## Wines & Spirits

Something look a little different here?

After many, many decades, we are thrilled to be rolling out a new logo, a new color scheme, and new fonts. Since Zachys began as a 200-square-foot news stand in Scarsdale, I think it's safe to say that we've changed a bit. Our team has been working hard to make sure that we portray ourselves as the global, luxury brand that we are. The branding plus the new website: lots of changes at Zachys auctions!

What hasn't changed is the quality of wines in this auction.

There's Rousseau, DRC, Roumier, Mugneret-Gibourg and even wines you don't always see in our auctions: like G-Max from Keller (Lot 50).

Lots 59-153 are a particularly impressive "Blue Chip East Coast Cellar," from a long time friend of the firm, including "mini verticals" of massive wines like Romanee Conti. Bordeaux lovers such as myself shouldn't miss the '15 Petrus and Le Pin.

Elsewhere in this auction there's 2001 Mayer Echezeaux, swimming pools full of Krug and Salon, and an enormous collection of California wine starting on lot 465. Everything from Cliff Lede to Hundred Acre, to Plumpjack, to Realm and Scarecrow. Lot 610 is the exceptionally rare "Toto's Opium Dream," a wine that is nearly impossible to find.

As always this sale will be live streamed from our offices, but we do have some pre-auction events happening so please do ask.

In addition, we're already planning our July and our HUGE live in person September sale. It's going to be one you don't want to miss. If you're considering selling some or all of your collection: I'd be targeting September if I were you! Email us today at [Consignments@zachys.com](mailto:Consignments@zachys.com).

See you live online soon!

Jeff

# A Wondrous Collection

from the Wine World's Greatest Producers

## LOTS 1-58

This consignment has been meticulously sourced and features a spectacular selection of Bordeaux, Burgundy, and Champagne. There are too many stupendous wines to mention here but Bordeaux lovers should note the double magnum of 2005 Margaux and the full case of 2005 Palmer. From Burgundy there is La Tâche and Richebourg from DRC, Chambolle les Amoureuses from Roumier and Drouhin, and Clos Saint Jacques from Rousseau. Finally, rarely do we see magnums of Krug collection 1985 as well as Krug, Krug Clos de Mesnil, Dom Pérignon Oenothèque and Salon, all from the legendary 1996 vintage.

These wines were all sourced from only the most reputable retail sources and are property of an East Coast Collector.

## CHAMPAGNE

### Krug

Of all the wine world's luxury brands, Krug is perhaps the most glittering. No expense is spared in its production, though the techniques used are in fact remarkably artisanal, including fermentation in small, old wooden casks. Time is of the essence: the overall ageing cycle is the best part of a decade here, with all wines being aged for at least six years sur pointes (upended, after the "ordinary" ageing period that follows the second fermentation is concluded). No expense is spared, either, in the pricing of its five wines, the cheapest of which, Grande Cuvée, costs as much as many rival houses' top cuvees. This is a wine of magnificent complexity and layered richness, nourishing and diverting, as detailed and textured as a Gobelin tapestry. It contains wines from a decade's worth of vintages and from at least twenty different crus (not all of them Grand or even Premier, one might note); Krug makes no secret, too, of its need and love for Pinot Meunier. (The Krug 1928 vintage, regarded by the family as the greatest ever, contained twenty percent Meunier, and there is eighteen percent in the finely honed 1988.) There is also a relatively understated rose of pale tawny hue, and a series of vintage wines of magnificent stylistic oscillation, fully respecting the potential of each year. The Collection vintage wines have spent more years in the Krug cellars in Reims; disgorgement took place at the same time as for "ordinary" vintage wines. Finally, a champagne de terroir: the pure Chardonnay Clos du Mesnil, vinified from wines in a genuine 1.9 hectares walled vineyard within the village of Le Mesnil, purchased by Krug in 1971, and released as a vintage wine beginning with 1979. In great years (like 1988) it is magnificent and multi-dimensional.

### **Giacomo Conterno**

Cantine Giacomo Conterno has stood at the pinnacle of "traditionalist camp of Barolo" for many, many decades, and along with the wines of other Piemonte icons such as Bartolo Mascarello, Mauro Mascarello and Bruno Giacosa, the wines of Cantine Giacomo Conterno have set the standard for excellence in the region for many years. The founder of the estate as it stands today was Giacomo Conterno, who began his own winery in the village of Monforte d'Alba in 1920, and quickly earned a reputation for excellence for the quality of his Barolo. However, the Conterno family's involvement in wine production in Barolo far predates the launching of today's winery in 1920, as the family retains documentation of their wine production ties that dates back to 1770. And in fact, Giacomo Conterno's father was very much involved in winemaking and wine sales from the moment he began his businesses in the region at the beginning of the twentieth century. The flagship Barolo bottling here is the bodega's Monfortino Riserva Speciale, which was first made in the 1920 vintage, and which is unequivocally one of Piemonte's longest-lived and greatest wines.

In many respects, modern Barolo as a long-lived and cellar-worthy wine owes much of its heritage to the visionary efforts of Giacomo Conterno throughout the decades of the 1920s, 1930s and 1940s. It is rather hard to imagine the landscape of Barolo as it is today without his pioneering efforts.

## LOTS 59-153

From professional storage in the New York City metro area comes this collection of unparalleled quality. The wines here are fairly young—mostly younger than a decade, which means that they are bought on release or near to it, and pristine. There is Dom Pérignon, there is Screaming Eagle, there is Guigal, there is Chave and Vice Versa, but overwhelmingly the wine on offer here is Burgundy, and the best of Burgundy.

It wouldn't be a Burgundy-focused consignment without DRC, and there is plenty. From a mini-vertical of Romanée-Conti including the illustrious 2015, to Richebourg and Romanée-Saint-Vivant, in 6-packs. And of course: La Tâche, 2014-2019, a complete vertical.

Further, we have exceedingly hard-

to-find Cécile Tremblay Premiers and Grands Crus from lauded vintages (actually everything from Bourgogne in the online sale to Echézeaux in the live!). There is Emmanuel Rouget for Georges Mayer Echézeaux. There is a vertical of Dujac's famed Clos de la Roche. There is Roumier, Meo Camuzet, and, in the corresponding online auction in June, the master of Marsannay: Pataille.

There is minimal Bordeaux, but exceptional Bordeaux. 2015 Petrus and Le Pin and Margaux to start, as well as wines excellent for drinking today such as 2010 Lynch-Bages.

This collection is the reason you log in to a Zachys auction: pristine wine, a mix of the great regions and producers, all with a "jump start" on the aging process.

Bid with absolute confidence.

**Comte Georges de Vogüé**

Delicate, feminine and fragrant, the epitome of finesse: lace, silk and taffeta; violets and dog-roses; raspberries and blackcurrants with a finish of liquorice; amplitude and generosity; intensity without a trace of hardness. All this has been said by those attempting to describe the taste of Le Musigny. Le Musigny consists of two sub-climats, Le Musigny itself and at the same altitude next door to the south, Les Petits-Musigny. The lion's share, more than seven hectares, almost seventy percent, and including the totality of Les Petites-Musigny, belongs to the Domaine Comte Georges de Vogüé. This estate proclaims itself the Domaine des Musigny. The domaine also comprise 2.75 hectares of Bonnes-Mares, located entirely in the southern, Chambolle end of the climat, sixty ares of Amoureuses, 1.80 hectares of Premiers Crus (Baudes and Fuées) and a small parcel of village wine. Wines of the domaine are defined as classy and fragrant, very exciting indeed. The domaine is in good hands. The future is bright.

 "...It offers slightly darker fruit on the nose compared to the Les Amoureuses: blackcurrant, tobacco, sage and in the background a touch of flint and violet petal. The palate is medium-bodied with fine-grain tannin, though not quite as supple as the Les Amoureuses. I admire the symmetry here: a detailed and linear Bonnes-Mares with impressive mineralité on the finish that lingers 45 to 60 seconds after the wine has departed...94-96." WA 12/17.

**Domaine de la Romanée-Conti**

The domaine is known for picking very late, sometimes, as in 1978, later than any other producers. They prune endlessly, make many passes through the vineyards at harvest and sort grapes rigorously both in the vineyard and at the winery. Average age of the vines is around thirty-five to forty-five years with yields typically around thirty hl/ha. The wines are aged in new French oak casks for approximately twenty months. There is usually only one racking and since 1985 the wines from all casks in each cru have been blended together prior to bottling to reduce bottle variation. Recently they have been moving towards biodynamic viticultural practices. Like many of the region's leading growers they have seen concrete evidence of soil and vine health improvement. It's hard to imagine that these wines could get better, but that is what separates them from the rest of the pack: an unrelenting pursuit for perfection in the Pinot Noir grape. In addition to the majestic reds, a white is also produced from a plot in Montrachet.

**Domaine Dujac**

This domaine was founded in 1968 by Jacques Seysses and currently comprises approximately fifteen hectares. Winemakers Jeremy and Diana Seysses have been at the helm of the Domaine since 2001. They believe that the success of their wines lie in the team effort at the Domaine from their Chef de Culture in the vineyard, Lilian Robin, to Jeremy's brother, Alec, and father, Jacques, who contribute in the cellar. In 2009, the Domaine began its conversion to total biodynamic farming practices. The Domaine chooses to emphasize intensity over power and prides itself on producing individualistic wines that are elegant, delicate, and complex.

### **JL Chave**

Considered widely as the quintessential Hermitage producer, Chave typifies traditionalism in both viticulture and his winemaking philosophy. The Domaine, begun in 1481, has been handed down from generation to generation. While Gerard Chave still maintains a presence, it is his son, Jean-Louis who is at the helm making some of the best wines in France, if not the world over. The family owns eight plots of land on the hill of Hermitage and in a time when single vineyard cuvees are all the rage, still holds true to the belief that the assemblage of all of the grapes produces a more complex, powerful and artisanal wine. To Jean-Louis the soil differences found in each plot of land profoundly affect production which is why the expression of the blend is superior to the single vineyard. Chave is passionate about allowing the grapes to achieve complete ripeness via a long hang time on the vine and therefore the wines exude profound extraction as well as substantial alcohol. There is also a natural selection of low yielding fruit due to an average vine age of sixty years or more which adds greater intensity to the wines. The vineyards are farmed organically and the horse and plough are utilized to this day!

The Hermitage Rouge is made of 100 percent Syrah while the Blanc is generally eighty percent Marsanne and twenty percent Roussanne. In vinification, contrary to modernist techniques once again, Chave eschews new oak, using only ten percent for the Rouge and mostly old oak and stainless steel for the fermentation and aging of the Blanc. The white Hermitage has the texture and richness of a great white Burgundy with immense complexity and the ability to age substantially. When serving the Blanc, Jean-Louis advises that they are not chilled too much, and are always decanted for a short period. The Rouge is a highlight.

Rarest Wines from a

# European Connoisseur

## LOTS 154-203

The wines in this offering run the gamut in terms of region and price—their only unifying characteristic is quality. This offering (or its corresponding online auction in June) includes such legends as Methuselchs of 1985 DRC Richebourg and 1990 DRC RSV, 1990 Musigny Leroy, a full original wooden case of Liger-Belair's La Romanée, and not one but two caseloads of Clos Vougeot René Engel! Burgundian legends aside, there's also 1982 Lafite in Magnum, Le Pin, 1985 Dom Pérignon Rosé, 1959 Taittinger, plus rare Scotch by Glenfiddich and Highland Park.

The meticulousness of sourcing and storage as well as the expertise of this European connoisseur are second to none, so bid confidently and often, as others surely will be!

"Suave and floral on the nose, showing pungent black pepper lift to its raspberry and mineral aromas. More luscious than the first Clos de Bèze but light on its feet, showing a wonderfully chiseled, penetrating quality and outstanding inner-mouth perfume. This struck me as more like a 2013, or a 2010. Not yet demonstrative in the middle but shows Musigny-like finesse. And the rising finish goes on and on. ### **Domaine Leroy**

Domaine Leroy boasts wines with the same energy and intensity as the woman behind them: Lalou Bize-Leroy. By 1955, when Lalou was still in her early 20s, she was running her family's historied negociant company, Maison Leroy. By 1974, she became co-director of Domaine de la Romanée -Conti, and, less than 20 years later, she was ousted by the board of DRC, in part for establishing such a successful competitor in Domaine Leroy (although she still has a quarter stake in DRC).

In 1988, finding it increasingly difficult to acquire wine from growers that met the exacting standards of Maison Leroy, Lalou purchased Domaine Charles Nœllat in Vosne-Romanée, renamed it Domaine Leroy, and proceeded to pioneer biodynamic viticulture at what would become one of most legendary domains in Burgundy. Domaine Leroy has practiced biodynamic viticulture from day one – well before it became trendy - and has even stuck to its astrological guns through such hurdles as the mildew-riddled 1993 vintage. After all, according to Lalou, "wine is inspired from the cosmos, it tastes of the world itself."

At Domaine Leroy, Lalou insists that "there is no winemaking and no winemaker," just grapes that guide their stewards. To coax the utmost quality possible from her berries, Lalou never replants her vines, allowing them to mature; she eschews vine hedging (cutting back shoots after the flowering stage); and practices severe pruning and crop-thinning in the vineyard. Domaine Leroy's old vines, combined with unique vine training and strict pruning techniques, lead to ridiculously low yields and intensely concentrated flavor in the final product.

If you ask Lalou her secret to producing such iconic wines, she'll tell you "It is simple, I love my vines more deeply than most people." Given the wines these vines produce, we don't blame her.

**René Engel**

René Engel was one of the most famous Vosne-Romanée estates until Philippe, René's grandson, died in 2005. Philippe had been making the wine at his grandfather's estate since the early '80s, under René's watchful eye, of course. The estate was famous for a classic style of Burgundy that focused on finesse and elegance, and less extraction. The Domaine was sold to François Pinault (owner of Château Latour and Christie's, among other things) after Philippe's death in 2005 and is now known as Domaine Eugénie, after Pinault's mother. The wines of René Engel are disappearing quickly as they're not being made, and the collectors who own them can't help but drink them.

# Burgundy Galore

## LOTS 256-274

Is it just us, or is quality Burgundy getting harder to find by the day? Luckily this West Coast collector is providing a fix, with a small but mighty array of finest Burgundy. Each of these 19 lots is a highlight in its own right, but worth special mention are six bottles of Echézeaux DRC 1990, Echézeaux Henri Mayer from both 1999 and 2001, a delightful opportunity to compare Musigny 1993 from both Leroy and Roumier, and twelve bottles of Echézeaux Rouget 1990.

These wines were carefully sourced from auctions, with the vast majority coming from Zachys. The collection was transported and stored in temperature-controlled warehouses since purchase, and bottles tasted with our team were glorious. Bid now and get your fix!

## BORDEAUX

### Château Lafite Rothschild

For as long as anyone can remember, Lafite has been the most highly regarded wine in Bordeaux. From their very first book, published in 1845, Cocks & Feret have listed Lafite first, and it was ranked first in the famous 1855 classification of Bordeaux.

Fite is an old French term meaning small hill, rise or mound; it is from this humble feature in Bordeaux' somewhat bland landscape that France's most esteemed producer takes its name. The Château itself is one of the oldest in Bordeaux, with much of it dating from the mid-sixteenth century. It was purchased by the wealthy Ségur family in the seventeenth century, but like much of the region at the time, the land was used for a variety of farming.

Beginning in the 1670s, the Ségurs spent around twenty years converting a large portion of the land to vineyards. With Latour and Calon, as well as Lafite, under their ownership, the Ségurs began to find a market for their wines in London. It was first mentioned in the London Gazette in 1707 and soon became famous: by the early 1730s, it was a favorite of the Prime Minister, Robert Walpole.

Lafite remained in the Ségur family until 1784. It was sold several times, finally to Baron de Rothschild in 1868, by which time there were some seventy-four hectares of vines. It was a new era of industrial wealth and the Rothschild purchase certainly added much celebrity to the area.

## Château Latour

Some of my fondest wine memories are of drinking wine bottles of the renowned Château Latour. It is, without a doubt, one of the greatest wine estates in the world. While its history goes well back to the fourteenth century, Latour began to be clearly defined as one of the greatest wine estates in the world in the mid-nineteenth century, and amazingly, it has kept that position for the last 150 years. Their wines, which are known for their power, richness and longevity, are sought after by collectors and wine lovers throughout the world.

As Robert M. Parker says of Château Latour in *The World's Greatest Wine Estates*, "The wine produced here has been an impeccable model of consistent excellence, in great, mediocre, and poor vintages. For that reason, many have long considered Latour to be the Médoc's finest wine...Latour remains one of the most concentrated, rich, tannic, and full-bodied wines in the world."

In 2000, I had the wonderful opportunity to taste over twenty-five vintages of Château Latour, including fourteen wines older than 1961 and four from the nineteenth century. It was an evening I will never forget. The wines were so rich, alive and fresh. What an extraordinary experience it was to be able to taste the 1900 and the 1899 side by side and discuss the differences, or to argue whether the 1955 or the 1949 is showing better right now (at my table we all thought the 1955 had the slight edge). In the end we tasted Latour from a 125 year span and although there was a lot of discussion about which were the better wines, the final conclusion of everyone in the room was that, "Latour makes some of the greatest wines that any of us have ever tasted."

*Jeff Zacharia*

### Domaine Leflaive

Joseph Leflaive was a very astute purchaser of vineyard land during the first two decades of the twentieth century, so that today the domaine's roster of vineyards is the greatest constellation of white Burgundy patrimony in the Côte de Beaune. These include just under two full hectares in Chevalier-Montrachet, an equal slice in Bâtard-Montrachet, a bit more than a hectare in Bienvenues-Bâtard-Montrachet (out of a total of 2.3 hectares), just over three hectares in the beautiful Premier Cru of Pucelles, three-quarters of a hectare in Combettes, 1.27 hectares in Folatières, and nearly five hectares in Premier Cru Clavoillon. In 1991, the topping on the cake was added when the domaine purchased a very small, .08 hectare slice of Le Montrachet itself.

### Domaine Fourrier

Jean-Marie Fourrier took over the family property from his father in the mid-1990s and the quality of the Domaine's wines improved markedly and rapidly. Jean-Marie subscribes to the philosophy that great wines begin in the vineyard and he is fastidious about maintaining healthy, well-nurtured vines. He saw firsthand the importance of minimal intervention in the winemaking process (provided one had excellent raw materials from the vineyards), when he studied under the great Henri Jayer in the late 1980s. Fourrier is careful to crush only the choicest fruit, all completely destemmed, in his immaculately clean and recently outfitted with new stainless steel tanks fermentation room. He also limits the use of new oak to around 20% so as to better allow

the Burgundian terroir to fully express itself in the glass. The product of all this hard work is wines marked by wonderful purity, transparency, and bright vibrant fruit, wines that are a true testament to the land that Jean-Marie Fourrier so carefully cultivates.

### Domaine Lamarche

Domaine Lamarche goes back several generations, but it is Nicole Lamarche who has steered the domaine to sweeping acclaim after taking the helm from her father François in 2006. Under Nicole, the domaine produces 14 different wines across 11 hectares that it farms

organically and biodynamically (albeit sans certification), harvests and sorts by hand, and vinifies with a lower proportion of new oak (max. 50% for its Grand Cru wines).

Lamarche's vineyard holdings include parcels of Échezeaux, Grands-Échezeaux, Clos de Vougeot, and assortment of Premier Cru sites, including Les Chaumes, La Croix Rameau, Les Malconsorts, and Les Suchots in Vosne-Romanée, as well as Nuits-St-Georges Les Cras. The star of the show, however, is La Grande Rue.

La Grande Rue is a monopole vineyard that attained Grand Cru status in just 1992. Nestled between the iconic Romanée-Conti and La Romanée vineyards in the north and La Tâche in the south, La Grande Rue comprises a mere 1.65 hectares of optimally-situated vines from which Lamarche creates some of its most celebrated wines.

**BURGUNDY FROM A MONUMENTAL COLLECTION (LOTS 399-406)**

Here is what could be called a "bit of cellar tidying" by one of the most knowledgeable collectors of Burgundy in the world. Most notable here are the 1993 NSG Boudots by Méo-Camuzet, but the Dancer, Confuron, Arlot, Raveneau, Faiveley, and Jadot aren't to be discounted. Conditions-wise, the bottles we have tasted from this collection, meticulously chosen and stored, are all too often the "best" of a blind BYOB or themed tasting.

# Rare DRC,

## Landmark Bordeaux, & California Classics

### LOTS 413-433

A local New England collector has decided to do a bit of downsizing of their fine collection. And what a collection it is! The centerpiece here is a Jeroboam of 1976 DRC La Tâche standing proudly alongside other excellent offerings from The Domaine in both bottle and magnum. Additionally on offer here are landmark Bordeaux bottlings like 1959 Lafite and Latour, 1982 Mouton and Pavie, and others. Moreover, there are bottles of Heitz Martha's Vineyard all the way back to 1969!

These wines were acquired over several years, primarily from reputable auction houses (Zachys included), and stored in the collector's temperature-controlled home cellar since acquisition. Bid with confidence.

### **Heitz**

Heitz Wine Cellars produces classic California wines of elegance and power. Begun in 1961 by Joe and Alice Heitz, this is a true family affair with the winery being passed down through the generations. In 1964, Joe and Alice bought 160 acres in the Spring Valley in Saint Helena, California from which the basic Cabernet Sauvignon is produced. The first vintage of the renowned Martha's Vineyard Cabernet Sauvignon was 1966 upon a handshake agreement between the Heitz family and Tom and Martha May which has lasted for decades. This top tier Cabernet Sauvignon is one of the most sought after California wines in the world. Realizing the great potential and distinction of this wine, the Heitz and May families agreed to place a vineyard designation on the label of the 1966 and thereafter, becoming one of the first in Napa Valley to emulate the wine according to terrior by vineyard bottling and classifying it as such on the label. Bella Oaks, in Rutherford, was next to augment the lineup in 1976, adding elegance to the already classy Heitz portfolio, and in 1989 the Trailside Vineyard rounded out the selection of brilliant vineyard-designated Cabernet Sauvignons. Heitz Wine Cellars is a legendary estate. One of their many accolades is the award from Wine Spectator naming Martha's Vineyard Cabernet one of the Top 12 Wines of the twentieth century.

**FINE WINES FROM A FRIEND (LOTS 437-455)**

This is a gorgeous assortment of fine wines from a repeat Zachys consignor. Inside, you'll find stellar offerings from Burgundy giants like Rousseau, Dujac, Fourrier, Ponsot and others alongside regal Champagnes by Krug. Provenance and storage are both excellent so bid with confidence.

**BURGUNDY**

**Armand Rousseau**

One will get little argument to the assertion that Domaine Armand Rousseau is the finest estate in Gevrey-Chambertin...

The vintages of the 1980s and 1990s at Domaine Rousseau have produced one of the greatest runs of profound Burgundy ever witnessed by any estate in the region, with the domaine producing legendary efforts in the widely recognized great years of the span from 1985 to 1999. Their two flagship bottlings of Chambertin and Chambertin "Clos de Bèze" have always ranked amongst the top dozen wines to be found in these vintages.

Of the two Grand Crus at the pinnacle of the brilliant portfolio of Rousseau wines, the Chambertin "Clos de Bèze" tends to be the more exotic and spicy of the two wines, with glorious fruit tones of black cherry, plum, blood orange often augmented by notes of Gevrey's grilled meat, chocolate and exotic spices. The Chambertin is typically the slightly slower wine to unfold, with a more understated profile of plum, red cherry and strawberry, coupled with notes of cocoa powder, coffee, grilled meats and violets...impeccably balanced, tangy and never come across as over-oaked. They are amongst the very greatest red wines to be found in the world.

**Gevrey-Chambertin Clos St Jacques  
Armand Rousseau 1996**

*Côte de Nuits, Premier Cru  
1.5cm, lightly scuffed and lightly torn label, lightly depressed cork*

"There remains a firmness and an obduracy, yet also wondrous harmony and composure, almost effortless in nature as it gently fans out on the finish. As I said before, this has a long future...96." BH 2/17.

**Gevrey-Chambertin Clos St Jacques  
Armand Rousseau 1999**

*Côte de Nuits, Premier Cru  
three 0.5cm, three lightly scuffed labels, one lightly torn label*

"The 1999 Gevrey-Chambertin Clos Saint-Jacques 1er Cru has long been one of my favourite vintages, not that I get to taste it that often. It has an almost extravagant bouquet that delivers plush Morello cherry, wild strawberry and light cassis aromas and with aeration, these ebb to reveal more tertiary notes and a touch of pencil shavings. The palate displays exquisite balance, this being 1999, more fuller and corpulent than other vintages...97." NM 5/19.

### **Petrus**

Petrus today is a little over eleven hectares, including five hectares purchased in 1969 from neighboring Château Gazin. The vineyards have clay topsoil and gravelly subsoil, allowing good initial water retention but excellent longer term drainage. The vines are old, around forty to fifty years, planted with ninety percent Merlot and five percent Cabernet Franc. To increase concentration the vines are pruned extensively and a green harvest is performed. At harvest time, nearly two hundred workers pick the grapes at their peak of balance and ripeness. Sometimes up to four passes are needed but if pressed, as in 1982, the entire harvest can be completed in just one day.

The grapes are partially destemmed and after a fairly lengthy maceration period, sometimes almost a month, the wine spends twenty months in new oak before being fined (but not filtered) and bottled. Petrus is a classic example of careful vineyard management and winemaking yet the result leaves evidence of something even greater. These methods combine with exquisite terroir for Merlot to create something that is, in good vintages, not only earth-shatteringly tasty, but distinctive, lending the name Petrus majesty because of its quality but also its inimitability.

## CALIFORNIA

### Araujo

All Araujo wines are made from organically and biodynamically produced fruit grown on the Araujo estate located in the northeast Napa Valley, near Calistoga.

Established 120 years ago, and planted to Cabernet Sauvignon in 1964, the Eisele Vineyard consists of well-drained cobbly soils that produce a low-yield, highly concentrated crop furnishing intensely fruited and powerfully long lived wines of class and character. When the Araujo family acquired the vineyard in 1990 it was replanted to the best varietal clones suited for elite quality wine production. The family also constructed an underground cave system specifically for aging the wine in the most naturally ideal temperature and humidity conditions.

	Proprietor Jayson Woodbridge makes some of the most unique, deeply personal wines in Napa Valley. Very late harvests and minimal intervention in the cellar, including no rackings until bottling, are just some of the choices that inform these wines. Woodbridge's vineyards are in St Helena (Kayli Morgan), the lower part of Howell Mountain (Ark) and Calistoga (Few and Far Between). Woodbridge is less reliant on outside consultants than many of his colleagues, so the wines bear very specific signatures that are unlike those of other wines being made in the Valley. The late harvests give the wines super-ripe fruit that can at times veer towards sweetness, but it is the extreme silkiness and finesse of the tannins		

that differentiates these wines. Woodbridge believes wines must be ready to go upon release and frowns upon decanting or advance aeration, which he doesn't think should be necessary. As outstanding as these wines can be upon release, the reality is that the wines have also proven to age exceptionally well.

ACT II KING RICHARD II SC. 1

This happy breed of men, this little world,  
This precious stone set in the silver sea,  
Which serves it in the office of a wall  
Or as a moat defensive to a house,  
Against the envy of less happier lands,  
This blessed plot, this earth, this realm, this

England,  
This nurse, this teeming womb of royal kings,  
Fear'd by their breed and famous by their birth,  
Renowned for their deeds as far from home,  
For Christian service and true chivalry,  
As is the sepulchre in stubborn Jewry  
Of the world's ransom, blessed Mary's Son,  
This land of such dear souls, this dear dear land,  
Dear for her reputation through the world,  
Is now leased out, I die pronouncing it,  
Like to a tenement or pelting farm:  
England, bound in with the triumphant sea,  
Whose rocky shore beats back the envious siege  
Of watery Neptune, is now bound in with shame,  
With inky blots and rotten parchment bonds:  
That England, that was wont to conquer others,  
Hath made a shameful conquest of itself.  
Ah, would the celestial veng'ance with my life,  
How happy then were my ensuing death!

*Enter King Richard and Queen, Aumerle, Bushy, Green,  
Bagot, Ross, and Willoughby.*

York. The king is come: deal mildly with his youth:  
For young hot colts being rag'd do rage the more.  
Queen. How fares our noble uncle, Lancaster?  
K. Rich. What comfort, man? how is't with aged  
Gaunt?

**Realm Cellars**

Realm Cellars boasts an impressive team of highly motivated men and women led by Juan Mercado and winemaker Benoit Touquette. The consulting winemaker is Michel Rolland. Realm accesses some outstanding vineyard sources, particularly those owned by the omnipresent, bigger-than-life force of Napa Valley, Andy Beckstoffer. Fate was not kind to Realm in the beginning with their first vintage, 2003, completely destroyed by a fire in a Vallejo warehouse where it was being stored. But Juan Mercado, a former medic in the first Gulf war, and someone who learned his trade from the likes of Thomas Rivers Brown, Michel Rolland, John Kongsgaard and Les Behrens, stuck with it, and is now producing incredible wines. These 2012s represent the finest efforts Realm has produced to date. The heart of the Realm philosophy is to access some of Napa Valley's finest vineyards and put together either single-vineyard bottlings or creative proprietary blends. All of these 2012s were outrageously delicious, and I can't recommend them highly enough."

**Scarecrow**

The heart and soul of the Scarecrow cuvee dates back to the late nineteenth century. Born in 1895, J.J. Cohn rose from poverty in Harlem, New York to become the Chief of Production of MGM Studios in California. Cohn purchased a 180-acre estate in Rutherford in the Napa Valley as a retreat for his family. His estate bordered that of the legendary winemaker of Inglenook, Gustave Niebaum. In 1945, Niebaum convinced Cohn to plant eighty acres of Cabernet Sauvignon that he promised to purchase. This would become the base for the distinguished Inglenook Cabernet Sauvignons of the post-war era. It is important to note that these "Old Vines" that are now the hallmark of Scarecrow are still on their original rootstock planted in 1945, unlike most of the grafted rootstock found in Napa that was struck by phylloxera - possibly paying tribute to J.J. Cohn himself who lived to be 100 years old. Paying homage to his grandfather who during his time at MGM was instrumental in the making of film classics such as The Wizard of Oz, Bret Lopez honors J.J. Cohn with the wine that is Scarecrow.

### **Château Margaux**

Perhaps the grandest of the Bordeaux châteaux, Château Margaux is the epitome of style and refinement. At Château Margaux one has truly arrived at the heart and soul of Bordeaux, the world's most renowned wine region.

For centuries before the French Revolution, the château was owned by the Lestonnac family. The revolution, though, saw the estate's owners beheaded, and when the heirs were unable to pay the costs of running the château, Margaux was put up for auction.

The successful bidder, the Marquis de la Colonilla, demolished the old château, and in 1802 work began on the grand château we know today. The Château was sold several times until it was acquired by the Ginestets, longtime shareholders who finally became sole owners in 1949, with the purchase financed by the sale of their St Emilion property, Clos Fortet. However, First Growth châteaux are expensive to run, and to finance the operations of the estate, the owner sold off the vineyards of Dufort Vivens in the 1960s and transferred Cos d'Estournel to his sister in 1971. Even those moves, though, were not enough, and collapse of the Bordeaux market in the early 1970s forced Ginestet to sell the château in 1976 to Greek supermarket magnate Andre Mentzelopoulos. A serious oenophile, he was also a major shareholder in the French wine firm, Nicolas.

#### Colgin

Colgin Cellars was founded in 1992 by Ann Barry Colgin, an expert on fine art whose exposure to fine wine through that rarified world spurred her to create her own world-class wines. With vineyard management by David Abreu and winemaking by Helen Turley, the wine was immediately recognized as a new superstar in Napa, with the debut vintage scored 96 points by Robert Parker. Since then, he has awarded a perfect score of 100 points to three Colgin wines.

Colgin's reputation was originally founded on their Herb Lamb Vineyard Cabernet Sauvignon, made from 1992 to 2007. While that is no longer in the portfolio, Colgin today produces wines from two estate-owned sites and from vineyards owned and managed by Napa legend David Abreu. Two estate-grown single-varietal wines are produced, a Cabernet Sauvignon from the Tychson Hill Vineyard and a Syrah from the IX Vineyard. The other two wines in the portfolio are Bordeaux blends, the estate-grown IX Vineyard Red and Cariad, from Abreu's vineyards.

#### **Louis Roederer**

Roederer did not get its present name until 1833, but was in existence as far back as 1760 under the name of Dubois Père & Fils. Louis Roederer was a hardworking man who succeeded in selling his Champagne in several important export markets. Roederer's real ace was, as with Clicquot, the Russian market. Tsar Alexander II wanted a more impressive label to show his guests, and in 1876 he made a special order for the first transparent Cristal bottles, which at that time actually were made of genuine crystal... in the 1930s...Camille Olry-Roederer took the helm. She invested the money earned from sales in some exceptional vineyards: in Aÿ, Hautvillers, Cumières, Louvois, Verzy, Verzenay, Vertus, Avize, Cramant, Chouilly, and Le Mesnil. Roederer also owns several well-respected vineyards in other locations: Roederer Estate, Ramos Pinto, Haut-Beauséjour and Château de Pez.

Today the firm is the most financially successful in the region, thanks largely to these vineyards, which supply Roederer with some seventy percent of its grapes. The house is now run by Jean-Claude Rouzaud who works according to the same principles as those applied in past decades...Roederer is without doubt a brilliant Champagne house with an exceptional portfolio of wines. The non-vintage Champagne is brilliant. The Rosé and Blanc de Blancs offer an aristocratic elegance typical of the house, and the vintage wine is always among the best. Cristal is today the most sought-after cuvée de prestige, and has perhaps the most appetizing appearance of any wine in the world. Cristal Rosé is not only the most expensive rosé Champagne—it is obviously the best. In my opinion, this house is one of the four best in all of Champagne. Every vintage is stunning.

## 2018 BIZOT (LOTS 752-754)

The Burgundy cult-classic straight out of professional storage.

### BURGUNDY

#### **Domaine Bizot**

Even though Jean Yves Bizot only has about 8 acres under vine, his wines have become a global phenomenon. The Domaine makes pinot noir from miniscule plots in Vosne-Romanée and Echézeaux, with grapes that are fermented in whole clusters and are not de-stemmed or pressed. The wines are enormously perfumed and are truly one of a kind. Domaine Bizot makes fewer than 1000 cases per year.

**FROM THE SOURCE (LOTS 774-777)**

These special bottles were sourced by the collector from the Champagne estates shortly after the bottles were disgorged in the late 1990s.

**CHAMPAGNE**

**Salon**

With its first vintage in 1905, Champagne Salon began its tradition of extreme attention to terroir, quality, and precision. The unique vineyard Le Mesnil-Sur-Oger, where the grapes are sourced, is nestled in the heart of the Côte des Blancs – the home of Chardonnay in Champagne. Made with 100% Grand Cru Chardonnay only in the best years, the wines are cellared in bottle for an average of ten years before release. Simply put, this is a grand vin...with bubbles.

**Schrader**

Fred Schrader began his life as a vintner with one defining goal in mind, to create benchmark Cabernets from the best vineyards in the Napa Valley. Fifteen years later with seventeen 100-point scores under his belt from the likes of Robert Parker, The Wine Advocate and James Laube, The Wine Spectator, Schrader Cellars continues to define itself as one of the best producers of Cabernet in the history of American wine. Receiving more 100-point scores than any other winery in the history of American wine, 2016 marks a special year in the lifetime of Schrader Cellars.

The story of Schrader Cellars began in 2001 when Fred met Thomas Brown, a little known winemaker who moved to California by way of North Carolina. Thomas took the helm of winemaking for Schrader and he and Fred never looked back. Thomas' methods of non-interventionist winemaking were a novel idea at the time throughout the valley. He believed in showing the true colors of a vineyard and when working with Beckstoffer To Kalon fruit he had access to nothing short of the best.

After a few years of working together, Fred and Thomas found themselves harvesting the incredibly concentrated fruit of the 2006 vintage. Fred looks back on this time with happiness as the 2006 vintage was the first 100-point scores that a Schrader wine received. The 2007 and 2008 vintages brought with them another pair of 100-point scores for the Schrader CCS and Schrader Old Sparky. This was the first time in the 32-year history of The Wine Advocate that a wine received three consecutive 100-point scores for the same marque and Schrader did this with two of their wines.

**Nikka Miyagikyo Distillery**

The distillery of Miyagikyo was established after three  
years of searching by Masataka Taketsuru and his  
colleagues. It was selected for its proximity to mountains  
and rivers with the ideal climate for a lowland style whisky.  
The distillery was founded in 1969 and it is here that  
Nikka blends their Single Malt Miyagikyo with Yoichi  
whisky to produce the Taketsuru whiskies. The single  
cask bottlings from Nikka were leaked occasionally to the  
European market or to a handful of specialists around the  
world but are becoming increasingly harder to find. This  
year, Nikka reported being completely sold out of some of  
their whiskies, even at their distillery! Even their flagship  
whiskies are hard to find on the market, making their  
limited releases ultra-rare.

By participating in an auction, an auction participant ("Buyer") agrees to be bound by this Buying & Bidding Information and the Conditions of Sale in this catalog (whether in print or online).

## Estimates

Catalog lot entries include a description of every lot and an estimated price range that is our opinion of the price expected at auction. Estimates are a guide for bidders and generally reflect prices recently paid at auction for comparable alcoholic beverage products. Each estimate takes into account, among other things, condition, rarity, quality and provenance (history of ownership, to the extent known). Estimates are determined in advance of the sale and are therefore subject to revision. Buyers should not rely upon estimates as a prediction of actual selling prices.

Estimates do not include Buyer's Premium or sales tax. Certain lots may be noted with "Estimate on Request" instead of a printed value in the catalog. Please contact a Zachys specialist for further information and bidding assistance.

## Buyers Premium

A 25% Buyer's Premium (exclusive of sales tax) will be added to the successful bid price of each lot purchased and is payable by Buyer, together with all applicable sales tax, as stated in the Conditions of Sale.

## Reserves

Unless otherwise indicated, all lots are sold subject to a reserve. A reserve is the confidential minimum price established between Zachys and the Consignor. The reserve will not exceed the low estimate for the lot.

## Examination of Wines

Zachys endeavors to select quality wines for auction and uses leading reputable expert(s) to assist Zachys in examining wines for auction. However, to the fullest extent permissible by law, Zachys and any Consignor disclaim any liability arising out of any description or error or omission in any description or any decision by the Buyer to rely on Zachys or any Consignor. Prospective Buyers are urged and advised to examine any lots carefully prior to the auction at our temperature-controlled warehouse and can do so by appointment. Please contact Zachys at +1.914.448.3026 or +852.5803.8244 to set up an appointment.

## Bidder Registration

No person shall bid or buy in any auction (or be shipped any property bought in any auction) who has not agreed (either in writing or electronically) to be bound by the

Conditions of Sale and this Buying & Bidding Information. If a prospective Buyer has not previously bid with Zachys, a government issued photo identification (such as National Identity Card or Passport) may be required prior to registration for any sale.

If a business organization registers to bid in an auction, a Business Registration or a Certificate of Incorporation and/or proof of director may be required in order to obtain a paddle. Zachys requires a valid credit card for new registrants.

Prospective Buyers may be asked to supply a bank reference to register for the auction. To avoid delay in the release of purchases, please prearrange check or credit approval through our Finance Department at +1.914.448.3026 or +852.2530.1971.

All bidders who wish to attend the auction are asked to preregister for a paddle at least two business days in advance of the auction. If you plan to attend the auction, a Bidder Pre Registration Form is provided in this catalog or at zachys.com. Complete and either email the form to bid@zachys.com or asia@zachys.com or fax the form to +1.914.713.8220 or +852.2530.1971 at least two business days prior to the auction. Bidders should arrive at least 30 minutes before the scheduled sale of the lot on which they plan to bid to retrieve a paddle.

## Bidding

Lots are auctioned in consecutive numerical order, as they appear in the catalog. The auctioneer will accept bids from (i) those present in the saleroom, (ii) absentee bidders participating by telephone, online or by written bids provided to Zachys prior to the first session of the auction, or (iii) live over the internet. The auctioneer may also execute bids on behalf of the Consignor's reserve; however, under no circumstances will the auctioneer place any bid on behalf of the Consignor at or above the reserve. The auctioneer will not identify bids placed on behalf of the Consignor. Prospective Buyers who have registered to bid by more than one method (for example, both as an in-saleroom and absentee bidder) must monitor all of their bidding activities (including in-saleroom bids, absentee bids, and online bids) to prevent bidding against themselves. All bids are final and will not be cancelled.

## Bidding by Zachys

Zachys reserves the right to bid on any

lot on its own behalf, subject to the same terms and conditions applicable to all other Bidders.

## Parcel Lots

A parcel is a sequence of lots carrying the same estimates and consisting of the same type, quantity, and bottle size. In this sale the Buyer of the first lot of a parcel will have at the discretion of the auctioneer, the option to take any or all further lots in the parcel for the same price. If the option is not exercised on all lots in the same parcel, the auctioneer will open bidding on the next unsold lot and offer the Buyer of that lot the option to take any or all of the remaining lots in the parcel sequence. Bidding shall continue in the same manner until all lots in the parcel have been offered and declared sold or unsold by the auctioneer. Live Online bidders who purchase the first lot in a parcel will be sent a message requesting that they choose how many additional lots in the parcel they would like to purchase. If the Live Online bidder does not respond to the message, the auctioneer will open the next unsold lot in the sequence.

Bids should be placed on the first lot in a parcel. In the event that a bid is placed on a subsequent lot, Zachys will attempt to move the bid to the first lot in the parcel. An unsuccessful bid on the first lot in a parcel will be carried to the next lot and executed on that lot. If unsuccessful again, the bid will be carried to the next lot in the parcel until all lots have been offered.

## Online, Absentee, & Telephone Bids for Live Auctions

Please note: Zachys offers the following services as a convenience to clients. Zachys is not responsible for any error in connection with or failure to execute absentee, telephone or online bids.

## Online Bids

Live auctions will open for bidding on our website at [www.auction.zachys.com](http://www.auction.zachys.com) approximately 3-4 weeks before the scheduled live auction date. Bids may be submitted online during this period.

For live auctions, a maximum bid may be entered online. You must confirm the bid to submit it. To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is entered that does not match a bidding increment, a message will be displayed to provide the increments

that are closest to the bid entered. If a maximum bid is submitted, bids will be placed on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted.

Prospective Buyers may also bid during the live auction on our website at [www.auction.zachys.com](http://www.auction.zachys.com).

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity. In the event of a dispute, the auctioneer's declaration of winning bid and paddle number shall be determinative. In the event of communication delays or failures, the auction will not be stopped. Live online bidders should consider providing Zachys with emergency absentee bids.

#### **Absentee Bids**

If you are unable to attend the auction in person and wish to place bids, you may give Zachys instructions in writing to bid on your behalf. Zachys' representatives will then try to purchase the lot or lots of your choice for the lowest price possible, taking into account the reserve price and other bids. This service is free and confidential. To place absentee bids, use the form provided herein or at <https://auction.zachys.com/>. Be certain to accurately record the lot numbers and the highest hammer price you are willing to pay for the lot.

Please note: Your bid amount does not include Buyer's Premium or applicable sales tax. Buyer's Premium and applicable sales tax will be added to the hammer price of each lot.

Absentee bids must be submitted in consecutive numerical order, or they will not be executed. In addition, please use the bid increments included on the absentee bid form. If bids are submitted incorrectly, Zachys will round your bid up to the next increment. Please place bids as early as possible and at least 24 hours prior to the start of the first session of the auction. In the event of identical bids, the earliest bid received will take precedence. By registering and submitting absentee bids, prospective Buyers agree to be bound by the Conditions of Sale.

#### **Telephone Bids**

Prospective Buyers may bid by telephone during the live sale. Telephone bids are accepted only at Zachys' discretion and at the prospective Buyer's risk. Because of limited phone lines in the saleroom, Zachys must confirm arrangements for this service at least 48 hours prior to the start of the first session of the auction. At Zachys' discretion, telephone bids may be limited to lots with a

value above 16,000 HKD or 2,000 USD and may be recorded. By submitting a telephone bid, prospective Buyers agree to be bound by the Conditions of Sale.

#### **Bidding in Timed Auctions**

Bids can be submitted anytime during the course of a timed auction on our website at [www.auction.zachys.com](http://www.auction.zachys.com).

There are two ways to bid: (i) submit the starting/next bid or (ii) submit a maximum bid. You must confirm the bid to submit it. To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is entered that does not match a bidding increment, a message will be displayed to provide the increments that are closest to the bid entered. If a maximum bid is submitted, bids will be placed on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted.

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity.

#### **Taxes**

Buyers are responsible for the payment of any tax, tariff, duty or other fee which Zachys may be required by law to charge or remit to any authority in respect of or in connection with the sale.

All bids placed by Buyers are deemed to be submitted exclusive of any sales tax which shall (if required) be payable by the Buyer at the appropriate rate. All such taxes shall be paid by Buyer at the time of delivery to Buyer at Zachys' licensed location. Because title passes from Zachys to Buyer in the state of New York (see Passage of Title and Storage), all sales are subject to New York sales taxes unless the goods are delivered to the Buyer in another jurisdiction under the authority of a permit issued by the recipient state and the collection of sales taxes by the state of the Buyer.

Buyers claiming exemption from sales, use or other tax must provide Zachys with documentation, which, in Zachys' sole discretion and judgment, is satisfactory evidence of such exemption, prior to the release of property to the Buyer. Buyers claiming such exemption who are licensed dealers of alcoholic beverages must submit resale certificates and a copy of their valid licenses to Zachys prior to registering for the sale.

All questions regarding tax and exemptions should be directed to Zachys Finance Department at +1.914.874.8034 or +852.2530.1971.

#### **Owned or Guaranteed Property**

Zachys offers property consigned by others for sale at public auction. Occasionally, lots are offered which have in the course of the sale process become the property of Zachys

On rare occasions, Zachys may guarantee a minimum price to the Consignor. Guaranteed lots may also be sold subject to a reserve.

#### **Successful Bid**

The fall of the auctioneer's hammer indicates the final bid, at which time the Buyer assumes full responsibility for the lot. Successful bidders will be notified and invoiced within a few days of the sale. Successful Buyers will pay the price of the final bid plus a 25% Buyer's Premium plus any applicable taxes for each lot purchased.

#### **Payment**

Payment for all invoices is due immediately upon receipt.

For timed auction ("zCollections") purchases: Zachys will auto-charge the credit card on file for the full invoice amount within 48 hours of the sale close.

For live auction purchases: Zachys will auto-charge the credit card on file within 48 hours of the sale close.

In respect of all other purchases, buyers are expected to pay for purchases or balances within 14 calendar days of purchase for live sales and 7 calendar days of purchase for internet sales. At the end of this 14 or 7 calendar-day period (as applicable), Zachys reserves the right to charge the Buyer's credit card on file for any amounts still due.

Zachys reserves the right to cancel the sale of invoices still unpaid on the 31st day after an auction.

For US auctions, payment is accepted in United States Dollars.

For Hong Kong auctions, payment is accepted in Hong Kong Dollars.

To request payment in another currency, contact Zachys at +1.914.448.3026 or +852.2530.1971. Zachys, in its sole discretion, shall determine the currency exchange rate.

Payment can be made by credit card or bank wire transfer. In the event of third-party payments, Zachys may require an Authorization Letter from both parties.

#### **Payment by Credit Card**

All charges are subject to acceptance by Zachys and the applicable credit card company. Zachys will accept Visa, MasterCard, American Express, Discover and Union Pay. Payment can be made via phone by calling +1.914.448.3026 or +852.2530.1971.

Payments made by credit card will incur a 2% use charge.

When making payment via UnionPay, winning bidder must sign the auction invoice and

acknowledge that possession of the wine has transferred from Zachys at time of payment. Signature must be same as the one signed on payslip.

**Collection of Purchases**

Buyers are expected to remove their property within 14 calendar days of the auction. Prospective Buyers' attention is drawn to the Conditions of Sale, including Condition 9.

**Collection & Delivery**

It is the Buyer's responsibility to pick up purchases or make shipping arrangements within 14 calendar days of the auction. Unless Buyer is located in the state of New York, Zachys will not automatically arrange for the delivery of purchased products to buyer. For Buyers located outside of the state of New York, Zachys will deliver all alcoholic beverages purchased to an independent New York storage facility for the account of the buyer (see Passage of Title and Storage).

After payment has been received, Zachys can assist in the arrangement of packing, transit insurance, and shipping at the Buyer's expense, direction and request.

Please submit the Collection & Delivery Form to expedite payment and delivery for auction purchases.

**Export/Import Permits**

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full

payment for the lot.

**Delivery Restrictions**

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

**Shipment of Spirits**

Prospective Buyers should be advised there are certain restrictions regarding the shipment of spirits. Many countries and states impose limitations on quantity, high duties, and/or taxes, and prospective Buyers should be aware of export and import restrictions.

**Auction Results**

To obtain results for the auction, please refer to [www.auction.zachys.com](http://www.auction.zachys.com).

**Translation**

The terms and conditions have originally been drafted in English. In the event that any translation of the terms and conditions is prepared, the provisions of the English version shall prevail.

# Conditions of Sale

These Conditions of Sale are Zachys' and the Consignor's entire agreement with the Buyer with respect to the property listed in this catalog. The Conditions of Sale and all other contents of this catalog may be amended by posted notices or oral announcements made during the sale. The property will be offered by Zachys as agent for the Consignor, unless the catalog indicates otherwise. By participating in an auction, you agree to be bound by these terms and conditions.

**1** This catalog endeavors to describe the property listed herein accurately. However, save as otherwise expressly set out in these Conditions of Sale, and to the fullest extent permissible by law, Zachys and the Consignor shall not be liable for any such description and expressly disclaim any representation or warranty regarding the origin, physical condition, merchantability, fitness for a particular purpose, correctness of catalog description, size, quality, condition, rarity, authenticity, attribution, value, importance, provenance, previous storage conditions or historical relevance of any property herein. Zachys further retains the absolute right to amend at any time and in any manner any description of any property contained in any catalog and shall take reasonable steps to inform Buyers of such change prior to the conclusion of any purchase. Classifications in the text are for identification purposes only and based on standard sources. Buyers must make appropriate allowances for natural variations in ullages, conditions of cases, labels, corks and wine. Each statement contained in any catalog and each other statement, whether oral or written, and whether made at an auction or in an advertisement, bill of sale, addendum, posting, notice, announcement or otherwise, is a statement of opinion only and (subject to the next sentence) shall not be relied upon by any Buyer or otherwise be deemed a warranty or representation.

Images appearing in this catalog or elsewhere are for illustrative purposes only and may not be relied upon to reveal imperfections in any products. Zachys and the Consignor make no representation or warranty, express or implied, as to whether the Buyer acquires any copyright or other reproduction rights in any property. To the fullest extent permissible by law, neither Zachys nor the Consignor shall be liable for errors or omissions in the catalog or any supplemental material. Prospective Buyers are urged and advised to inspect the property before the auction, including the cases, labels, corks and wines, and must satisfy themselves by inspection or other means as to all considerations pertinent to any decision to place any bid. EACH PRODUCT AND EACH LOT HEREIN IS SOLD "AS IS," AND, TO THE FULLEST EXTENT PERMISSIBLE BY LAW, BUYERS EXPRESSLY DISCLAIM ANY RELIANCE ON ZACHYS, THE CONSIGNOR, OR THE CATALOG. Under no

circumstances will substitutes be provided by Zachys; including but not limited to in case of breakage or error in catalog description. No provision of the Buyer & Bidding Information or these Conditions of Sale shall limit or exclude Zachys' or the Consignor's liability for: (i) fraud; (ii) fraudulent misrepresentation; or (iii) death or personal injury arising from its negligence.

**2** The purchase price payable by the Buyer ("Purchase Price") will be the sum of the final bid price (the "Hammer Price"), the Buyer's Premium and the Protection Fee, when applicable, together with any applicable sales tax. The Buyer's Premium is 25% of the Hammer Price. The Protection Fee is 1% of the Hammer Price plus the Buyer's Premium.

**3** Zachys reserves the right to withdraw any property or cancel any sale before or at the sale and shall have no liability whatsoever for such withdrawal or cancellation.

**4** Zachys reserves the right to reject any bid. The highest bidder acknowledged by the auctioneer will be the Buyer. In the event of any dispute between bidders, or any other issue with respect to the bidder, the auctioneer will have absolute discretion to determine the successful bidder, to continue the bidding, to cancel the sale or to reoffer and resell the property in dispute. If any dispute arises after the sale, Zachys' sale record is conclusive.

**5** In its sole discretion, Zachys may accept and execute absentee bids (written bids submitted to Zachys prior to the sale), telephone bids and internet bids as a convenience to clients who are not present at auction.

**6** Unless otherwise indicated, all lots in this catalog are offered subject to a reserve, which is the minimum price the Consignor is willing to accept. This amount is confidential and will not exceed the low presale estimate Zachys shall act to protect the reserve by bidding through the auctioneer. The auctioneer may open bidding on any lot below the reserve by placing a bid on behalf of the Consignor. The auctioneer may continue to bid on behalf of the Consignor up to the amount of the reserve, either by placing successive bids or by placing bids in response to other bidders.

**7** All alcoholic beverages purchased from Zachys are sold in the state of New York, and title passes to the buyer in the state of New York in accordance with the Uniform Commercial Code. All sales are subject to NY sales taxes unless the goods are delivered to the buyer in another jurisdiction under the authority of a permit issued by the recipient state and the collection of sales taxes by the state of the purchaser. If the Purchaser is a resident of a state other

than New York, all alcoholic beverage purchases will be delivered to an independent New York storage facility for the account of the buyer, who may arrange with the facility to pick up the inventory in person or arrange for delivery under the law of the purchaser's state or the ultimate destination of the goods.

**8a** Title to the offered lot, passes to the Buyer upon the fall of the auctioneer's hammer and the announcement by the auctioneer that the lot has been sold, subject to compliance by the Buyer with all other Conditions of Sale and the Buying & Bidding Information. Title passes to Buyer in the state of New York, where the sale takes place.

**8b** The Protection Fee is 1% of the hammer price plus the Buyer's Premium for all arranged deliveries of purchased property. In return for payment of the Protection Fee, purchased property will be protected against breakage, loss, theft or fire and other losses as covered by Zachys' insurance while in transit to the Buyer's declared point of destination. If Buyer elects to decline the protection afforded by the Protection Fee, Buyer thereupon assumes full risk and responsibility for the lot while in transit.

**9** No property may be removed from Zachys' premises until Buyer has paid the Purchase Price in full plus all other fees and taxes (inclusive of any taxes due in the location of the auction on Buyers who are not residents of such location) and has satisfied such terms as Zachys, in its sole discretion, shall require. Zachys reserves the right to withhold all property until such time as all outstanding amounts are paid in full from purchases from any prior auction(s). Upon receipt of full payment, Zachys will issue a Release Order, which must be presented in order for Zachys to release purchases made at auction. Subject to the foregoing, all lots are to be paid for no later than 4:30 PM (local time at the place of the auction) on the fourteenth calendar day following the live sale, and on the seventh calendar day following the internet sale, and removed from Zachys' premises at Buyer's expense no later than 90 calendar days after the date of sale. If Buyer fails either to timely remove the purchased lots from Zachys' premises or make timely arrangements with New York Fine Wine Storage to store the purchased lots, Zachys may transfer such property to a public warehouse for the account, and at the risk and expense, of Buyer. If a lot has not been collected within 90 calendar days of the date of sale and Zachys does not transfer the uncollected property to a public warehouse, Buyer will be liable to Zachys for interest, storage fees, and handling charges.

**10** Zachys is not responsible for acts or omissions by itself or others in packing or shipping, whether or not the carrier or packer is recommended

by Zachys. Packing and handling of purchased lots are entirely at the risk of Buyer. Zachys may, at the request and direction of Buyer and for an administrative fee, make arrangements for the consolidated shipment by common carrier of the purchased lots, provided that Zachys is not liable in any way therefore.

#### **11**

If Buyer fails to comply with any of these Conditions of Sale, Buyer will be in default and Zachys may avail itself of all remedies available by law, including, without limitation, the right to (i) hold such defaulting Buyer liable for the Purchase Price including all fees, charges and expenses, (ii) cancel the sale of that lot and any other property sold to Buyer, (iii) resell the property without Reserve at public auction or privately on reasonable notice to the Buyer, (iv) pay the Consignor an amount equal to the net proceeds payable in respect of the amount bid by the defaulting Buyer and then resell the property to a third party without Reserve at public auction or privately on reasonable notice to such Buyer, and/or (v) take such other action as Zachys deems necessary or appropriate. If Zachys resells the property pursuant to clause (iii) or (iv) above, the defaulting Buyer shall be liable for the payment of any deficiency between the Purchase Price and the price obtained upon resale pursuant to clause (iii) and (iv) above and all costs and expenses, including, without limitation, warehousing, the expenses of both sales, reasonable attorneys' fees, commissions, incidental damages and all other charges due hereunder. In the event that such Buyer pays a portion of the Purchase Price for any or all lots purchased, Zachys shall apply the payment received to such lot or lots that Zachys, in its sole discretion, deems appropriate. Any Buyer who fails to comply with these Conditions of Sale will be deemed to have granted Zachys a security interest in, and Zachys may retain as collateral security for such Buyer's obligation to it, any property in Zachys' possession owned by such Buyer. Zachys shall have the benefit of all rights of a secured party under the Uniform Commercial Code or applicable law adopted in the jurisdiction where the auction is held.

#### **12**

Payment will not be deemed to have been made in full until Zachys has collected good funds. In the event Buyer fails to pay any or all of the Purchase Price for any lot within 30 calendar days of sale and Zachys nonetheless elects to pay the Consignor any portion of the sale proceeds, Buyer acknowledges that Zachys shall have all of the rights of the Consignor to pursue the Buyer for any amounts paid to the Consignor, whether at law, in equity, or under these Conditions of Sale, or to cancel the sale of any lot unpaid 31 calendar days after sale.

#### **13**

Notwithstanding any other terms of these Conditions of Sale, if within 3 calendar days of the date of delivery of the property or 90 days after the sale, Buyer notifies Zachys in writing of a claim that any lot is short, ullaged, or has suffered breakage, then Zachys in its sole discretion will decide any such claim as between

the Consignor and Buyer and may rescind the sale and refund all or part of the Purchase Price received. This does not affect any other rights of the Buyer at law or under these Conditions of Sale.

Notwithstanding any other terms of these Conditions of Sale, if a Buyer purchased property that is inauthentic and returns such property to Zachys within 90 calendar days of the date of delivery, then Zachys agrees to rescind the sale and refund the Purchase Price received.

The benefit of this Condition of Sale 13 is not assignable and shall be applicable only to the original Buyer of the lot and not to subsequent assigns, buyers, heirs, owners or others who have acquired or may acquire an interest therein.

At its discretion, Zachys will not always cut the bands on original packaging of younger wines. In such cases, Zachys will not accept returns for any issues the Buyer might discover after the band is cut.

#### **14**

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

#### **15**

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys and Consignor shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations.

Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

#### **16a**

For auctions that are held in New York, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the State of New York. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented

to the exclusive jurisdiction of the State Courts of, and the Federal Courts sitting in, the State and County of New York. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental, or consequential damages, including, without limitation, loss of profits.

#### **16b**

For auctions that are held in Hong Kong, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the Hong Kong Special Administrative Region. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the Courts of Hong Kong Special Administrative Region. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental, or consequential damages, including, without limitation, loss of profits.

#### **17**

All offers and sales of alcoholic beverage products by Zachys are subject to the local laws governing the sale of alcoholic beverage products in the jurisdiction in which the auction takes place.

#### **18**

New York State law requires that Buyers of alcoholic beverages must be at least 21 years of age. Hong Kong law requires that Buyers of alcoholic beverages must be at least 18 years of age. Buyers should observe and comply with the applicable laws relating to the purchase of alcoholic beverages in the jurisdiction where the auction is held. By participating in the auction, each Buyer represents and warrants to Zachys that he, she or it has the legal capacity to purchase, receive, and possess any lot purchased.

#### **19**

Zachys does not ship alcoholic beverage products. As an accommodation to Buyers, Zachys may arrange to have property packed, insured, and delivered at Buyer's expense and direction, but (other than as provided in Condition of Sale 8) Zachys shall have no liability or obligation for shipping alcoholic beverage products. Zachys makes no representation, and assumes no obligation, with respect to the legality of shipment of alcoholic beverage products into any jurisdiction. Zachys urges all Buyers to investigate and under-

stand the alcoholic beverage products shipping laws and regulations of the jurisdiction to which they intend the alcoholic beverage products to be shipped prior to the purchase of alcoholic beverage products at auction.

## **20**

By participating in the auction, Buyer agrees with Zachys and the Consignor that these Conditions of Sale, together with any instrument captioned (i) Buying & Bidding Information and (ii) General Catalog Notes published by Zachys and in effect from time to time and which are incorporated herein by reference as part of this Condition of Sale, shall become the legal, valid, and binding obligation of the Buyer, enforceable in accordance with their terms by Zachys and the Consignor (who is both a party hereto and, with respect to portions hereof between Buyer and Zachys, an intended third-party beneficiary).

## **21**

In the event any one or more of the provisions, or any part or parts of a provision, of these Conditions of Sale and/or the Buying & Bidding Information is determined to be invalid or unenforceable in any respect, the validity and enforceability of all remaining provisions and parts of provisions shall not in any way be affected or impaired.

## **22**

If there is any inconsistency between the English and translated version of the General Catalog Notes, the Buying & Bidding Information, the Conditions of Sale or all other relevant documents, forms, website or emails, the English version shall prevail.

## **23**

Title and Risk of Loss. For New York residents, title and risk of loss to all goods shall pass to you upon our transfer of the products to the applicable carrier, or upon delivery to you if Zachys is acting as the carrier. For non-New York residents, title and risk of loss to all goods shall pass to you upon our delivery of the products to the independent storage facility, upon your receipt of the products from the Zachys premises, or upon transfer to an applicable carrier or third party in accordance with any alternative shipping/storage methods you decide. Notwithstanding the foregoing, Zachys reserves the right, exercisable in its sole discretion, to refund or replace goods damaged during shipment in accordance with Section II(b) of these Terms.

Tax. Sales tax will be applied to all Orders as applicable. Seller makes no representation as to the legal rights of anyone to deliver or import any wines, alcoholic beverages or other goods into any state. Because title passes from Zachys to Buyer in the state of New York (see Passage of Title and Storage; Title and Risk of Loss), all sales are subject to New York sales taxes unless the goods are delivered to the Buyer in another jurisdiction under the authority of a permit issued by the recipient state and the collection of sales taxes by the state of the Buyer.

# General Catalog Notes

## Level/Ullage Descriptions & Interpretations

- IN **Into Neck:** Excellent for a wine of any age.
- BN **Bottom Neck:** Excellent for a wine of 10 years or older.
- VTS **Very Top Shoulder:** Normal for any wine 10 years or older.
- TS **Top Shoulder:** Normal for any wine 25 years or older.
- JBTS **Just Below Top Shoulder:** Normal for any wine 30 years or older.
- US **Upper Shoulder:** Slight natural reduction through easing of cork and evaporation through cork and capsule. Very good for any wine over 40 years old. Excellent for any wine over 50 years of age.
- UMS **Upper-Mid Shoulder:** Good for any wine 50-60 years of age.
- MS **Mid Shoulder:** Probably some weakening of the cork. Very good for wines over 50-60 years of age. Estimates usually take this into account.
- LS **Low Shoulder:** Some weakening of cork acceptable if wine or label is exceptionally rare or interesting.

Because of the slope of shoulder, it is impractical to describe levels of Burgundy-shaped bottles as into neck, etc. Wherever appropriate, the level between capsule and wine will be measured and cataloged in centimeters.

The condition and drinkability of Burgundy are less affected by ullage than its equivalent from Bordeaux. For example, a 5 to 7cm. ullage in a 50 year old Burgundy can be considered normal, indeed good for that age; and 3.5 to 4cm., excellent for that age.

Champagne bottle measurements are done from the bottom of the foil to the level of the wine.

## Label & Capsule Conditions

Labels and capsules can become soiled, stained, or otherwise marked, especially with wines over 20 years of age. Unless otherwise noted, label conditions will be appropriate for age, but Buyers should note that normal staining, discoloration or other conditions may not be noted if such conditions are appropriate for the age of the label. Potential Buyers are invited to make appointments to inspect wines personally.

## Special Notices

Though every effort is made to describe or measure the levels of older vintages, corks over 20 years old begin to lose their elasticity and levels can change between cataloguing and sale. Old corks have also been known to fail during or after shipment. We therefore repeat that there is always a risk of cork failure with old wines, and Zachys assumes no responsibility for this.

Under no circumstances can an adjustment of price or credit be made after delivery, except as provided in Paragraph 13 of the Conditions of Sale in this catalog.

Unless otherwise stated, Bordeaux are Château bottled.

It is Zachys' general policy to describe levels for vintages prior to 1990. Unless otherwise noted, ullage levels will be appropriate for age.

At Zachys discretion, we will not always cut the bands on original packaging of younger wines. In such cases all wines are sold AS IS and will not accept returns for any issues the buyer's might discover after the band is cut.

At times, bottle numbers will be covered in photos to protect consignor anonymity.

# Collection, Delivery & Storage of Wine

Wines should be collected within 90 days after the auction at which they were purchased, after which time they will be automatically transferred to a storage account and incur storage fees.

## For US Auctions

### Passage of Title

All alcoholic beverages purchased from Zachys are sold in the state of New York, and title passes to the buyer in the state of New York in accordance with the Uniform Commercial Code. All sales are subject to NY sales taxes unless the goods are delivered to the buyer in another jurisdiction under the authority of a permit issued by the recipient state and the collection of sales taxes by the state of the purchaser. If the Purchaser is a resident of a state other than New York, all alcoholic beverage purchases will be delivered to an independent New York storage facility for the account of the buyer, who may arrange with the facility to pick up the inventory in person or arrange for delivery under the law of the purchaser's state or the ultimate destination of the goods.

### Storage

Wine purchased at auction is stored at New York Fine Wine Storage (NYFWS) located in Port Chester, New York. The 55,000 square foot warehouse is equipped with a state-of-the-art alarm system that is monitored 24 hours a day, 7 days a week. A refrigeration system provides an ideal temperature, and all wines are protected with a temperature alarm system, as well as a backup generator. Rates are competitive, and the merchandise will not have to be moved to another location.

For further information or directions, please call NYFWS at 914.874.8068.

### Pickup

Wines can be picked up from Zachys Port Chester facility between the hours of 9 AM and 5 PM Monday through Friday, provided that payment for the lots has been received. Buyers can arrange to collect their wine by appointment by phoning Zachys at 914.448.3026. Please provide at least 72 hours notice before coming to collect your purchases. Any additional packaging and/or handling that is required or requested will be subject to processing fees.

### Delivery

Purchases will not automatically be shipped. Once payment has been received, arrangements can be made to deliver the wines to the Buyer to the primary shipping address on the account. For further information or collection and delivery assistance, please call 914.448.3026 or email [auction@zachys.com](mailto:auction@zachys.com).

Original wooden cases and original cartons, when available, will be shipped automatically, unless instructed otherwise. Please inquire for rates of shipping original packaging when making arrangements.

Zachys can assist you in making arrangements to have the wine purchased at auction shipped. All shipments and pickups will be subject to a 1% Shipping Protection Fee charge. This Shipping Protection Fee provides protection against only breakage, theft or fire as covered by Zachys insurance with respect to purchased property packed, shipped and delivered pursuant to arrangements made by Zachys. Zachys and its forwarding agents cannot be held responsible for any other changes to the wines during shipment. Loss or breakage resulting from shipping that Zachys has arranged must be reported to Zachys in writing within three days of delivery of the property, which must be examined in the presence of the carrier on arrival.

To insure the safety of the wines, it may be necessary in some shipments to repack the wines in protective shipping containers and to ship the wooden cases separately at an additional charge.

Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverages which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys makes no representation, and assumes no obligation, as to the legality of shipment of alcoholic beverages into any jurisdiction. Zachys urges all Buyers to investigate and understand the wine shipping laws and regulations of the jurisdiction to which they intend the wine to be shipped prior to the purchase of wines at auction. The protection afforded by the Shipping Protection Fee does not cover confiscation by any government or law enforcement agency as a result of alleged violations of applicable laws by Sellers or Buyers.

Zachys will take precaution to ensure the safety of wines against inclement weather conditions. This may include delaying shipments during times of extreme high or low temperatures.

Common shipping arrangements include Common Carrier, Consolidated Shipments and Dedicated Shipments.

#### **Export/Import Permits**

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

Currency of fulfillment and applicable fees are determined by the origin of the shipment.
