# Fine & Rare Wines & Spirits

featuring A Collection of Rarest Chartreuse

Welcome to our last live-streamed sale until September, so get those bids in!

As usual, we're chock full of amazing wines. We've got the Executive Cellar to kick things off—a consignment of near-endless Bordeaux in OWC.

We then move to a collection of pristine California wine all bought direct from a European importer and stored professionally.

Next comes from the PNW a gorgeous cellar of Raveneau from what has to be one of the biggest collections of the Chablis in the country—and this is only a taste!

One of my favorite parts of this auction is the CHARTREUSE! We've been bringing you amazing Chartreuse consignments for years, and this one is no different. Lovingly compiled over years by our consignor in Europe, this is one of those rare opportunities to

take home mature bottles of the mystical elixir.

Our September auction is already shaping up to be one for the record books—a two-day auction live at a restaurant in New York City, followed weeks later by our Hong Kong sale. It's not too late to consign! Email us at [Consignments@zachys.com](mailto:Consignments@zachys.com) to have your collection appraised. Email [Bid@Zachys.com](mailto:Bid@Zachys.com) to bid in this auction!

All my best,

The image shows a handwritten signature in black ink. It consists of two parts: a stylized 'C' followed by a star-like shape with a long horizontal tail.

# The Executive Cellar

## LOTS 1-48

The Executive Cellar: a revisiting of the gift that keeps on giving. You probably know the backstory already, but just as a refresher: The Executive is a longtime personal friend of our esteemed president, Jeff Zacharia. All were bought on-release, were stored properly in Europe and haven't moved until transport for this auction.

This offering is mainly about the greatest wines of Bordeaux in full cases, perfect for the cellaring. The Executive Cellar has now made a name for itself in Zachys as being synonymous with quality. Bid with confidence on this collection, perfect for your own cellar-building!

### Château Margaux

Perhaps the grandest of the Bordeaux châteaux, Château Margaux is the epitome of style and refinement. At Château Margaux one has truly arrived at the heart and soul of Bordeaux, the world's most renowned wine region.

For centuries before the French Revolution, the château was owned by the Lestonnac family. The revolution, though, saw the estate's owners beheaded, and when the heirs were unable to pay the costs of running the château, Margaux was put up for auction.

The successful bidder, the Marquis de la Colonilla, demolished the old château, and in 1802 work began on the grand château we know today. The Château was sold several times until it was acquired by the Ginestet, longtime shareholders who finally became sole owners in 1949, with the purchase financed by the sale of their St Emilion property, Clos Fortet. However, First Growth châteaux are expensive to run, and to finance

the operations of the estate, the owner sold off the vineyards of Dufort Vivens in the 1960s and transferred Cos d'Estournel to his sister in 1971. Even those moves, though, were not enough, and collapse of the Bordeaux market in the early 1970s forced Ginestet to sell the château in 1976 to Greek supermarket magnate Andre Mentzelopoulos. A serious oenophile, he was also a major shareholder in the French wine firm, Nicolas.

### **Abreu Vineyards**

David Abreu could be considered the man with the Midas Touch. He is the vineyard manager to the stars of Napa Valley with clients such as Harlan, Bryant and Grace Family in his portfolio. Besides his work with outside wineries, Abreu vinifies four of his own wines with Assistant Winemaker Brad Grimes from sites considered the grands crus of Napa: Madrona Ranch, Thorevilos, Capella and a Howell Mountain cuvee simply labeled Abreu Cabernet Sauvignon. This varietal is the base of all four blends with additions of Cabernet Franc, Merlot and Petit Verdot with the production of each cuvee about 200-250 cases. Year in and year out the wines, especially Madrona Ranch and Thorevilos, garner perfect or near perfect scores from all of the major wine critics. The wines have an intensity and structure which enable them to be enjoyed now but show that they will endure for those with patience to cellar their bottles. Other than auction, the only way to acquire the wine is from a sold-out mailing list.

**Bryant Family Vineyard**

What makes Bryant stand out from its peers? Robert Parker proposed that a key feature of a great wine is its ability to offer a “singular personality”; that is, a wine’s ability to stand far above the norm – in both typical and exceptional vintages – defining itself with its unique aromatic, flavor, and textural qualities. Among classic examples of great wines that exhibit these features, such as 1982 Château Mouton Rothschild and 1996 Château Lafite Rothschild, Parker places Bryant’s 1994 Cabernet Sauvignon. In the 1999 edition of Parker’s “Wine Buyer’s Guide” Bryant Family Vineyard ranked among the very best California producers of Cabernet, Merlot, or Blends, earning a rating of outstanding and five stars.

## Colgin

Colgin Cellars was founded in 1992 by Ann Barry Colgin, an expert on fine art whose exposure to fine wine through that rarified world spurred her to create her own world-class wines. With vineyard management by David Abreu and winemaking by Helen Turley, the wine was immediately recognized as a new superstar in Napa, with the debut vintage scored 96 points by Robert Parker. Since then, he has awarded a perfect score of 100 points to three Colgin wines.

Colgin's reputation was originally founded on their Herb Lamb Vineyard Cabernet Sauvignon, made from 1992 to 2007. While that is no longer in the portfolio, Colgin today produces wines from two estate-owned sites and from vineyards owned and managed by Napa legend David Abreu. Two estate-grown single-varietal wines are produced, a Cabernet Sauvignon from the Tychson Hill Vineyard and a Syrah from the IX Vineyard. The other two wines in the portfolio are Bordeaux blends, the estate-grown IX Vineyard Red and Cariad, from Abreu's vineyards.

 The ultimate garage wine from southern California emanates from a rusty warehouse that appears to be on the wrong side of the railroad tracks running through Ventura. The winery's name is Sine Qua Non (literally translated from Latin means "without which one cannot".), and as the proprietors'(the husband and wife team of Elaine and Manfred Krankl) indicate on the label of their sumptuous 1997 Syrah called Imposter McCoy, "the truth is inside"...

98 1 bottle US\$1,500-2,200

### **Domaine de la Romanée-Conti**

The domaine is known for picking very late, sometimes, as in 1978, later than any other producers. They prune endlessly, make many passes through the vineyards at harvest and sort grapes rigorously both in the vineyard and at the winery. Average age of the vines is around thirty-five to forty-five years with yields typically around thirty hl/ha. The wines are aged in new French oak casks for approximately twenty months. There is usually only one racking and since 1985 the wines from all casks in each cru have been blended together prior to bottling to reduce bottle variation. Recently they have been moving towards biodynamic viticultural practices. Like many of the region's leading growers they have seen concrete evidence of soil and vine health improvement. It's hard to imagine that these wines could get better, but that is what separates them from the rest of the pack: an unrelenting pursuit for perfection in the Pinot Noir grape. In addition to the majestic reds, a white is also produced from a plot in Montrachet.

# A Treasure Trove

of Raveneau & Other Burgundian Gems

## LOTS 122-137

Zachys Wine Auctions is pleased to present a magnificent collection from a very discerning and experienced collector in the Pacific Northwest.

I have known the consignor for nearly two decades and have had the pleasure of sharing innumerable bottles with him. His knowledge is vast and deep, and his contacts in the region have allowed him to acquire a large portion of his collection directly from Burgundian sources.

He is meticulous with his selections, and his storage conditions are impeccable. Bottles from his cellar are routinely in great shape, with superb colors.

Many of Burgundy's greatest producers are represented in this offering, and I would call your attention specifically to the Raveneau selections. This collector has long had a passion for Raveneau's wines and has accumulated an extraordinary quantity.

Bid with enthusiasm!

### **François Raveneau**

Whichever way you look at these wines they stand up, be it vintage consistency, longevity, intensity of flavor, length and so on- they are just flat out incredible wines and there is nothing else quite like them anywhere. Raveneau's Chablis is now more than ever getting the recognition it deserves and the prices have risen accordingly, but they still represent great values compared to the other top white wines of Burgundy. The only downside is the minute quantities they are typically available in.

History, Vineyards & Winemaking

Domaine Raveneau, today totaling around ten hectares in size, was formed by François Raveneau from small plots passed down from his father and Father-in-law, along with a little land he purchased himself. Today the estate is run by his two sons, Jean-Marie and Bernard, with Jean-Marie taking care of the winemaking duties.

Their cellars, as one might expect from a domaine of such modest acreage, are small and are discreetly located in the village. This is no hi-tech new world winery, but an old-school artisan setup. Dark, cool, and damp with a fine vaulted architectural ceiling, they set the scene appropriately. The secret to these wines is immense care in the vineyards. If ever the term hand-crafted could be applied to wine, it can be here. The wines spend approximately twelve months in barrel, but to retain the benchmark acidity and steeliness the barrels are usually seven to nine years in age, although some percentage of new oak is used. There is a light fining prior to bottling by hand and then the application of the trademark yellow wax capsules.

Domaine Raveneau's vineyard holdings include: Les Clos, Blanchot, Valmur, Bougrots, Montée de Tonnerre, Butteaux, Vaillons, Chapelot, Montmains and Forest. Raveneau's wines are utterly unique, of unquestionable quality and can age as well as a Ramonet or DRC Montrachet. Even for those who don't typically drink white wine, Raveneau's epiphanous Chablis does not disappoint.

### Clos des Papes

Paul Avril (1873-1962) was one of the people behind the creation of the appellation. In 1896 he started to sell his wines with the name Clos des Papes. Régis Avril (1901- 1987) delivered wines to two presidents of France General de Gaulle and Georges Pompidou. Paul Avril (1937-2009) started working at the domain 1963 at first together with his father and later for many years with his son. Paul-Vincent Avril (1965 - ) attended as a young man wine school in Burgundy and when he went back to the domain in 1988 he had visions about finesse and elegance and he still considers these qualities as most important for a high class wine. One parcel is nearby the pope's castle and has been surrounded by walls (clos). From here came the name of the domain. Since 2011 the vineyards are certified "agriculture biologique"

Only one cuvée of white (ten percent of the production) and of red Châteauneuf-du-Pape are made. Since 1991 destalking has been total and since 1987 the total production has been bottled at the domain. The secret behind the high quality is a low yield. The yield is minimized by green harvest and by repeated sorting of the grapes during harvest. Clos des Papes is not a place for experiments.

	<b>Sandrone</b>	
	The Sandrone story is of an opportunity taken and its happy result: Luciano acquired a small parcel of the famous Cannubi in 1977 and the response since his first 1978 vintage has been enthusiastic and sustained. From the start, Luciano and his brother Luca have worked for nothing less than excellence, and Luciano's daughter Barbara carries his message to wine lovers around the world. The twenty-seven hectares of vineyards are meticulously cared for and represent the very best Barolo and Roero have to offer. Balance is the keyword: in the cellar, between innovation and tradition, and in the wines, between elegance and power, longevity and drinking pleasure.

# A Doctor's Life in Wine

## LOTS 285-347

In case you missed the titular zCollections, here's your second chance to acquire wines from one of the most excellent and stimulating collections Zachys has ever encountered.

From incredibly rare 1949 JJ Prüm Gold Capsule Trockenbeerenauslese to 1983 Coche-Dury Meursault Charmes; from 1925 Castillo Ygay Reserva to 1945 Biondi Santi Riserva; this gentleman collector has long trusted his palate, gravitating towards wines that eschewed mainstream trends or critical darlings and instead piqued his intellect. From day one, he had a taste for the "old", and supplemented purchases from his local retailers with back vintages in the early days of U.S. wine auctions. Needing a home for his growing collection, the doctor created a purpose-built cellar and quickly filled it with quirky, heady wines with history.

The doctor has trusted Zachys with several substantial auction offerings to date and all have been excellent, so don't miss these last few treasures!

**Biondi Santi**

Jacopo Biondi Santi, the last generation of the family that invented Brunello, bought the Castello di Montepo, situated in Maremma district, in the 1990s. His aim was to pursue a very personal project: producing wines that are closer to the needs of the market, but without coming into conflict with tradition. The composition of the soil types, the range of microclimates, and the proximity of the sea make the estate suited for producing very high-level wines, which fully express the great winemaking potential of the Maremma district.

## LEBANON

### Château Musar

Château Musar first achieved international recognition during the 1979 Bristol Wine Fair in England, where the wine press and prominent critics including Michael Broadbent declared it "the discovery of the fair". According to Broadbent, "the wine is excellent and distinctive, albeit idiosyncratic. Its grapes are grown in the Bekaa Valley, the 'bread basket' of ancient Rome, and transported over the high coastal range to be turned into great wine by a winemaker who is something of a genius, Serge Hochar. Serge spent time in, and was inspired by, Bordeaux. But the way he makes wine and the artistry of his blending are all to do with what he feels is appropriate, bearing in mind the surprisingly variable climate and the personality of the individual cepages." In 1984, the respected wine magazine Decanter named Serge Hochar its first ever "Wine Man of the Year" for his extraordinary achievements, determination, and dedication to producing wines during the difficult years of the Lebanese Civil War.

Is it just us, or is quality Burgundy getting harder to find by the day? Luckily this West Coast collector is providing a fix, with a small but mighty array of finest Burgundy. Each of these lots is a highlight in its own right, but worth special mention are six bottles of Echézeaux DRC 1990, Musigny Roumier 1993, and 3 glorious bottlings from Leroy.

These wines were carefully sourced from auctions, with the vast majority coming from Zachys. The collection was transported and stored in temperature-controlled warehouses since purchase, and bottles tasted with our team were glorious. Bid now and get your fix!

### Domaine Leroy

Domaine Leroy boasts wines with the same energy and intensity as the woman behind them: Lalou Bize-Leroy. By 1955, when Lalou was still in her early 20s, she was running her family's historied negociant company, Maison Leroy. By 1974, she became co-director of Domaine de la Romanée -Conti, and, less than 20 years later, she was ousted by the board of DRC, in part for establishing such a successful competitor in Domaine Leroy (although she still has a quarter stake in DRC).

In 1988, finding it increasingly difficult to acquire wine from growers that met the exacting standards of Maison Leroy, Lalou purchased Domaine Charles Nœllat in Vosne-Romanée, renamed it Domaine Leroy, and proceeded to pioneer biodynamic viticulture at what would become one of most legendary domaines in Burgundy. Domaine Leroy has practiced biodynamic viticulture from day one – well before it became trendy – and has even stuck to its astrological guns through such hurdles as the mildew-riddled 1993 vintage. After all, according to Lalou, "wine is inspired from the cosmos, it tastes of the world itself."

At Domaine Leroy, Lalou insists that "there is no winemaking and no winemaker," just grapes that guide their stewards. To coax the utmost quality possible from her berries, Lalou never replants her vines, allowing them to mature; she eschews vine hedging (cutting back shoots after the flowering stage); and practices severe pruning and crop-thinning in the vineyard. Domaine Leroy's old vines, combined with unique vine training and strict pruning techniques, lead to ridiculously low yields and intensely concentrated flavor in the final product.

If you ask Lalou her secret to producing such iconic wines, she'll tell you "It is simple, I love my vines more deeply than most people." Given the wines these vines produce, we don't blame her.

**SASSICAIA (LOTS 400-404)**

Classic Sassicaia vintages purchased at a reputable Northeast retailer by an avid Super Tuscan collector.

**ITALY**

**Sassicaia**

Tenuta San Guido is named after the Saint Guido della Gherardesca who lived during the eleventh century. It is located on the Tyrrhenian coast, between Leghorn and Grosseto, in Maremma an area made famous by Italian Nobel prize winner Giosuè Carducci, and it stretches for 13 km from the sea to the hills. Three are its defining characteristics: the Sassicaia wine, the Razza Dormello-Olgiata thoroughbred studfarm and the Bird Sanctuary Oasi di Bolgheri. They divide the estate between the Oasi on the coast, the horse's training grounds on the plain, and the vineyards planted up to 350 meters on the hills. The latter have been given their own DOC, the DOC Bolgheri Sassicaia, the first, and so far only case in Italy of a DOC contained in one estate. The wedding of Mario Incisa della Rocchetta and Clarice della Gherardesca on October 18th 1930, started it all. They shared a love for thoroughbred horses that made them form a partnership with horse breeder and trainer Federico Tesio. Mario Incisa's love of good wine made him plant Cabernet vines in 1942 for what was to become Sassicaia. Seventeen years later the Oasi of Bolgheri becomes Italy's first Italian private nature preserve. In 1966 it is, with the Oasi of the lake of Burano, the first WWF Wildlife Refuge in Italy.

### Château Léoville Las Cases

The château gets its name from the Marquis de Las-Cases Beauvoise who, upon the dividing up of the vast Léoville estate, ended with the largest portion. Hugh Barton bought a quarter, Baron Poyferré (a relative) ended up with another quarter, and the remaining half went to the Marquis.

As debt accumulated during the earlier part of the twentieth century, the estate was gradually acquired by its then manager, Theophile Skavinski. Jean-Hubert Delon, the estate's present owner, is one of his descendants.

Although there are nearly 100 hectares under vine here, it is the fifty-three hectares of Grand Clos with that famous wall and arched entrance that is the primary source of fruit for the grand vin. The vines are planted to seventy percent Cabernet Sauvignon, seventeen percent Merlot and thirteen percent Cabernet Franc. Ageing is in sixty-five percent new oak barriques for fifteen to eighteen months, which just goes to show you don't need three and a half years in 100 percent new oak to make great wine. The second wine, Clos du Marquis, was one of Bordeaux' first when the 1902 vintage debuted.

These are serious wines, as good as any in the Médoc and in many years outperforming its second growth status. This estate could be called "the Latour of St Julien," which is actually not very far from the truth as it does reside right next door to the First Growth!

## EARLY 20TH CENTURY MOUTON (LOTS 456-459)

Zachys has known this midwestern collector since we started doing auctions over 20 years ago. A true wine aficionado, this collector sources wines himself from old estates, friends, and his immense wine circle. After three decades of sourcing cellars, he has built up a truly impressive and eclectic cellar. It is with pleasure that Zachys presents this small offering of some of the bottles from this collection. Everything was stored in a temperature-controlled warehouse and personally driven to Zachys' warehouse by the consignor. The 1918 Mouton in particular came from a parcel of several bottles that this consignor has slowly been selling with Zachys over the years.

## BORDEAUX

### Château Mouton Rothschild

While Mouton was always a highly regarded wine, a big change came when in 1922, when the twenty-one-year-old Baron Philippe decided to run the Château full-time. An innovator from the start of his tenure, in 1924 he decided that in order to guarantee quality the entire production would be bottled at the Château, and from 1934 he numbered each bottle released. Also, of course, he started the tradition of works of art on Mouton labels, featuring the famous Carlu ram's head from 1924 to 1926, and since a hiatus from then until 1945, each label has either been designed by a major artist or featured a tribute to a significant event in the Château's history.

Perhaps his most significant achievement was persuading the French Minister for Agriculture, Jacques Chirac, that Mouton was and had always been a First Growth that had been wrongly classified. So, in 1973, for the first and only time, a revised edition of the 1855 classification was released with Mouton finally ranked, next to its Pauillac neighbors Lafite and Latour, as a First Growth.

## LA ROMANÉE LIGER-BELAIR (LOTS 475 & 476)

The following lots of La Romanée were purchased directly on release via the consignor allocation with a highly regarded west coast retailer. The bottles were transferred from a professional storage facility via temperature-controlled truck to Zachys state of the art warehouse.

### BURGUNDY

#### Liger-Belair

The current Domaine du Comte Liger-Belair was founded by Louis-Michel Liger-Belair only in 2000, but Liger-Belairs have been growing wine in Burgundy for nearly two centuries, since General Louis Liger-Belair purchased the Château du Vosne in 1815. Over the next century the domaine grew through marriages and purchases until it included the monopoles of La Romanée, La Tâche and La Grande Rue, and substantial holdings in many of the other greatest vineyards of the Côte de Nuits. Unfortunately the passing of Comte Henri Liger-Belair in 1924 and his widow the Comtesse in 1931 meant that the estate was to pass equally to their ten children, and the law of the time provided that for any of the heirs to receive their portion in land rather than cash, all must have reached legal adulthood. Two had not, and when three of the other siblings did not want to wait to receive their inheritance, there was no choice but to put the entire domaine up for sale.

At that auction, Louis-Michel's grandfather Comte Michel and one brother joined to purchase what they could, and walked away with three pieces of vineyard land in Vosne-Romanée, the monopole La Romanée and parcels of Reignots and Chaumes. The wines were released under the names of various negociants until Louis-Michel began to take back vineyards to produce the wines himself. He continues to refine his practices, most recently with a complete conversion to biodynamic farming and to gentler presses, which he believes has improved the quality of the tannins, and has in just a decade solidly re-established the Liger-Belair name as one of the most reliable producers of top class Burgundy.

### BORDEAUX

#### Château L'Eglise Clinet

Château L'Eglise Clinet has a long history. It dates all the way back to the back to the late 1800s. Clos L'Eglise-Clinet was created in 1882. This happened when two families agreed to join together and form a partnership to produce Bordeaux wine together. The families were Mauleon Rouchut of Clos l'Eglise. And the Constant family, the owners of Château Clinet. From that point forward, until the mid-1950s, their Bordeaux wine was sold under the name Clos L'Eglise-Clinet.

After that date, the wines were released just as they are today, under the current name of, Château L'Eglise Clinet. Before Denis Durantou, the current owner and wine maker took over, his great-grandfather managed the property. The elder Durantou spent all his time as a shopkeeper. He did not live at the chateau. He preferred to spend his time on his dairy farm, located in Coutras.

Denis Durantou took over the winery in the mid-1980s. The property, slowly but surely keeps getting better and better. Today, it is one of the stars of Pomerol! The wine is concentrated, full-bodied, opulent and rich. Everything is in harmony. This special Bordeaux wine offers a purity of fruit, exotic spice components and freshness. The portion of old vine Cabernet Franc, which is close to 70 years of age is part of what makes this wine unique. Those vines are a large component of what separates the style and aromatic complexity of L'Eglise Clinet from the most of the other top Pomerol wines.

#### Joseph Drouhin

The well-known Beaune-based négociant house of Joseph Drouhin has been an important firm in the appellation of Burgundy since its opening in 1880. In that year, Joseph Drouhin purchased a pre-existing small négociant operation and re-named it Maison Joseph Drouhin. Joseph handed over the reins of the significantly expanded négociant house to his son, Maurice Drouhin in 1919. Maurice Drouhin, who was one of the great figures of his era in Burgundy, presided over the family domaine until slowed by a sudden stroke in 1957. He was succeeded by his son Robert Drouhin, who continues to run the estate to this day.

While Maison Joseph Drouhin now has a large spread of outstanding vineyard parcels scattered up and down the Côte d'Or and in Chablis, it is virtually impossible to tell a Drouhin wine made from purchased grapes and those produced from their own vineyards, as the house style of terroir-driven, classic and age worthy Burgundy is shared both by the négociant wines and the estate wines. The Drouhins make all of their own wines from the Côte d'Or, with an eye towards producing medium-full wines of great complexity and intensity of flavor in the traditional Burgundian style. Both the reds and whites are considered amongst the very finest wines produced in the Côte d'Or by all knowledgeable Burgundy commentators today.

# A Collection of Rarest Chartreuse

## LOTS 540-582

Chartreuse.

The elixir of long life holds a unique place both in the market, and in the cellars of connoisseurs. It's a beverage so unique, so steeped in history and shrouded in mystique, that it excites the heart, the brain, and the palate like few other drinks. It is rare, especially the older bottles and large formats, and despite the fact that it is a 400-year old beverage, it remains artisanal—the recipe is a secret and supposedly known by only two monks.

Zachys is delighted to offer one of the largest collections of rare yellow and green Chartreuse, consigned by a single unicorn-hunting Frenchman born near Voiron, the home of Chartreuse. He spent years acquiring these rare bottles, and curating this wonderful selection, which now it is Zachys delight to bring

to market. Bidders for these rare bottlings should pay close attention to the photos, and ask for photos of any bottles not published in this catalog. The ullage on these bottles is exemplary for their age, but as with any 100 year-old corked beverage, they are delicate, and Zachys would highly recommend pick up of these bottles at our warehouse after the auction. It is impossible to date most Chartreuse down to the year of production. These days, Chartreuse is easy to date—take the first three digits in the serial number, add them to 1084 (the year the Carthusian order was founded) and you get the year of production. The next three digits represent the days into the year that the spirit was bottled—001 is January 1st, and so on. But these old bottles are different, and Zachys worked closely with the consignor to appropriately date the bottles as close as possible.

# Notes

# Buying & Bidding Information

Prior to bidding, all participants must read the Buying & Bidding Information and the Conditions of Sale contained in this catalog that state the terms governing the purchase of alcoholic beverage products sold at auction. Auctions are operated by: (i) Zachys Asia Limited in respect of auctions which are conducted from Hong Kong; (ii) Zachys Wine Auctions, Inc in respect of auctions which are conducted from anywhere else in the world; and (iii) in respect of online-only auctions, the entity stated in the auction particulars as operator of the auction, (each referred to as "Zachys") acting as agent for and on behalf of the relevant consignor of the goods to be offered for sale (the "Consignor"). By participating in an auction, an auction participant ("Buyer") agrees to be bound by this Buying & Bidding Information and the Conditions of Sale in this catalog (whether in print or online).

## Estimates

Catalog lot entries include a description of every lot and an estimated price range that is our opinion of the price expected at auction. Estimates are a guide for bidders and generally reflect prices recently paid at auction for comparable alcoholic beverage products. Each estimate takes into account, among other things, condition, rarity, quality and provenance (history of ownership, to the extent known). Estimates are determined in advance of the sale and are therefore subject to revision. Buyers should not rely upon estimates as a prediction of actual selling prices.

Estimates do not include Buyer's Premium or sales tax. Certain lots may be noted with "Estimate on Request" instead of a printed value in the catalog. Please contact a Zachys specialist for further information and bidding assistance.

## Buyers Premium

A 25% Buyer's Premium (exclusive of sales tax) will be added to the successful bid price of each lot purchased and is payable by Buyer, together with all applicable sales tax, as stated in the Conditions of Sale.

## Reserves

Unless otherwise indicated, all lots are sold subject to a reserve. A reserve is the confidential minimum price established between Zachys and the Consignor. The reserve will not exceed the low estimate for the lot.

## Examination of Wines

Zachys endeavors to select quality wines for auction and uses leading reputable expert(s) to assist Zachys in examining wines for auction. However, to the fullest extent permissible by law, Zachys and any Consignor disclaim any liability arising out of any description or error or omission in any description or any decision by the Buyer to rely on Zachys or any Consignor. Prospective Buyers are urged and advised to examine any lots carefully prior to the auction at our temperature-controlled warehouse and can do so by appointment. Please contact Zachys at +1.914.448.3026 or +852.5803.8244 to set up an appointment.

## Bidder Registration

No person shall bid or buy in any auction (or be shipped any property bought in any auction) who has not agreed (either in writing or electronically) to be bound by the

Conditions of Sale and this Buying & Bidding Information. If a prospective Buyer has not previously bid with Zachys, a government issued photo identification (such as National Identity Card or Passport) may be required prior to registration for any sale.

If a business organization registers to bid in an auction, a Business Registration or a Certificate of Incorporation and/or proof of director may be required in order to obtain a paddle. Zachys requires a valid credit card for new registrants.

Prospective Buyers may be asked to supply a bank reference to register for the auction. To avoid delay in the release of purchases, please prearrange check or credit approval through our Finance Department at +1.914.448.3026 or +852.2530.1971.

All bidders who wish to attend the auction are asked to preregister for a paddle at least two business days in advance of the auction. If you plan to attend the auction, a Bidder Pre Registration Form is provided in this catalog or at zachys.com. Complete and either email the form to bid@zachys.com or asia@zachys.com or fax the form to +1.914.713.8220 or +852.2530.1971 at least two business days prior to the auction. Bidders should arrive at least 30 minutes before the scheduled sale of the lot on which they plan to bid to retrieve a paddle.

## Bidding

Lots are auctioned in consecutive numerical order, as they appear in the catalog. The auctioneer will accept bids from (i) those present in the saleroom, (ii) absentee bidders participating by telephone, online or by written bids provided to Zachys prior to the first session of the auction, or (iii) live over the internet. The auctioneer may also execute bids on behalf of the Consignor's reserve; however, under no circumstances will the auctioneer place any bid on behalf of the Consignor at or above the reserve. The auctioneer will not identify bids placed on behalf of the Consignor. Prospective Buyers who have registered to bid by more than one method (for example, both as an in-saleroom and absentee bidder) must monitor all of their bidding activities (including in-saleroom bids, absentee bids, and online bids) to prevent bidding against themselves. All bids are final and will not be cancelled.

## Bidding by Zachys

Zachys reserves the right to bid on any

lot on its own behalf, subject to the same terms and conditions applicable to all other Bidders.

## Parcel Lots

A parcel is a sequence of lots carrying the same estimates and consisting of the same type, quantity, and bottle size. In this sale the Buyer of the first lot of a parcel will have at the discretion of the auctioneer, the option to take any or all further lots in the parcel for the same price. If the option is not exercised on all lots in the same parcel, the auctioneer will open bidding on the next unsold lot and offer the Buyer of that lot the option to take any or all of the remaining lots in the parcel sequence. Bidding shall continue in the same manner until all lots in the parcel have been offered and declared sold or unsold by the auctioneer. Live Online bidders who purchase the first lot in a parcel will be sent a message requesting that they choose how many additional lots in the parcel they would like to purchase. If the Live Online bidder does not respond to the message, the auctioneer will open the next unsold lot in the sequence.

Bids should be placed on the first lot in a parcel. In the event that a bid is placed on a subsequent lot, Zachys will attempt to move the bid to the first lot in the parcel. An unsuccessful bid on the first lot in a parcel will be carried to the next lot and executed on that lot. If unsuccessful again, the bid will be carried to the next lot in the parcel until all lots have been offered.

## Online, Absentee, & Telephone Bids for Live Auctions

Please note: Zachys offers the following services as a convenience to clients. Zachys is not responsible for any error in connection with or failure to execute absentee, telephone or online bids.

## Online Bids

Live auctions will open for bidding on our website at [www.auction.zachys.com](http://www.auction.zachys.com) approximately 3-4 weeks before the scheduled live auction date. Bids may be submitted online during this period.

For live auctions, a maximum bid may be entered online. You must confirm the bid to submit it. To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is entered that does not match a bidding increment, a message will be displayed to provide the increments

that are closest to the bid entered. If a maximum bid is submitted, bids will be placed on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted.

Prospective Buyers may also bid during the live auction on our website at [www.auction.zachys.com](http://www.auction.zachys.com).

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity. In the event of a dispute, the auctioneer's declaration of winning bid and paddle number shall be determinative. In the event of communication delays or failures, the auction will not be stopped. Live online bidders should consider providing Zachys with emergency absentee bids.

#### **Absentee Bids**

If you are unable to attend the auction in person and wish to place bids, you may give Zachys instructions in writing to bid on your behalf. Zachys' representatives will then try to purchase the lot or lots of your choice for the lowest price possible, taking into account the reserve price and other bids. This service is free and confidential. To place absentee bids, use the form provided herein or at <https://auction.zachys.com/>. Be certain to accurately record the lot numbers and the highest hammer price you are willing to pay for the lot.

Please note: Your bid amount does not include Buyer's Premium or applicable sales tax. Buyer's Premium and applicable sales tax will be added to the hammer price of each lot.

Absentee bids must be submitted in consecutive numerical order, or they will not be executed. In addition, please use the bid increments included on the absentee bid form. If bids are submitted incorrectly, Zachys will round your bid up to the next increment. Please place bids as early as possible and at least 24 hours prior to the start of the first session of the auction. In the event of identical bids, the earliest bid received will take precedence. By registering and submitting absentee bids, prospective Buyers agree to be bound by the Conditions of Sale.

#### **Telephone Bids**

Prospective Buyers may bid by telephone during the live sale. Telephone bids are accepted only at Zachys' discretion and at the prospective Buyer's risk. Because of limited phone lines in the saleroom, Zachys must confirm arrangements for this service at least 48 hours prior to the start of the first session of the auction. At Zachys' discretion, telephone bids may be limited to lots with a

value above 16,000 HKD or 2,000 USD and may be recorded. By submitting a telephone bid, prospective Buyers agree to be bound by the Conditions of Sale.

#### **Bidding in Timed Auctions**

Bids can be submitted anytime during the course of a timed auction on our website at [www.auction.zachys.com](http://www.auction.zachys.com).

There are two ways to bid: (i) submit the starting/next bid or (ii) submit a maximum bid. You must confirm the bid to submit it. To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is entered that does not match a bidding increment, a message will be displayed to provide the increments that are closest to the bid entered. If a maximum bid is submitted, bids will be placed on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted.

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity.

#### **Taxes**

Buyers are responsible for the payment of any tax, tariff, duty or other fee which Zachys may be required by law to charge or remit to any authority in respect of or in connection with the sale.

All bids placed by Buyers are deemed to be submitted exclusive of any sales tax which shall (if required) be payable by the Buyer at the appropriate rate. All such taxes shall be paid by Buyer at the time of delivery to Buyer at Zachys' licensed location. Because title passes from Zachys to Buyer in the state of New York (see Passage of Title and Storage), all sales are subject to New York sales taxes unless the goods are delivered to the Buyer in another jurisdiction under the authority of a permit issued by the recipient state and the collection of sales taxes by the state of the Buyer.

Buyers claiming exemption from sales, use or other tax must provide Zachys with documentation, which, in Zachys' sole discretion and judgment, is satisfactory evidence of such exemption, prior to the release of property to the Buyer. Buyers claiming such exemption who are licensed dealers of alcoholic beverages must submit resale certificates and a copy of their valid licenses to Zachys prior to registering for the sale.

All questions regarding tax and exemptions should be directed to Zachys Finance Department at +1.914.874.8034 or +852.2530.1971.

#### **Owned or Guaranteed Property**

Zachys offers property consigned by others for sale at public auction. Occasionally, lots are offered which have in the course of the sale process become the property of Zachys

On rare occasions, Zachys may guarantee a minimum price to the Consignor. Guaranteed lots may also be sold subject to a reserve.

#### **Successful Bid**

The fall of the auctioneer's hammer indicates the final bid, at which time the Buyer assumes full responsibility for the lot. Successful bidders will be notified and invoiced within a few days of the sale. Successful Buyers will pay the price of the final bid plus a 25% Buyer's Premium plus any applicable taxes for each lot purchased.

#### **Payment**

Payment for all invoices is due immediately upon receipt.

For timed auction ("zCollections") purchases: Zachys will auto-charge the credit card on file for the full invoice amount within 48 hours of the sale close.

For live auction purchases: Zachys will auto-charge the credit card on file within 48 hours of the sale close.

In respect of all other purchases, buyers are expected to pay for purchases or balances within 14 calendar days of purchase for live sales and 7 calendar days of purchase for internet sales. At the end of this 14 or 7 calendar-day period (as applicable), Zachys reserves the right to charge the Buyer's credit card on file for any amounts still due.

Zachys reserves the right to cancel the sale of invoices still unpaid on the 31st day after an auction.

For US auctions, payment is accepted in United States Dollars.

For Hong Kong auctions, payment is accepted in Hong Kong Dollars.

To request payment in another currency, contact Zachys at +1.914.448.3026 or +852.2530.1971. Zachys, in its sole discretion, shall determine the currency exchange rate.

Payment can be made by credit card or bank wire transfer. In the event of third-party payments, Zachys may require an Authorization Letter from both parties.

#### **Payment by Credit Card**

All charges are subject to acceptance by Zachys and the applicable credit card company. Zachys will accept Visa, MasterCard, American Express, Discover and Union Pay. Payment can be made via phone by calling +1.914.448.3026 or +852.2530.1971.

Payments made by credit card will incur a 2% processing fee.

When making payment via UnionPay, winning bidder must sign the auction invoice and

acknowledge that possession of the wine has transferred from Zachys at time of payment. Signature must be same as the one signed on payslip.

**Collection of Purchases**

Buyers are expected to remove their property within 14 calendar days of the auction. Prospective Buyers' attention is drawn to the Conditions of Sale, including Condition 9.

**Collection & Delivery**

It is the Buyer's responsibility to pick up purchases or make shipping arrangements within 14 calendar days of the auction. Unless Buyer is located in the state of New York, Zachys will not automatically arrange for the delivery of purchased products to buyer. For Buyers located outside of the state of New York, Zachys will deliver all alcoholic beverages purchased to an independent New York storage facility for the account of the buyer (see Passage of Title and Storage).

**Export/Import Permits**

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full

payment for the lot.

**Delivery Restrictions**

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

**Shipment of Spirits**

Prospective Buyers should be advised there are certain restrictions regarding the shipment of spirits. Many countries and states impose limitations on quantity, high duties, and/or taxes, and prospective Buyers should be aware of export and import restrictions.

**Auction Results**

**Translation**

The terms and conditions have originally been drafted in English. In the event that any translation of the terms and conditions is prepared, the provisions of the English version shall prevail.

# Conditions of Sale

These Conditions of Sale are Zachys' and the Consignor's entire agreement with the Buyer with respect to the property listed in this catalog. The Conditions of Sale and all other contents of this catalog may be amended by posted notices or oral announcements made during the sale. The property will be offered by Zachys as agent for the Consignor, unless the catalog indicates otherwise. By participating in an auction, you agree to be bound by these terms and conditions.

**1** This catalog endeavors to describe the property listed herein accurately. However, save as otherwise expressly set out in these Conditions of Sale, and to the fullest extent permissible by law, Zachys and the Consignor shall not be liable for any such description and expressly disclaim any representation or warranty regarding the origin, physical condition, merchantability, fitness for a particular purpose, correctness of catalog description, size, quality, condition, rarity, authenticity, attribution, value, importance, provenance, previous storage conditions or historical relevance of any property herein. Zachys further retains the absolute right to amend at any time and in any manner any description of any property contained in any catalog and shall take reasonable steps to inform Buyers of such change prior to the conclusion of any purchase. Classifications in the text are for identification purposes only and based on standard sources. Buyers must make appropriate allowances for natural variations in ullages, conditions of cases, labels, corks and wine. Each statement contained in any catalog and each other statement, whether oral or written, and whether made at an auction or in an advertisement, bill of sale, addendum, posting, notice, announcement or otherwise, is a statement of opinion only and (subject to the next sentence) shall not be relied upon by any Buyer or otherwise be deemed a warranty or representation.

Images appearing in this catalog or elsewhere are for illustrative purposes only and may not be relied upon to reveal imperfections in any products. Zachys and the Consignor make no representation or warranty, express or implied, as to whether the Buyer acquires any copyright or other reproduction rights in any property. To the fullest extent permissible by law, neither Zachys nor the Consignor shall be liable for errors or omissions in the catalog or any supplemental material. Prospective Buyers are urged and advised to inspect the property before the auction, including the cases, labels, corks and wines, and must satisfy themselves by inspection or other means as to all considerations pertinent to any decision to place any bid. EACH PRODUCT AND EACH LOT HEREIN IS SOLD "AS IS," AND, TO THE FULLEST EXTENT PERMISSIBLE BY LAW, BUYERS EXPRESSLY DISCLAIM ANY RELIANCE ON ZACHYS, THE CONSIGNOR, OR THE CATALOG. Under no

circumstances will substitutes be provided by Zachys; including but not limited to in case of breakage or error in catalog description. No provision of the Buyer & Bidding Information or these Conditions of Sale shall limit or exclude Zachys' or the Consignor's liability for: (i) fraud; (ii) fraudulent misrepresentation; or (iii) death or personal injury arising from its negligence.

**2** The purchase price payable by the Buyer ("Purchase Price") will be the sum of the final bid price (the "Hammer Price"), the Buyer's Premium and the Protection Fee, when applicable, together with any applicable sales tax. The Buyer's Premium is 25% of the Hammer Price. The Protection Fee is 1% of the Hammer Price plus the Buyer's Premium.

**3** Zachys reserves the right to withdraw any property or cancel any sale before or at the sale and shall have no liability whatsoever for such withdrawal or cancellation.

**4** Zachys reserves the right to reject any bid. The highest bidder acknowledged by the auctioneer will be the Buyer. In the event of any dispute between bidders, or any other issue with respect to the bidder, the auctioneer will have absolute discretion to determine the successful bidder, to continue the bidding, to cancel the sale or to reoffer and resell the property in dispute. If any dispute arises after the sale, Zachys' sale record is conclusive.

**5** In its sole discretion, Zachys may accept and execute absentee bids (written bids submitted to Zachys prior to the sale), telephone bids and internet bids as a convenience to clients who are not present at auction.

**6** Unless otherwise indicated, all lots in this catalog are offered subject to a reserve, which is the minimum price the Consignor is willing to accept. This amount is confidential and will not exceed the low presale estimate Zachys shall act to protect the reserve by bidding through the auctioneer. The auctioneer may open bidding on any lot below the reserve by placing a bid on behalf of the Consignor. The auctioneer may continue to bid on behalf of the Consignor up to the amount of the reserve, either by placing successive bids or by placing bids in response to other bidders.

**7** All alcoholic beverages purchased from Zachys are sold in the state of New York, and title passes to the buyer in the state of New York in accordance with the Uniform Commercial Code. All sales are subject to NY sales taxes unless the goods are delivered to the buyer in another jurisdiction under the authority of a permit issued by the recipient state and the collection of sales taxes by the state of the purchaser. If the Purchaser is a resident of a state other

than New York, all alcoholic beverage purchases will be delivered to an independent New York storage facility for the account of the buyer, who may arrange with the facility to pick up the inventory in person or arrange for delivery under the law of the purchaser's state or the ultimate destination of the goods.

**8a** Title to the offered lot, passes to the Buyer upon the fall of the auctioneer's hammer and the announcement by the auctioneer that the lot has been sold, subject to compliance by the Buyer with all other Conditions of Sale and the Buying & Bidding Information. Title passes to Buyer in the state of New York, where the sale takes place.

**8b** The Protection Fee is 1% of the hammer price plus the Buyer's Premium for all arranged deliveries of purchased property. In return for payment of the Protection Fee, purchased property will be protected against breakage, loss, theft or fire and other losses as covered by Zachys' insurance while in transit to the Buyer's declared point of destination. If Buyer elects to decline the protection afforded by the Protection Fee, Buyer thereupon assumes full risk and responsibility for the lot while in transit.

**9** No property may be removed from Zachys' premises until Buyer has paid the Purchase Price in full plus all other fees and taxes (inclusive of any taxes due in the location of the auction on Buyers who are not residents of such location) and has satisfied such terms as Zachys, in its sole discretion, shall require. Zachys reserves the right to withhold all property until such time as all outstanding amounts are paid in full from purchases from any prior auction(s). Upon receipt of full payment, Zachys will issue a Release Order, which must be presented in order for Zachys to release purchases made at auction. Subject to the foregoing, all lots are to be paid for no later than 4:30 PM (local time at the place of the auction) on the fourteenth calendar day following the live sale, and on the seventh calendar day following the internet sale, and removed from Zachys' premises at Buyer's expense no later than 90 calendar days after the date of sale. If Buyer fails either to timely remove the purchased lots from Zachys' premises or make timely arrangements with New York Fine Wine Storage to store the purchased lots, Zachys may transfer such property to a public warehouse for the account, and at the risk and expense, of Buyer. If a lot has not been collected within 90 calendar days of the date of sale and Zachys does not transfer the uncollected property to a public warehouse, Buyer will be liable to Zachys for interest, storage fees, and handling charges.

**10** Zachys is not responsible for acts or omissions by itself or others in packing or shipping, whether or not the carrier or packer is recommended

by Zachys. Packing and handling of purchased lots are entirely at the risk of Buyer. Zachys may, at the request and direction of Buyer and for an administrative fee, make arrangements for the consolidated shipment by common carrier of the purchased lots, provided that Zachys is not liable in any way therefore.

#### **11**

If Buyer fails to comply with any of these Conditions of Sale, Buyer will be in default and Zachys may avail itself of all remedies available by law, including, without limitation, the right to (i) hold such defaulting Buyer liable for the Purchase Price including all fees, charges and expenses, (ii) cancel the sale of that lot and any other property sold to Buyer, (iii) resell the property without Reserve at public auction or privately on reasonable notice to the Buyer, (iv) pay the Consignor an amount equal to the net proceeds payable in respect of the amount bid by the defaulting Buyer and then resell the property to a third party without Reserve at public auction or privately on reasonable notice to such Buyer, and/or (v) take such other action as Zachys deems necessary or appropriate. If Zachys resells the property pursuant to clause (iii) or (iv) above, the defaulting Buyer shall be liable for the payment of any deficiency between the Purchase Price and the price obtained upon resale pursuant to clause (iii) and (iv) above and all costs and expenses, including, without limitation, warehousing, the expenses of both sales, reasonable attorneys' fees, commissions, incidental damages and all other charges due hereunder. In the event that such Buyer pays a portion of the Purchase Price for any or all lots purchased, Zachys shall apply the payment received to such lot or lots that Zachys, in its sole discretion, deems appropriate. Any Buyer who fails to comply with these Conditions of Sale will be deemed to have granted Zachys a security interest in, and Zachys may retain as collateral security for such Buyer's obligation to it, any property in Zachys' possession owned by such Buyer. Zachys shall have the benefit of all rights of a secured party under the Uniform Commercial Code or applicable law adopted in the jurisdiction where the auction is held.

#### **12**

Payment will not be deemed to have been made in full until Zachys has collected good funds. In the event Buyer fails to pay any or all of the Purchase Price for any lot within 30 calendar days of sale and Zachys nonetheless elects to pay the Consignor any portion of the sale proceeds, Buyer acknowledges that Zachys shall have all of the rights of the Consignor to pursue the Buyer for any amounts paid to the Consignor, whether at law, in equity, or under these Conditions of Sale, or to cancel the sale of any lot unpaid 31 calendar days after sale.

#### **13**

Notwithstanding any other terms of these Conditions of Sale, if within 3 calendar days of the date of delivery of the property or 90 days after the sale, Buyer notifies Zachys in writing of a claim that any lot is short, ullaged, or has suffered breakage, then Zachys in its sole discretion will decide any such claim as between

the Consignor and Buyer and may rescind the sale and refund all or part of the Purchase Price received. This does not affect any other rights of the Buyer at law or under these Conditions of Sale.

Notwithstanding any other terms of these Conditions of Sale, if a Buyer purchased property that is inauthentic and returns such property to Zachys within 90 calendar days of the date of delivery, then Zachys agrees to rescind the sale and refund the Purchase Price received.

The benefit of this Condition of Sale 13 is not assignable and shall be applicable only to the original Buyer of the lot and not to subsequent assigns, buyers, heirs, owners or others who have acquired or may acquire an interest therein.

At its discretion, Zachys will not always cut the bands on original packaging of younger wines. In such cases, Zachys will not accept returns for any issues the Buyer might discover after the band is cut.

#### **14**

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

#### **15**

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys and Consignor shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations.

Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

#### **16a**

For auctions that are held in New York, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the State of New York. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented

to the exclusive jurisdiction of the State Courts of, and the Federal Courts sitting in, the State and County of New York. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental, or consequential damages, including, without limitation, loss of profits.

#### **16b**

For auctions that are held in Hong Kong, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the Hong Kong Special Administrative Region. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the Courts of Hong Kong Special Administrative Region. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental, or consequential damages, including, without limitation, loss of profits.

#### **17**

All offers and sales of alcoholic beverage products by Zachys are subject to the local laws governing the sale of alcoholic beverage products in the jurisdiction in which the auction takes place.

#### **18**

New York State law requires that Buyers of alcoholic beverages must be at least 21 years of age. Hong Kong law requires that Buyers of alcoholic beverages must be at least 18 years of age. Buyers should observe and comply with the applicable laws relating to the purchase of alcoholic beverages in the jurisdiction where the auction is held. By participating in the auction, each Buyer represents and warrants to Zachys that he, she or it has the legal capacity to purchase, receive, and possess any lot purchased.

#### **19**

Zachys does not ship alcoholic beverage products. As an accommodation to Buyers, Zachys may arrange to have property packed, insured, and delivered at Buyer's expense and direction, but (other than as provided in Condition of Sale 8) Zachys shall have no liability or obligation for shipping alcoholic beverage products. Zachys makes no representation, and assumes no obligation, with respect to the legality of shipment of alcoholic beverage products into any jurisdiction. Zachys urges all Buyers to investigate and under-

stand the alcoholic beverage products shipping laws and regulations of the jurisdiction to which they intend the alcoholic beverage products to be shipped prior to the purchase of alcoholic beverage products at auction.

## **20**

By participating in the auction, Buyer agrees with Zachys and the Consignor that these Conditions of Sale, together with any instrument captioned (i) Buying & Bidding Information and (ii) General Catalog Notes published by Zachys and in effect from time to time and which are incorporated herein by reference as part of this Condition of Sale, shall become the legal, valid, and binding obligation of the Buyer, enforceable in accordance with their terms by Zachys and the Consignor (who is both a party hereto and, with respect to portions hereof between Buyer and Zachys, an intended third-party beneficiary).

## **21**

In the event any one or more of the provisions, or any part or parts of a provision, of these Conditions of Sale and/or the Buying & Bidding Information is determined to be invalid or unenforceable in any respect, the validity and enforceability of all remaining provisions and parts of provisions shall not in any way be affected or impaired.

## **22**

If there is any inconsistency between the English and translated version of the General Catalog Notes, the Buying & Bidding Information, the Conditions of Sale or all other relevant documents, forms, website or emails, the English version shall prevail.

## **23**

Title and Risk of Loss. For New York residents, title and risk of loss to all goods shall pass to you upon our transfer of the products to the applicable carrier, or upon delivery to you if Zachys is acting as the carrier. For non-New York residents, title and risk of loss to all goods shall pass to you upon our delivery of the products to the independent storage facility, upon your receipt of the products from the Zachys premises, or upon transfer to an applicable carrier or third party in accordance with any alternative shipping/storage methods you decide. Notwithstanding the foregoing, Zachys reserves the right, exercisable in its sole discretion, to refund or replace goods damaged during shipment in accordance with Section II(b) of these Terms.

## **24**

Tax. Sales tax will be applied to all Orders as applicable. Seller makes no representation as to the legal rights of anyone to deliver or import any wines, alcoholic beverages or other goods into any state. Because title passes from Zachys to Buyer in the state of New York (see Passage of Title and Storage; Title and Risk of Loss), all sales are subject to New York sales taxes unless the goods are delivered to the Buyer in another jurisdiction under the authority of a permit issued by the recipient state and the collection of sales taxes by the state of the Buyer.

# General Catalog Notes

## Level/Ullage Descriptions & Interpretations

- IN **Into Neck:** Excellent for a wine of any age.
- BN **Bottom Neck:** Excellent for a wine of 10 years or older.
- VTS **Very Top Shoulder:** Normal for any wine 10 years or older.
- TS **Top Shoulder:** Normal for any wine 25 years or older.
- JBTS **Just Below Top Shoulder:** Normal for any wine 30 years or older.
- US **Upper Shoulder:** Slight natural reduction through easing of cork and evaporation through cork and capsule. Very good for any wine over 40 years old. Excellent for any wine over 50 years of age.
- UMS **Upper-Mid Shoulder:** Good for any wine 50-60 years of age.
- MS **Mid Shoulder:** Probably some weakening of the cork. Very good for wines over 50-60 years of age. Estimates usually take this into account.
- LS **Low Shoulder:** Some weakening of cork acceptable if wine or label is exceptionally rare or interesting.

Because of the slope of shoulder, it is impractical to describe levels of Burgundy-shaped bottles as into neck, etc. Wherever appropriate, the level between capsule and wine will be measured and cataloged in centimeters.

The condition and drinkability of Burgundy are less affected by ullage than its equivalent from Bordeaux. For example, a 5 to 7cm. ullage in a 50 year old Burgundy can be considered normal, indeed good for that age; and 3.5 to 4cm., excellent for that age.

Champagne bottle measurements are done from the bottom of the foil to the level of the wine.

## Label & Capsule Conditions

Labels and capsules can become soiled, stained, or otherwise marked, especially with wines over 20 years of age. Unless otherwise noted, label conditions will be appropriate for age, but Buyers should note that normal staining, discoloration or other conditions may not be noted if such conditions are appropriate for the age of the label. Potential Buyers are invited to make appointments to inspect wines personally.

## Special Notices

Though every effort is made to describe or measure the levels of older vintages, corks over 20 years old begin to lose their elasticity and levels can change between cataloguing and sale. Old corks have also been known to fail during or after shipment. We therefore repeat that there is always a risk of cork failure with old wines, and Zachys assumes no responsibility for this.

Under no circumstances can an adjustment of price or credit be made after delivery, except as provided in Paragraph 13 of the Conditions of Sale in this catalog.

Unless otherwise stated, Bordeaux are Château bottled.

It is Zachys' general policy to describe levels for vintages prior to 1990. Unless otherwise noted, ullage levels will be appropriate for age.

At Zachys discretion, we will not always cut the bands on original packaging of younger wines. In such cases all wines are sold AS IS and will not accept returns for any issues the buyer's might discover after the band is cut.

At times, bottle numbers will be covered in photos to protect consignor anonymity.

#### **Export/Import Permits**

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

Currency of fulfillment and applicable fees are determined by the origin of the shipment.

Zachys is not responsible for any acts or omissions of any shipper with whom Buyer, not Zachys, has made arrangements to pack, ship or deliver purchased lots, including, without limitation, any packing, shipping or delivery of purchased lots.

#### **Adult signature is required for all shipments.**

If you plan to attend the auction, please fill out this form and email it to auction@zachys.com prior to the first session of the auction. Please refer to Conditions of Sale printed in the catalog for this sale.
