ownership, to the extent known). Estimates are determined in advance of the sale and are therefore subject to revision. Buyers should not rely upon estimates as a prediction of actual selling prices.

Estimates do not include Buyer's Premium or sales tax. Certain lots may be noted with "Estimate on Request" instead of a printed value in the catalog. Please contact a Zachys specialist for further information and bidding assistance.

## Buyers Premium

A 25% Buyer's Premium (exclusive of sales tax) will be added to the successful bid price of each lot purchased and is payable by Buyer, together with all applicable sales tax, as stated in the Conditions of Sale.

## Reserves

Unless otherwise indicated, all lots are sold subject to a reserve. A reserve is the confidential minimum price established between Zachys and the Consignor. The reserve will not exceed the low estimate for the lot.

## Examination of Wines

Zachys endeavors to select quality wines for auction and uses leading reputable expert(s) to assist Zachys in examining wines for auction. However, to the fullest extent permissible by law, Zachys and any Consignor disclaim any liability arising out of any description or error or omission in any description or any decision by the Buyer to rely on Zachys or any Consignor. Prospective Buyers are urged and advised to examine any lots carefully prior to the auction at our temperature-controlled warehouse and can do so by appointment. Please contact Zachys at +1.914.448.3026 or +852.5803.8244 to set up an appointment.

## Bidder Registration

No person shall bid or buy in any auction (or be shipped any property bought in any auction) who has not agreed (either in writing or electronically) to be bound by the Conditions of Sale and this Buying & Bidding

Information. If a prospective Buyer has not previously bid with Zachys, a government issued photo identification (such as National Identity Card or Passport) may be required prior to registration for any sale.

If a business organization registers to bid in an auction, a Business Registration or a Certificate of Incorporation and/or proof of director may be required in order to obtain a paddle. Zachys requires a valid credit card for new registrants.

Prospective Buyers may be asked to supply a bank reference to register for the auction. To avoid delay in the release of purchases, please prearrange check or credit approval through our Finance Department at +1.914.448.3026 or +852.2530.1971.

All bidders who wish to attend the auction are asked to preregister for a paddle at least two business days in advance of the auction. If you plan to attend the auction, a Bidder Pre Registration Form is provided in this catalog or at zachys.com. Complete and either email the form to bid@zachys.com or asia@zachys.com or fax the form to +1.914.713.8220 or +852.2530.1971 at least two business days prior to the auction. Bidders should arrive at least 30 minutes before the scheduled sale of the lot on which they plan to bid to retrieve a paddle.

## Bidding

Lots are auctioned in consecutive numerical order, as they appear in the catalog. The auctioneer will accept bids from (i) those present in the saleroom, (ii) absentee bidders participating by telephone, online or by written bids provided to Zachys prior to the first session of the auction, or (iii) live over the internet. The auctioneer may also execute bids on behalf of the Consignor's reserve; however, under no circumstances will the auctioneer place any bid on behalf of the Consignor at or above the reserve. The auctioneer will not identify bids placed on behalf of the Consignor. Prospective Buyers who have registered to bid by more than one method (for example, both as an in-saleroom and absentee bidder) must monitor all of their bidding activities (including in-saleroom bids, absentee bids, and online bids) to prevent bidding against themselves. All bids are final and will not be cancelled.

## Bidding by Zachys

Zachys reserves the right to bid on any lot on its own behalf, subject to the same terms and

conditions applicable to all other Bidders.

## Parcel Lots

A parcel is a sequence of lots carrying the same estimates and consisting of the same type, quantity, and bottle size. In this sale the Buyer of the first lot of a parcel will have at the discretion of the auctioneer, the option to take any or all further lots in the parcel for the same price. If the option is not exercised on all lots in the same parcel, the auctioneer will open bidding on the next unsold lot and offer the Buyer of that lot the option to take any or all of the remaining lots in the parcel sequence. Bidding shall continue in the same manner until all lots in the parcel have been offered and declared sold or unsold by the auctioneer. Live Online bidders who purchase the first lot in a parcel will be sent a message requesting that they choose how many additional lots in the parcel they would like to purchase. If the Live Online bidder does not respond to the message, the auctioneer will open the next unsold lot in the sequence.

Bids should be placed on the first lot in a parcel. In the event that a bid is placed on a subsequent lot, Zachys will attempt to move the bid to the first lot in the parcel. An unsuccessful bid on the first lot in a parcel will be carried to the next lot and executed on that lot. If unsuccessful again, the bid will be carried to the next lot in the parcel until all lots have been offered.

## Online, Absentee, & Telephone Bids for Live Auctions

Please note: Zachys offers the following services as a convenience to clients. Zachys is not responsible for any error in connection with or failure to execute absentee, telephone or online bids.

## Online Bids

Live auctions will open for bidding on our website at [www.auction.zachys.com](http://www.auction.zachys.com) approximately 3-4 weeks before the scheduled live auction date. Bids may be submitted online during this period.

For live auctions, a maximum bid may be entered online. You must confirm the bid to submit it. To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is entered that does not match a bidding increment, a message will be displayed to provide the increments that are closest to the bid entered. If a maximum bid is submitted, bids will be placed

on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted.

Prospective Buyers may also bid during the live auction on our website at [www.auction.zachys.com](http://www.auction.zachys.com).

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity. In the event of a dispute, the auctioneer's declaration of winning bid and paddle number shall be determinative. In the event of communication delays or failures, the auction will not be stopped. Live online bidders should consider providing Zachys with emergency absentee bids.

#### **Absentee Bids**

If you are unable to attend the auction in person and wish to place bids, you may give Zachys instructions in writing to bid on your behalf. Zachys' representatives will then try to purchase the lot or lots of your choice for the lowest price possible, taking into account the reserve price and other bids. This service is free and confidential. To place absentee bids, use the form provided herein or at <https://auction.zachys.com/>. Be certain to accurately record the lot numbers and the highest hammer price you are willing to pay for the lot.

Please note: Your bid amount does not include Buyer's Premium or applicable sales tax. Buyer's Premium and applicable sales tax will be added to the hammer price of each lot.

Absentee bids must be submitted in consecutive numerical order, or they will not be executed. In addition, please use the bid increments included on the absentee bid form. If bids are submitted incorrectly, Zachys will round your bid up to the next increment. Please place bids as early as possible and at least 24 hours prior to the start of the first session of the auction. In the event of identical bids, the earliest bid received will take precedence. By registering and submitting absentee bids, prospective Buyers agree to be bound by the Conditions of Sale.

#### **Telephone Bids**

Prospective Buyers may bid by telephone during the live sale. Telephone bids are accepted only at Zachys' discretion and at the prospective Buyer's risk. Because of limited phone lines in the saleroom, Zachys must confirm arrangements for this service at least 48 hours prior to the start of the first session of the auction. At Zachys' discretion, telephone bids may be limited to lots with a value above 16,000 HKD or 2,000 USD and may be recorded. By submitting a telephone bid, prospective Buyers agree to be bound by

the Conditions of Sale.

#### **Bidding in Timed Auctions**

Bids can be submitted anytime during the course of a timed auction on our website at [www.auction.zachys.com](http://www.auction.zachys.com).

There are two ways to bid: (i) submit the starting/next bid or (ii) submit a maximum bid. You must confirm the id to submit it. To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is entered that does not match a bidding increment, a message will be displayed to provide the increments that are closest to the bid entered. If a maximum bid is submitted, bids will be placed on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted.

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity.

#### **Taxes**

Buyers are responsible for the payment of any tax, tariff, duty or other fee which Zachys may be required by law to charge or remit to any authority in respect of or in connection with the sale.

All bids placed by Buyers are deemed to be submitted exclusive of any sales tax which shall (if required) be payable by the Buyer at the appropriate rate. All such taxes shall be paid by Buyer at the time of delivery to Buyer at Zachys' licensed location. Because title passes from Zachys to Buyer in the state of New York (see Passage of Title and Storage), all sales are subject to New York sales taxes unless the goods are delivered to the Buyer in another jurisdiction under the authority of a permit issued by the recipient state and the collection of sales taxes by the state of the Buyer.

Buyers claiming exemption from sales, use or other tax must provide Zachys with documentation, which, in Zachys' sole discretion and judgment, is satisfactory evidence of such exemption, prior to the release of property to the Buyer. Buyers claiming such exemption who are licensed dealers of alcoholic beverages must submit resale certificates and a copy of their valid licenses to Zachys prior to registering for the sale.

All questions regarding tax and exemptions should be directed to Zachys Finance Department at +1.914.874.8034 or +852.2530.1971.

#### **Owned or Guaranteed Property**

Zachys offers property consigned by others for sale at public auction. Occasionally, lots are offered which have in the course of the

sale process become the property of Zachys

On rare occasions, Zachys may guarantee a minimum price to the Consignor. Guaranteed lots may also be sold subject to a reserve.

#### **Successful Bid**

The fall of the auctioneer's hammer indicates the final bid, at which time the Buyer assumes full responsibility for the lot. Successful bidders will be notified and invoiced within a few days of the sale. Successful Buyers will pay the price of the final bid plus a 25% Buyer's Premium plus any applicable taxes for each lot purchased.

#### **Payment**

Payment for all invoices is due immediately upon receipt.

For timed auction ("zCollections") purchases: Zachys will auto-charge the credit card on file for the full invoice amount within 48 hours of the sale close.

For live auction purchases: Zachys will auto-charge the credit card on file within 48 hours of the sale close.

In respect of all other purchases, buyers are expected to pay for purchases or balances within 14 calendar days of purchase for live sales and 7 calendar days of purchase for internet sales. At the end of this 14 or 7 calendar-day period (as applicable), Zachys reserves the right to charge the Buyer's credit card on file for any amounts still due.

Zachys reserves the right to cancel the sale of invoices still unpaid on the 31st day after an auction.

For US auctions, payment is accepted in United States Dollars.

For Hong Kong auctions, payment is accepted in Hong Kong Dollars.

To request payment in another currency, contact Zachys at +1.914.448.3026 or +852.2530.1971. Zachys, in its sole discretion, shall determine the currency exchange rate.

Payment can be made by credit card or bank wire transfer. In the event of third-party payments, Zachys may require an Authorization Letter from both parties.

#### **Payment by Credit Card**

All charges are subject to acceptance by Zachys and the applicable credit card company. Zachys will accept Visa, MasterCard, American Express, Discover and Union Pay. Payment can be made via phone by calling +1.914.448.3026 or +852.2530.1971.

Payments made by credit card will incur a 2% use charge.

When making payment via UnionPay, winning bidder must sign the auction invoice and acknowledge that possession of the wine has transferred from Zachys at time of payment. Signature must be same as the one signed on payslip.

**Collection of Purchases**

Buyers are expected to remove their property within 14 calendar days of the auction. Prospective Buyers' attention is drawn to the Conditions of Sale, including Condition 9.

**Collection & Delivery**

It is the Buyer's responsibility to pick up purchases or make shipping arrangements within 14 calendar days of the auction. Unless Buyer is located in the state of New York, Zachys will not automatically arrange for the delivery of purchased products to buyer. For Buyers located outside of the state of New York, Zachys will deliver all alcoholic beverages purchased to an independent New York storage facility for the account of the buyer (see Passage of Title and Storage).

After payment has been received, Zachys can assist in the arrangement of packing, transit insurance, and shipping at the Buyer's expense, direction and request.

Please submit the Collection & Delivery Form to expedite payment and delivery for auction purchases.

**Export/Import Permits**

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

**Delivery Restrictions**

Prospective Buyers are also reminded that various jurisdictions impose limitations on

the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

**Shipment of Spirits**

Prospective Buyers should be advised there are certain restrictions regarding the shipment of spirits. Many countries and states impose limitations on quantity, high duties, and/or taxes, and prospective Buyers should be aware of export and import restrictions.

**Auction Results**

To obtain results for the auction, please refer to [www.auction.zachys.com](http://www.auction.zachys.com).

**Translation**

The terms and conditions have originally been drafted in English. In the event that any translation of the terms and conditions is prepared, the provisions of the English version shall prevail.

# Conditions of Sale

These Conditions of Sale are Zachys' and the Consignor's entire agreement with the Buyer with respect to the property listed in this catalog. The Conditions of Sale and all other contents of this catalog may be amended by posted notices or oral announcements made during the sale. The property will be offered by Zachys as agent for the Consignor, unless the catalog indicates otherwise. By participating in an auction, you agree to be bound by these terms and conditions.

**1** This catalog endeavors to describe the property listed herein accurately. However, save as otherwise expressly set out in these Conditions of Sale, and to the fullest extent permissible by law, Zachys and the Consignor shall not be liable for any such description and expressly disclaim any representation or warranty regarding the origin, physical condition, merchantability, fitness for a particular purpose, correctness of catalog description, size, quality, condition, rarity, authenticity, attribution, value, importance, provenance, previous storage conditions or historical relevance of any property herein. Zachys further retains the absolute right to amend at any time and in any manner any description of any property contained in any catalog and shall take reasonable steps to inform Buyers of such change prior to the conclusion of any purchase. Classifications in the text are for identification purposes only and based on standard sources. Buyers must make appropriate allowances for natural variations in ullages, conditions of cases, labels, corks and wine. Each statement contained in any catalog and each other statement, whether oral or written, and whether made at an auction or in an advertisement, bill of sale, addendum, posting, notice, announcement or otherwise, is a statement of opinion only and (subject to the next sentence) shall not be relied upon by any Buyer or otherwise be deemed a warranty or representation.

Images appearing in this catalog or elsewhere are for illustrative purposes only and may not be relied upon to reveal imperfections in any products. Zachys and the Consignor make no representation or warranty, express or implied, as to whether the Buyer acquires any copyright or other reproduction rights in any property. To the fullest extent permissible by law, neither Zachys nor the Consignor shall be liable for errors or omissions in the catalog or any supplemental material. Prospective Buyers are urged and advised to inspect the property before the auction, including the cases, labels, corks and wines, and must satisfy themselves by inspection or other means as to all considerations pertinent to any decision to place any bid. EACH PRODUCT AND EACH LOT HEREIN IS SOLD "AS IS," AND, TO THE FULLEST EXTENT PERMISSIBLE BY LAW, BUYERS EXPRESSLY DISCLAIM ANY RELIANCE ON ZACHYS, THE CONSIGNOR, OR THE CATALOG. Under no circumstances will substitutes be provided by Zachys; including but not limited to in case of breakage or error in catalog description. No provision of the Buyer & Bidding Information or these Conditions of Sale shall limit or exclude

Zachys' or the Consignor's liability for: (i) fraud; (ii) fraudulent misrepresentation; or (iii) death or personal injury arising from its negligence.

**2** The purchase price payable by the Buyer ("Purchase Price") will be the sum of the final bid price (the "Hammer Price"), the Buyer's Premium and the Protection Fee, when applicable, together with any applicable sales tax. The Buyer's Premium is 25% of the Hammer Price. The Protection Fee is 1% of the Hammer Price plus the Buyer's Premium.

**3** Zachys reserves the right to withdraw any property or cancel any sale before or at the sale and shall have no liability whatsoever for such withdrawal or cancellation.

**4** Zachys reserves the right to reject any bid. The highest bidder acknowledged by the auctioneer will be the Buyer. In the event of any dispute between bidders, or any other issue with respect to the bidder, the auctioneer will have absolute discretion to determine the successful bidder, to continue the bidding, to cancel the sale or to reoffer and resell the property in dispute. If any dispute arises after the sale, Zachys' sale record is conclusive.

**5** In its sole discretion, Zachys may accept and execute absentee bids (written bids submitted to Zachys prior to the sale), telephone bids and internet bids as a convenience to clients who are not present at auction.

**6** Unless otherwise indicated, all lots in this catalog are offered subject to a reserve, which is the minimum price the Consignor is willing to accept. This amount is confidential and will not exceed the low presale estimate Zachys shall act to protect the reserve by bidding through the auctioneer. The auctioneer may open bidding on any lot below the reserve by placing a bid on behalf of the Consignor. The auctioneer may continue to bid on behalf of the Consignor up to the amount of the reserve, either by placing successive bids or by placing bids in response to other bidders.

**7** All alcoholic beverages purchased from Zachys are sold in the state of New York, and title passes to the buyer in the state of New York in accordance with the Uniform Commercial Code. All sales are subject to NY sales taxes unless the goods are delivered to the buyer in another jurisdiction under the authority of a permit issued by the recipient state and the collection of sales taxes by the state of the purchaser. If the Purchaser is a resident of a state other than New York, all alcoholic beverage purchases will be delivered to an independent New York storage facility for the account of the buyer, who may arrange with the facility to pick up the inventory in person or arrange for delivery under the law of the purchaser's state or the ultimate destination of the goods.

**8a** Title to the offered lot passes to the Buyer upon the fall of the auctioneer's hammer and the announcement by the auctioneer that the lot has been sold, subject to compliance by the Buyer with all other Conditions of Sale and the Buying & Bidding Information. Title passes to Buyer in the state of New York, where the sale takes place.

**8b** The Protection Fee is 1% of the hammer price plus the Buyer's Premium for all arranged deliveries of purchased property. In return for payment of the Protection Fee, purchased property will be protected against breakage, loss, theft or fire and other losses as covered by Zachys' insurance while in transit to the Buyer's declared point of destination. If Buyer elects to decline the protection afforded by the Protection Fee, Buyer thereupon assumes full risk and responsibility for the lot while in transit.

**9** No property may be removed from Zachys' premises until Buyer has paid the Purchase Price in full plus all other fees and taxes (inclusive of any taxes due in the location of the auction on Buyers who are not residents of such location) and has satisfied such terms as Zachys, in its sole discretion, shall require. Zachys reserves the right to withhold all property until such time as all outstanding amounts are paid in full from purchases from any prior auction(s). Upon receipt of full payment, Zachys will issue a Release Order, which must be presented in order for Zachys to release purchases made at auction. Subject to the foregoing, all lots are to be paid for no later than 4:30 PM (local time at the place of the auction) on the fourteenth calendar day following the live sale, and on the seventh calendar day following the internet sale, and removed from Zachys' premises at Buyer's expense no later than 90 calendar days after the date of sale. If Buyer fails either to timely remove the purchased lots from Zachys' premises or make timely arrangements with New York Fine Wine Storage to store the purchased lots, Zachys may transfer such property to a public warehouse for the account, and at the risk and expense, of Buyer. If a lot has not been collected within 90 calendar days of the date of sale and Zachys does not transfer the uncollected property to a public warehouse, Buyer will be liable to Zachys for interest, storage fees, and handling charges.

**10** Zachys is not responsible for acts or omissions by itself or others in packing or shipping, whether or not the carrier or packer is recommended by Zachys. Packing and handling of purchased lots are entirely at the risk of Buyer. Zachys may, at the request and direction of Buyer and for an administrative fee, make arrangements for the consolidated shipment by common carrier of the purchased lots, provided that Zachys is not liable in any way therefore.

**11** If Buyer fails to comply with any of these Conditions of Sale, Buyer will be in default and

Zachys may avail itself of all remedies available by law, including, without limitation, the right to (i) hold such defaulting Buyer liable for the Purchase Price including all fees, charges and expenses, (ii) cancel the sale of that lot and any other property sold to Buyer, (iii) resell the property without Reserve at public auction or privately on reasonable notice to the Buyer, (iv) pay the Consignor an amount equal to the net proceeds payable in respect of the amount bid by the defaulting Buyer and then resell the property to a third party without Reserve at public auction or privately on reasonable notice to such Buyer, and/or (v) take such other action as Zachys deems necessary or appropriate. If Zachys resells the property pursuant to clause (iii) or (iv) above, the defaulting Buyer shall be liable for the payment of any deficiency between the Purchase Price and the price obtained upon resale pursuant to clause (iii) and (iv) above and all costs and expenses, including, without limitation, warehousing, the expenses of both sales, reasonable attorneys' fees, commissions, incidental damages and all other charges due hereunder. In the event that such Buyer pays a portion of the Purchase Price for any or all lots purchased, Zachys shall apply the payment received to such lot or lots that Zachys, in its sole discretion, deems appropriate. Any Buyer who fails to comply with these Conditions of Sale will be deemed to have granted Zachys a security interest in, and Zachys may retain as collateral security for such Buyer's obligation to it, any property in Zachys' possession owned by such Buyer. Zachys shall have the benefit of all rights of a secured party under the Uniform Commercial Code or applicable law adopted in the jurisdiction where the auction is held.

#### **12**

Payment will not be deemed to have been made in full until Zachys has collected good funds. In the event Buyer fails to pay any or all of the Purchase Price for any lot within 30 calendar days of sale and Zachys nonetheless elects to pay the Consignor any portion of the sale proceeds, Buyer acknowledges that Zachys shall have all of the rights of the Consignor to pursue the Buyer for any amounts paid to the Consignor, whether at law, in equity, or under these Conditions of Sale, or to cancel the sale of any lot unpaid 31 calendar days after sale.

#### **13**

Notwithstanding any other terms of these Conditions of Sale, if within 3 calendar days of the date of delivery of the property or 90 days after the sale, Buyer notifies Zachys in writing of a claim that any lot is short, ullaged, or has suffered breakage, then Zachys in its sole discretion will decide any such claim as between the Consignor and Buyer and may rescind the sale and refund all or part of the Purchase Price received. This does not affect any other rights of the Buyer at law or under these Conditions of Sale.

Notwithstanding any other terms of these Conditions of Sale, if a Buyer purchased property that is inauthentic and returns such property to Zachys within 90 calendar days of the date of delivery, then Zachys agrees to rescind the sale

and refund the Purchase Price received.

The benefit of this Condition of Sale 13 is not assignable and shall be applicable only to the original Buyer of the lot and not to subsequent assigns, buyers, heirs, owners or others who have acquired or may acquire an interest therein.

At its discretion, Zachys will not always cut the bands on original packaging of younger wines. In such cases, Zachys will not accept returns for any issues the Buyer might discover after the band is cut.

#### **14**

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

#### **15**

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys and Consignor shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations.

Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

#### **16a**

For auctions that are held in New York, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the State of New York. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the State Courts of, and the Federal Courts sitting in, the State and County of New York. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy

which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental, or consequential damages, including, without limitation, loss of profits.

#### **16b**

For auctions that are held in Hong Kong, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the Hong Kong Special Administrative Region. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the Courts of Hong Kong Special Administrative Region. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental, or consequential damages, including, without limitation, loss of profits.

#### **17**

All offers and sales of alcoholic beverage products by Zachys are subject to the local laws governing the sale of alcoholic beverage products in the jurisdiction in which the auction takes place.

#### **18**

New York State law requires that Buyers of alcoholic beverages must be at least 21 years of age. Hong Kong law requires that Buyers of alcoholic beverages must be at least 18 years of age. Buyers should observe and comply with the applicable laws relating to the purchase of alcoholic beverages in the jurisdiction where the auction is held. By participating in the auction, each Buyer represents and warrants to Zachys that he, she or it has the legal capacity to purchase, receive, and possess any lot purchased.

#### **19**

Zachys does not ship alcoholic beverage products. As an accommodation to Buyers, Zachys may arrange to have property packed, insured, and delivered at Buyer's expense and direction, but (other than as provided in Condition of Sale 8) Zachys shall have no liability or obligation for shipping alcoholic beverage products. Zachys makes no representation, and assumes no obligation, with respect to the legality of shipment of alcoholic beverage products into any jurisdiction. Zachys urges all Buyers to investigate and understand the alcoholic beverage products shipping laws and regulations of the jurisdiction to which they intend the alcoholic beverage products to be shipped prior to the purchase of alcoholic beverage products at auction.

#### **20**

By participating in the auction, Buyer agrees with Zachys and the Consignor that these Conditions of Sale, together with any instrument captioned (i) Buying & Bidding Information and (ii) General Catalog Notes published by Zachys and in effect from time to time and which are incorporated herein by reference as part of this Condition of Sale, shall become the legal, valid, and binding obligation of the Buyer, enforceable in accordance with their terms by Zachys and the Consignor (who is both a party hereto and, with respect to portions hereof between Buyer and Zachys, an intended third-party beneficiary).

**21**

In the event any one or more of the provisions, or any part or parts of a provision, of these Conditions of Sale and/or the Buying & Bidding Information is determined to be invalid or unenforceable in any respect, the validity and enforceability of all remaining provisions and parts of provisions shall not in any way be affected or impaired.

**22**

If there is any inconsistency between the English and translated version of the General Catalog Notes, the Buying & Bidding Information, the Conditions of Sale or all other relevant documents, forms, website or emails, the English version shall prevail.

**23**

Title and Risk of Loss. For New York residents, title and risk of loss to all goods shall pass to you upon our transfer of the products to the applicable carrier, or upon delivery to you if Zachys is acting as the carrier. For non-New York residents, title and risk of loss to all goods shall pass to you upon our delivery of the products to the independent storage facility, upon your receipt of the products from the Zachys premises, or upon transfer to an applicable carrier or third party in accordance with any alternative shipping/storage methods you decide. Notwithstanding the foregoing, Zachys reserves the right, exercisable in its sole discretion, to refund or replace goods damaged during shipment in accordance with Section II(b) of these Terms.

**24**

Tax. Sales tax will be applied to all Orders as applicable. Seller makes no representation as to the legal rights of anyone to deliver or import any wines, alcoholic beverages or other goods into any state. Because title passes from Zachys to Buyer in the state of New York (see Passage of Title and Storage; Title and Risk of Loss), all sales are subject to New York sales taxes unless the goods are delivered to the Buyer in another jurisdiction under the authority of a permit issued by the recipient state and the collection of sales taxes by the state of the Buyer.

# General Catalog Notes

## Level/Ullage Descriptions & Interpretations

- IN **Into Neck:** Excellent for a wine of any age.
- BN **Bottom Neck:** Excellent for a wine of 10 years or older.
- VTS **Very Top Shoulder:** Normal for any wine 10 years or older.
- TS **Top Shoulder:** Normal for any wine 25 years or older.
- JBTS **Just Below Top Shoulder:** Normal for any wine 30 years or older.
- US **Upper Shoulder:** Slight natural reduction through easing of cork and evaporation through cork and capsule. Very good for any wine over 40 years old. Excellent for any wine over 50 years of age.
- UMS **Upper-Mid Shoulder:** Good for any wine 50-60 years of age.
- MS **Mid Shoulder:** Probably some weakening of the cork. Very good for wines over 50-60 years of age. Estimates usually take this into account.
- LS **Low Shoulder:** Some weakening of cork acceptable if wine or label is exceptionally rare or interesting.

Because of the slope of shoulder, it is impractical to describe levels of Burgundy-shaped bottles as into neck, etc. Wherever appropriate, the level between capsule and wine will be measured and cataloged in centimeters.

The condition and drinkability of Burgundy are less affected by ullage than its equivalent from Bordeaux. For example, a 5 to 7cm. ullage in a 50 year old Burgundy can be considered normal, indeed good for that age; and 3.5 to 4cm., excellent for that age.

Champagne bottle measurements are done from the bottom of the foil to the level of the wine.

## Label & Capsule Conditions

Labels and capsules can become soiled, stained, or otherwise marked, especially with wines over 20 years of age. Unless otherwise noted, label conditions will be appropriate for age, but Buyers should note that normal staining, discoloration or other conditions may not be noted if such conditions are appropriate for the age of the label. Potential Buyers are invited to make appointments to inspect wines personally.

## Special Notices

Though every effort is made to describe or measure the levels of older vintages, corks over 20 years old begin to lose their elasticity and levels can change between cataloging and sale. Old corks have also been known to fail during or after shipment. We therefore repeat that there is always a risk of cork failure with old wines, and Zachys assumes no responsibility for this.

Under no circumstances can an adjustment of price or credit be made after delivery, except as provided in Paragraph 13 of the Conditions of Sale in this catalog.

Unless otherwise stated, Bordeaux are Château bottled.

It is Zachys' general policy to describe levels for vintages prior to 1990. Unless otherwise noted, ullage levels will be appropriate for age.

At Zachys discretion, we will not always cut the bands on original packaging of younger wines. In such cases all wines are sold AS IS and will not accept returns for any issues the buyer's might discover after the band is cut.

At times, bottle numbers will be covered in photos to protect consignor anonymity.

# Collection, Delivery & Storage of Wine

Wines should be collected within 90 days after the auction at which they were purchased, after which time they will be automatically transferred to a storage account and incur storage fees.

## For US Auctions

### Passage of Title

All alcoholic beverages purchased from Zachys are sold in the state of New York, and title passes to the buyer in the state of New York in accordance with the Uniform Commercial Code. All sales are subject to NY sales taxes unless the goods are delivered to the buyer in another jurisdiction under the authority of a permit issued by the recipient state and the collection of sales taxes by the state of the purchaser. If the Purchaser is a resident of a state other than New York, all alcoholic beverage purchases will be delivered to an independent New York storage facility for the account of the buyer, who may arrange with the facility to pick up the inventory in person or arrange for delivery under the law of the purchaser's state or the ultimate destination of the goods.

### Storage

Wine purchased at auction is stored at New York Fine Wine Storage (NYFWS) located in Port Chester, New York. The 55,000 square foot warehouse is equipped with a state-of-the-art alarm system that is monitored 24 hours a day, 7 days a week. A refrigeration system provides an ideal temperature, and all wines are protected with a temperature alarm system, as well as a backup generator. Rates are competitive, and the merchandise will not have to be moved to another location.

For further information or directions, please call NYFWS at 914.874.8068.

### Pickup

Wines can be picked up from Zachys Port Chester facility between the hours of 9 AM and 5 PM Monday through Friday, provided that payment for the lots has been received. Buyers can arrange to collect their wine by appointment by phoning Zachys at 914.448.3026. Please provide at least 72 hours notice before coming to collect your purchases. Any additional packaging and/or handling that is required or requested will be subject to processing fees.

### Delivery

For further information or collection and delivery assistance, please call 914.448.3026 or email [auction@zachys.com](mailto:auction@zachys.com).

Original wooden cases and original cartons, when available, will be shipped automatically, unless instructed otherwise. Please inquire for rates of shipping original packaging when making arrangements.

Zachys can assist you in making arrangements to have the wine purchased at auction shipped. All shipments and pickups will be subject to a 1% Shipping Protection Fee charge. This Shipping Protection Fee provides protection against only breakage, theft or fire as covered by Zachys insurance with respect to purchased property packed, shipped and delivered pursuant to arrangements made by Zachys. Zachys and its forwarding agents cannot be held responsible for any other changes to the wines during shipment. Loss or breakage resulting from shipping that Zachys has arranged must be reported to Zachys in writing within three days of delivery of the property, which must be examined in the presence of the carrier on arrival.

To insure the safety of the wines, it may be necessary in some shipments to repack the wines in protective shipping containers and to ship the wooden cases separately at an additional charge.

Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverages which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys makes no representation, and assumes no obligation, as to the legality of shipment of alcoholic beverages into any jurisdiction. Zachys urges all Buyers to investigate and understand the wine shipping laws and regulations of the jurisdiction to which they intend the wine to be shipped prior to the purchase of wines at auction. The protection afforded by the Shipping Protection Fee does not cover confiscation by any government or law enforcement agency as a result of alleged violations of applicable laws by Sellers or Buyers.

Zachys will take precaution to ensure the safety of wines against inclement weather conditions. This may include delaying shipments during times of extreme high or low temperatures.

Common shipping arrangements include Common Carrier, Consolidated Shipments and Dedicated Shipments.

#### **Export/Import Permits**

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

Currency of fulfillment and applicable fees are determined by the origin of the shipment.
