EAGLE

SCREAMING

Welcome

The December auction—the Holiday Auction—is always one of our favorites at Zachys.

We invite you to join us for this auction, lunch, and some holiday cheer--"cheer," of course, being a euphemism for lots of wine in your glass!

We also suggest you get us those lists quickly for the first big sales of 2025, which are always important. Moreso in 2025—we do not know what the future holds, of course, but if the administration levies tariffs on imported wine as they have in the past, the collections that are already here in the USA have historically seen a bump in value. If you are reading this from abroad, we highly recommend getting your wine in the USA now (something we can assist with) for sale next year. And if your wine is already here, you'll want to take advantage of what appears to be a market heating up considerably.

Now to this auction...

We kick things off with pristine Screaming Eagle (Lots 1-11), always a slam dunk. These wines were bought from the winery's mailing list; the owner simply decided it was time.

We move then into a mélange of wines the world over, from Lafite, Latour, Margaux from marquis vintages like 2000 and 2009, to a nice Harlan vertical (2004-2018).

Lots 70-155 are from dear friends who periodically open their cellar to us and allow us to

bring you some highlights, such as a Harlan vertical including the 1991 and 1994 (Lots 124-128), a Dominus vertical (lot 115 on) and plenty else.

Lot 156 begins one of the highlights of the auction with a truly stunning collection of rare wine from the world over. Rousseau, d'Angerville, Tremblay, Dujac, Roumier, and of course loads of DRC. But if you're not currently into Pinot, would large swaths of Clape, Jamet, Chave, Gonon and Allemand suit you? It's rare, indeed, to see this much Allemand (Lots 347-360).

In the same cellar, there's Clos Rougeard (Lot 374 on) and Bartolo Mascarello (Lot 387 on) plus much more.

I would be remiss if I didn't point out the enormous Unico vertical (lot 583 on) and all in magnums!

Plus, no Zachys auction would be complete without a large section of Chartreuse and Spirits, beginning on lot 949 and going to the end.

As always, please email me at CAntin@zachys.com or my team at bid@zachys.com to bid or ask questions. We look forward to seeing you in the saleroom.

Cheers,

Charles Antin,
Head of Auction Sales

MAILING LIST SCREAMING EAGLE (LOTS 1-11)

What can be said, that hasn't already been said, about Screaming Eagle. These lots are, as you'd expect, direct from the Screaming Eagle mailing list. They have not left the consignor's professional wine storage facility since purchase and were transported to Zachys in temperature-controlled conditions.

CALIFORNIA

Screaming Eagle

It's rare. It's expensive. And there's a mystique about it. But Screaming Eagle Cabernet Sauvignon is no pretender. It's the real thing, and it deserves to be considered among Napa Valley's prestige wines...

You can't make wine this magnificent without fabulous grapes, and Screaming Eagle clearly comes from a spectacular vineyard...on the east side of Oakville, near the Oakville Crossroad...While ripening Cabernet (and smaller amounts of Merlot and Cabernet Franc) is routinely easy in this area, one of the trademarks of Oakville Cabernet is that the wines often display an herbal quality that manifests itself in a variety of subtleties, including hints of anise, sage, dusty berry, cedar and occasionally a whiff of new leather and tar. You find these shades of herb in Cabernets like Heitz Martha's Vineyard (grown on the west side of Oakville), with its signature minty currant personality, or Groth, which is one of the cooler sites on the valley floor. Screaming Eagle captures the best of all these elements. It also epitomizes exquisite balance, managing both to be enormously complex and concentrated, yet elegantly styled, with a smooth, polished texture.

NOTHING BUT 1982! (LOTS 12-22)

Harlan Estate

Harlan Estate, owned by Bill Harlan, is a luxury, world-class, Cabernet Sauvignon-based wine produced from a steep, terraced vineyard on the western side of Napa Valley, high above Napa's famous Martha's Vineyard. Approximately twenty-four acres are in vine and the yields to date have been very low. Bill Harlan, better-known as one of the principals of Merryvale Vineyards...has only one objective: to produce one of the greatest red wines of California.

The wines are a blend of approximately two-thirds Cabernet Sauvignon and the remainder Cabernet Franc and Merlot. Bob Levy, Merryvale's winemaker and Michel Rolland, the well-known Bordeaux oenologist, are the architects behind these exceptional efforts. Stylistically the wines are the Napa Valley equivalent of a hypothetical La Mission Haut-Brion/Cheval Blanc blend. They are rich, powerful wines with unmistakable elegance, complexity, and purity.

Dominus

After mastering wine production at two of the most esteemed wineries in Bordeaux, Petrus and Château Trotanoy, owner Christian Moueix looked toward Napa Valley to create one of tomorrow's classics in California. In 1982 in partnership with Robin Lail and Marcia Smith, Christian founded Dominus, a proprietary red wine produced in the heart of Napa Valley solely from the historic Napanook vineyard first planted in 1836. With the true understanding of terroir, the soil and climate of the Napanook vineyard at the foot of the Mayacamas Mountains was ideal for Cabernet Sauvignon and this is the base of the blend. The assemblage changes each year with varying degrees of Cabernet Franc, Merlot and Petit Verdot used to retain the consistent structure and complexity of the wine while reflecting the uniqueness of each vintage. A series of artists' portraits of Christian Moueix adorn the labels of the first vintages from the Estate (1983-1990) and then beginning with the 1991 vintage a classic Bordeaux styled label replaced the artist series.

The wines are made from grapes grown solely on the Napanook vineyard, allowing them to have a specific identity. They are "estate bottled" in the spirit of the Bordeaux chateaux and from the time of inception have characterized the expression of terroir in their earthy rusticity and complex character. Dominus exemplifies California production in a classic Bordeaux style.

Armand Rousseau

One will get little argument to the assertion that Domaine Armand Rousseau is the finest estate in Gevrey-Chambertin...

The vintages of the 1980s and 1990s at Domaine Rousseau have produced one of the greatest runs of profound Burgundy ever witnessed by any estate in the region, with the domaine producing legendary efforts in the widely recognized great years of the span from 1985 to 1999. Their two flagship bottlings of Chambertin and Chambertin "Clos de Bèze" have always ranked amongst the top dozen wines to be found in these vintages.

Of the two Grand Crus at the pinnacle of the brilliant portfolio of Rousseau wines, the Chambertin "Clos de Bèze" tends to be the more exotic and spicy of the two wines, with glorious fruit tones of black cherry, plum, blood orange often augmented by notes of Gevrey's grilled meat, chocolate and exotic spices. The Chambertin is typically the slightly slower wine to unfold, with a more understated profile of plum, red cherry and strawberry, coupled with notes of cocoa powder, coffee, grilled meats and violets...impeccably balanced, tangy and never come across as over-oaked. They are amongst the very greatest red wines to be found in the world.

Domaine de la Romanée-Conti

The domaine is known for picking very late, sometimes, as in 1978, later than any other producers. They prune endlessly, make many passes through the vineyards at harvest and sort grapes rigorously both in the vineyard and at the winery. Average age of the vines is around thirty-five to forty-five years with yields typically around thirty hl/ha. The wines are aged in new French oak casks for approximately twenty months. There is usually only one racking and since 1985 the wines from all casks in each cru have been blended together prior to bottling to reduce bottle variation. Recently they have been moving towards biodynamic viticultural practices. Like many of the region's leading growers they have seen concrete evidence of soil and vine health improvement. It's hard to imagine that these wines could get better, but that is what separates them from the rest of the pack: an unrelenting pursuit for perfection in the Pinot Noir grape. In addition to the majestic reds, a white is also produced from a plot in Montrachet.

Georges Mugneret

The genesis of the Domaine Georges Mugneret-Gibourg lies back early in the twentieth century, when Dr. Georges' father married a young lady from the Gibourg family who had arrived in Vosne-Romanée at the turn of the century. This was the start of the Mugneret-Gibourg domaine, as Dr. Georges' parents had plots of Bourgogne rouge, Vosne-Romanée villages, Echézeaux and at that time a parcel of Clos Vougeot. The family's original parcel of Clos Vougeot was eventually sold off in the 1930's at the nadir of the Burgundy wine trade, much to the chagrin of the young Georges Mugneret. Dr. Georges Mugneret was a very respected ophthalmologist, and his practice allowed him to support both his family and his love of wine at a time when Burgundy was not the profitable trade it is today. He bought a large house and cellars and over time he added more vineyards, which until 2009 were sold under the label of Domaine Georges Mugneret, with the Mugneret-Gibourg label retained for the original family plots. The Mugneret sisters petitioned the officials to have the two companies united under the single name of Domaine Georges Mugneret- Gibourg, and have now been granted permission to use a single label for the estate's wines.

To augment the original Mugneret-Gibourg family holdings, Dr. Georges began purchasing vineyards as opportunity allowed to enlarge the domaine. The first parcel he bought was a fine piece of Clos Vougeot in 1953. This is not the same parcel that Doctor George's parents sold in the 1930s, but it is located right in the heart of the finest section of the Clos, and from this plot the domaine produces what many Burgundian insiders consider to be the finest version of Clos Vougeot in the entire Côte d'Or. After the plot of Clos Vougeot, Dr. Georges' next purchase did not come until 1971, when he bought a 1.27 hectare parcel of Nuits St Georges in the Premier Cru vineyard of Les Chaignots. The domaine further augmented their holdings in Nuits with another parcel of Premier Cru, .27 hectare of Vignes Rondes, which was purchased in 1981.

In 1977 Dr. Georges, along with his friends Charles Rousseau and Michel Bonnefond (whose vines are tended after and the wine made by Christophe Roumier) purchased the large holdings in Ruchottes-Chambertin of the old Thomas-Bassot estate. Dr. Georges' parcel lies just below the little road that splits the vineyard in two, at the top of the "Ruchottes du Bas" section, which is mid-slope in the vineyard.

JL Chave

Considered widely as the quintessential Hermitage producer, Chave typifies traditionalism in both viticulture and his winemaking philosophy. The Domaine, begun in 1481, has been handed down from generation to generation. While Gerard Chave still maintains a presence, it is his son, Jean-Louis who is at the helm making some of the best wines in France, if not the world over. The family owns eight plots of land on the hill of Hermitage and in a time when single vineyard cuvees are all the rage, still holds true to the belief that the assemblage of all of the grapes produces a more complex, powerful and artisanal wine. To Jean-Louis the soil differences found in each plot of land profoundly affect production which is why the expression of the blend is superior to the single vineyard. Chave is passionate about allowing the grapes to achieve complete ripeness via a long hang time on the vine and therefore the wines exude profound extraction as well as substantial alcohol. There is also a natural selection of low yielding fruit due to an average vine age of sixty years or more which adds greater intensity to the wines. The vineyards are farmed organically and the horse and plough are utilized to this day!

The Hermitage Rouge is made of 100 percent Syrah while the Blanc is generally eighty percent Marsanne and twenty percent Roussanne. In vinification, contrary to modernist techniques once again, Chave eschews new oak, using only ten percent for the Rouge and mostly old oak and stainless steel for the fermentation and aging of the Blanc. The white Hermitage has the texture and richness of a great white Burgundy with immense complexity and the ability to age substantially. When serving the Blanc, Jean-Louis advises that they are not chilled too much, and are always decanted for a short period. The Rouge is a highlight.

ALL THE VEGA! (LOTS 583-617)

This cool offering contains almost all vintages of Vega Sicilia Único produced since 1962, all in magnums. Consignor has purchased most of them young and kept them in his private, temperature-controlled cellar in Spain ever since. Perfect condition which the fills of the magnums will testify to. The first time these bottles leave Spain was for this auction.

Note – The lots in this consignment are fully inspected and en route to Zachys but may not be available immediately after the auction for delivery. Please contact auction@zachys.com with any questions.

SPAIN

Vega Sicilia

Vega Sicilia, often called “the Lafite of Spain” for its elegance, is among the oldest extant wineries in Spain and remains among its most celebrated. Toribio Lecanda purchased 2,000 acres of farmland from the Marquis de Valbuena in 1848, but it was not until 1864 that his son, Eloy, began to convert it to viticulture by planting Cabernet Sauvignon, Malbec and Pinot Noir. Originally, he made brandy, and even before it was a winery Vega Sicilia was appointed to be the brandy supplier to the royal family of Spain. Vega Sicilia Único (“unique”) and Valbuena both date from 1915, when the vineyards had recovered sufficiently from phylloxera to permit great wine to be made. Único, made only in outstanding years, is typically mostly Tempranillo, with the balance Cabernet Sauvignon, Malbec and Merlot. It spends at least seven years in barrel, and at least three in bottle, before release, and in some vintages, it is aged for astonishingly long periods before it reaches the market. The 1970, for example, was not released until 1995, and magnums did not follow until 2000!

The wine lives up to its designation as “unique.” It is intensely fragrant, complex on the palate but also extremely concentrated, with very high acidity to balance the richness. Occasionally, the winery will release a small quantity of wine designated “Reserva Especial,” a blend of two or three Únicos; these bottlings are generally considered to be of the same high quality as the single vintage releases.

LE GOUT GUILLON (LOTS 937-943)

Former pilot of the French military, Jean-Michel Guillon, retired his illustrious career of service to another kind of passion and focus. A service to the spirit and an inspiration to the palate. From the skies to the rich earth of Burgundy, he landed in 1980 in Gevrey-Chambertin to begin a career in winemaking with no previous experience. The tenacity and passion proved monumental as he flourished his 2.3ha into 15 growing deep vines into the Santenay gevrey, Mazis-Chambertin, Marsannay and Clos de Vougeot. The Guillon empire was expanding and developing into something the world would quickly take notice of.

Jean-Michel found his mentor in the legend Henri Mayer - one of Burgundy's undisputed wine kings. Under his mentorship Guillon adopted the same exacting philosophy to honor the vineyard's terroir by harvesting grapes at their peak ripeness, meticulously sorting them, and employing a gentle, extended maceration process. Fermenting the grapes whole-cluster and age the wine in 100% new oak barrels on every cuvee, hand-selected by M. Jean-Michel Guillon from the most ancient oak trees in some of France's oldest forests. In essence, these wines offer a harmonious blend of elegance and power, a testament to the exceptional expertise and talent of Mr. Guillon and his son Alexis.

Our consignor is a devotee of Guillon and with good reason. Here we have curated 7 lots that are exceptional morsels from Domaine Jean-Michel Guillon et Fils and exemplify the winemaking expertise that won Jean Michel "winemaker of the year" by the Guide Hachette in 2020.

Through the observant and exacting commitment of the consignor- every single bottle was directly purchased from the Domaine and then meticulously stored in a state-of-the-art facility in Washington DC at ideal conditions of 54-56 degrees Fahrenheit. The provenance and loving care have left these bottles in immaculate condition. Through the Clos Vougeot Jean Michel Guillon 2017 to the Mazis-Chambertin Jean Michel Guillon 2017 you can discover a once in a lifetime opportunity to own and experience the exaltation of the Burgundy terroir and the glory a winemaker can achieve.

Buying & Bidding Information

Prior to bidding, all participants must read the Buying & Bidding Information and the Conditions of Sale contained in this catalog that state the terms governing the purchase of alcoholic beverage products sold at auction. Auctions are operated by: (i) Zachys Asia Limited in respect of auctions which are conducted from Hong Kong; (ii) Zachys Wine Auctions, Inc in respect of auctions which are conducted from anywhere else in the world; and (iii) in respect of online-only auctions, the entity stated in the auction particulars as operator of the auction, (each referred to as "Zachys") acting as agent for and on behalf of the relevant consignor of the goods to be offered for sale (the "Consignor"). By participating in an auction, an auction participant ("Buyer") agrees to be bound by this Buying & Bidding Information and the Conditions of Sale in this catalog (whether in print or online).

Estimates

Catalog lot entries include a description of every lot and an estimated price range that is our opinion of the price expected at auction. Estimates are a guide for bidders and generally reflect prices recently paid at auction for comparable alcoholic beverage products. Each estimate takes into account, among other things, condition, rarity, quality and provenance (history of ownership, to the extent known). Estimates are determined in advance of the sale and are therefore subject to revision. Buyers should not rely upon estimates as a prediction of actual selling prices.

Estimates do not include Buyer's Premium or sales tax. Certain lots may be noted with "Estimate on Request" instead of a printed value in the catalog. Please contact a Zachys specialist for further information and bidding assistance.

Buyers Premium

A 25% Buyer's Premium (exclusive of sales tax) will be added to the successful bid price of each lot purchased and is payable by Buyer, together with all applicable sales tax, as stated in the Conditions of Sale.

Reserves

Unless otherwise indicated, all lots are sold subject to a reserve. A reserve is the confidential minimum price established between Zachys and the Consignor. The reserve will not exceed the low estimate for the lot and is subject to change.

Examination of Wines

Zachys endeavors to select quality wines for auction and uses leading reputable expert(s) to assist Zachys in examining wines for auction. However, to the fullest extent permissible by law, Zachys and any Consignor disclaim any liability arising out of any description or error or omission in any description or any decision by the Buyer to rely on Zachys or any Consignor. Prospective Buyers are urged and advised to examine any lots carefully prior to the auction at our temperature-controlled warehouse and can do so by appointment. Please contact Zachys at +1.914.448.3026 or +852.5803.8244 to set up an appointment.

Bidder Registration

No person shall bid or buy in any auction (or be shipped any property bought in any auction) who has not agreed (either in writ-

ing or electronically) to be bound by the Conditions of Sale and this Buying & Bidding Information. If a prospective Buyer has not previously bid with Zachys, a government issued photo identification (such as National Identity Card or Passport) may be required prior to registration for any sale.

If a business organization registers to bid in an auction, a Business Registration or a Certificate of Incorporation and/or proof of director may be required in order to obtain a paddle. Zachys requires a valid credit card for new registrants.

Prospective Buyers may be asked to supply a bank reference to register for the auction. To avoid delay in the release of purchases, please prearrange check or credit approval through our Finance Department at +1.914.448.3026 or +852.2530.1971.

All bidders who wish to attend the auction are asked to preregister for a paddle at least two business days in advance of the auction. If you plan to attend the auction, a Bidder Pre Registration Form is provided in this catalog or at zachys.com. Complete and either email the form to bid@zachys.com or asia@zachys.com or fax the form to +1.914.713.8220 or +852.2530.1971 at least two business days prior to the auction. Bidders should arrive at least 30 minutes before the scheduled sale of the lot on which they plan to bid to retrieve a paddle.

Bidding

Lots are auctioned in consecutive numerical order, as they appear in the catalog. The auctioneer will accept bids from (i) those present in the saleroom, (ii) absentee bidders participating by telephone, online or by written bids provided to Zachys prior to the first session of the auction, or (iii) live over the internet. The auctioneer may also execute bids on behalf of the Consignor's reserve; however, under no circumstances will the auctioneer place any bid on behalf of the Consignor at or above the reserve. The auctioneer will not identify bids placed on behalf of the Consignor. Prospective Buyers who have registered to bid by more than one method (for example, both as an in-saleroom and absentee bidder) must monitor all of their bidding activities (including in-saleroom bids, absentee bids, and online bids) to prevent bidding against themselves. All bids are final and will not be cancelled.

Bidding by Zachys

Zachys reserves the right to bid on any lot on its own behalf, subject to the same terms and conditions applicable to all other Bidders.

Parcel Lots

A parcel is a sequence of lots carrying the same estimates and consisting of the same type, quantity, and bottle size. In this sale the Buyer of the first lot of a parcel will have at the discretion of the auctioneer, the option to take any or all further lots in the parcel for the same price. If the option is not exercised on all lots in the same parcel, the auctioneer will open bidding on the next unsold lot and offer the Buyer of that lot the option to take any or all of the remaining lots in the parcel sequence. Bidding shall continue in the same manner until all lots in the parcel have been offered and declared sold or unsold by the auctioneer. Live Online bidders who purchase the first lot in a parcel will be sent a message requesting that they choose how many additional lots in the parcel they would like to purchase. If the Live Online bidder does not respond to the message, the auctioneer will open the next unsold lot in the sequence.

Bids should be placed on the first lot in a parcel. In the event that a bid is placed on a subsequent lot, Zachys will attempt to move the bid to the first lot in the parcel. An unsuccessful bid on the first lot in a parcel will be carried to the next lot and executed on that lot. If unsuccessful again, the bid will be carried to the next lot in the parcel until all lots have been offered.

Online, Absentee, & Telephone Bids for Live Auctions

Please note: Zachys offers the following services as a convenience to clients. Zachys is not responsible for any error in connection with or failure to execute absentee, telephone or online bids.

Online Bids

Live auctions will open for bidding on our website at www.auction.zachys.com approximately 3-4 weeks before the scheduled live auction date. Bids may be submitted online during this period.

For live auctions, a maximum bid may be entered online. You must confirm the bid to submit it. To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is entered that does not match a bidding increment, a message

will be displayed to provide the increments that are closest to the bid entered. If a maximum bid is submitted, bids will be placed on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted.

Prospective Buyers may also bid during the live auction on our website at www.auction.zachys.com.

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity. In the event of a dispute, the auctioneer's declaration of winning bid and paddle number shall be determinative. In the event of communication delays or failures, the auction will not be stopped. Live online bidders should consider providing Zachys with emergency absentee bids.

Absentee Bids

If you are unable to attend the auction in person and wish to place bids, you may give Zachys instructions in writing to bid on your behalf. Zachys' representatives will then try to purchase the lot or lots of your choice for the lowest price possible, taking into account the reserve price and other bids. This service is free and confidential. To place absentee bids, use the form provided herein or at <https://auction.zachys.com/>. Be certain to accurately record the lot numbers and the highest hammer price you are willing to pay for the lot.

Please note: Your bid amount does not include Buyer's Premium or applicable sales tax. Buyer's Premium and applicable sales tax will be added to the hammer price of each lot.

Absentee bids must be submitted in consecutive numerical order, or they will not be executed. In addition, please use the bid increments included on the absentee bid form. If bids are submitted incorrectly, Zachys will round your bid up to the next increment. Please place bids as early as possible and at least 24 hours prior to the start of the first session of the auction. In the event of identical bids, the earliest bid received will take precedence. By registering and submitting absentee bids, prospective Buyers agree to be bound by the Conditions of Sale.

Telephone Bids

Prospective Buyers may bid by telephone during the live sale. Telephone bids are accepted only at Zachys' discretion and at the prospective Buyer's risk. Because of limited phone lines in the saleroom, Zachys must confirm arrangements for this service at least 48 hours prior to the start of the first session of the auction. At Zachys' discretion,

telephone bids may be limited to lots with a value above 16,000 HKD or 2,000 USD and may be recorded. By submitting a telephone bid, prospective Buyers agree to be bound by the Conditions of Sale.

Bidding in Timed Auctions

Bids can be submitted anytime during the course of a timed auction on our website at www.auction.zachys.com.

There are two ways to bid: (i) submit the starting/next bid or (ii) submit a maximum bid. You must confirm the id to submit it. To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is entered that does not match a bidding increment, a message will be displayed to provide the increments that are closest to the bid entered. If a maximum bid is submitted, bids will be placed on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted.

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity.

Taxes

Buyers are responsible for the payment of any tax, tariff, duty or other fee which Zachys may be required by law to charge or remit to any authority in respect of or in connection with the sale.

All bids placed by Buyers are deemed to be submitted exclusive of any sales tax which shall (if required) be payable by the Buyer at the appropriate rate. All such taxes shall be paid by Buyer at the time of delivery to Buyer at Zachys' licensed location. Because title passes from Zachys to Buyer in the state of New York (see Passage of Title and Storage), all sales are subject to New York sales taxes unless the goods are delivered to the Buyer in another jurisdiction under the authority of a permit issued by the recipient state and the collection of sales taxes by the state of the Buyer.

Buyers claiming exemption from sales, use or other tax must provide Zachys with documentation, which, in Zachys' sole discretion and judgment, is satisfactory evidence of such exemption, prior to the release of property to the Buyer. Buyers claiming such exemption who are licensed dealers of alcoholic beverages must submit resale certificates and a copy of their valid licenses to Zachys prior to registering for the sale.

All questions regarding tax and exemptions should be directed to Zachys Finance Department at +1.914.874.8034 or +852.2530.1971.

Owned or Guaranteed Property

Zachys offers property consigned by others for sale at public auction. Occasionally, lots are offered which have in the course of the sale process become the property of Zachys

On rare occasions, Zachys may guarantee a minimum price to the Consignor. Guaranteed lots may also be sold subject to a reserve.

Successful Bid

The fall of the auctioneer's hammer indicates the final bid, at which time the Buyer assumes full responsibility for the lot. Successful bidders will be notified and invoiced within a few days of the sale. Successful Buyers will pay the price of the final bid plus a 25% Buyer's Premium plus any applicable taxes for each lot purchased.

Payment

Payment for all invoices is due immediately upon receipt.

For timed auction ("zCollections") purchases: Zachys will auto-charge the credit card on file for the full invoice amount within 48 hours of the sale close.

For live auction purchases: Zachys will auto-charge the credit card on file within 48 hours of the sale close.

In respect of all other purchases, buyers are expected to pay for purchases or balances within 14 calendar days of purchase for live sales and 7 calendar days of purchase for internet sales. At the end of this 14 or 7 calendar-day period (as applicable), Zachys reserves the right to charge the Buyer's credit card on file for any amounts still due.

Zachys reserves the right to cancel the sale of invoices still unpaid on the 31st day after an auction.

For US auctions, payment is accepted in United States Dollars.

For Hong Kong auctions, payment is accepted in Hong Kong Dollars.

To request payment in another currency, contact Zachys at +1.914.448.3026 or +852.2530.1971. Zachys, in its sole discretion, shall determine the currency exchange rate.

Payment can be made by credit card or bank wire transfer. In the event of third-party payments, Zachys may require an Authorization Letter from both parties.

Payment by Credit Card

All charges are subject to acceptance by Zachys and the applicable credit card company. Zachys will accept Visa, MasterCard, American Express, Discover and Union Pay. Payment can be made via phone by calling +1.914.448.3026 or +852.2530.1971.

Payments made by credit card will incur a 2% processing fee.

When making payment via UnionPay, winning bidder must sign the auction invoice and

acknowledge that possession of the wine has transferred from Zachys at time of payment. Signature must be same as the one signed on payslip.

Collection of Purchases

Buyers are expected to remove their property within 14 calendar days of the auction. Prospective Buyers' attention is drawn to the Conditions of Sale, including Condition 9.

Collection & Delivery

It is the Buyer's responsibility to pick up purchases or make shipping arrangements within 14 calendar days of the auction. Unless Buyer is located in the state of New York, Zachys will not automatically arrange for the delivery of purchased products to buyer. For Buyers located outside of the state of New York, Zachys will deliver all alcoholic beverages purchased to an independent New York storage facility for the account of the buyer (see Passage of Title and Storage).

After payment has been received, Zachys can assist in the arrangement of packing, transit insurance, and shipping at the Buyer's expense, direction and request.

Please submit the Collection & Delivery Form to expedite payment and delivery for auction purchases.

Export/Import Permits

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full

payment for the lot.

Delivery Restrictions

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

Shipment of Spirits

Prospective Buyers should be advised there are certain restrictions regarding the shipment of spirits. Many countries and states impose limitations on quantity, high duties, and/or taxes, and prospective Buyers should be aware of export and import restrictions.

Translation

The terms and conditions have originally been drafted in English. In the event that any translation of the terms and conditions is prepared, the provisions of the English version shall prevail.

Conditions of Sale

These Conditions of Sale are Zachys' and the Consignor's entire agreement with the Buyer with respect to the property listed in this catalog. The Conditions of Sale and all other contents of this catalog may be amended by posted notices or oral announcements made during the sale. The property will be offered by Zachys as agent for the Consignor, unless the catalog indicates otherwise. By participating in an auction, you agree to be bound by these terms and conditions.

1 This catalog endeavors to describe the property listed herein accurately. However, save as otherwise expressly set out in these Conditions of Sale, and to the fullest extent permissible by law, Zachys and the Consignor shall not be liable for any such description and expressly disclaim any representation or warranty regarding the origin, physical condition, merchantability, fitness for a particular purpose, correctness of catalog description, size, quality, condition, rarity, authenticity, attribution, value, importance, provenance, previous storage conditions or historical relevance of any property herein. Zachys further retains the absolute right to amend at any time and in any manner any description of any property contained in any catalog and shall take reasonable steps to inform Buyers of such change prior to the conclusion of any purchase. Classifications in the text are for identification purposes only and based on standard sources. Buyers must make appropriate allowances for natural variations in ullages, conditions of cases, labels, corks and wine. Each statement contained in any catalog and each other statement, whether oral or written, and whether made at an auction or in an advertisement, bill of sale, addendum, posting, notice, announcement or otherwise, is a statement of opinion only and (subject to the next sentence) shall not be relied upon by any Buyer or otherwise be deemed a warranty or representation.

Images appearing in this catalog or elsewhere are for illustrative purposes only and may not be relied upon to reveal imperfections in any products. Zachys and the Consignor make no representation or warranty, express or implied, as to whether the Buyer acquires any copyright or other reproduction rights in any property. To the fullest extent permissible by law, neither Zachys nor the Consignor shall be liable for errors or omissions in the catalog or any supplemental material. Prospective Buyers are urged and advised to inspect the property before the auction, including the cases, labels, corks and wines, and must satisfy themselves by inspection or other means as to all considerations pertinent to any decision to place any bid. EACH PRODUCT AND EACH LOT HEREIN IS SOLD "AS IS," AND, TO THE FULLEST EXTENT PERMISSIBLE BY LAW, BUYERS EXPRESSLY DISCLAIM ANY RELIANCE ON ZACHYS, THE CONSIGNOR, OR THE CATALOG. Under no

circumstances will substitutes be provided by Zachys; including but not limited to in case of breakage or error in catalog description. No provision of the Buyer & Bidding Information or these Conditions of Sale shall limit or exclude Zachys' or the Consignor's liability for: (i) fraud; (ii) fraudulent misrepresentation; or (iii) death or personal injury arising from its negligence.

2 The purchase price payable by the Buyer ("Purchase Price") will be the sum of the final bid price (the "Hammer Price"), the Buyer's Premium and the Protection Fee, when applicable, together with any applicable sales tax. The Buyer's Premium is 25% of the Hammer Price. The Protection Fee is 1% of the Hammer Price plus the Buyer's Premium.

3 Zachys reserves the right to withdraw any property or cancel any sale before or at the sale and shall have no liability whatsoever for such withdrawal or cancellation.

4 Zachys reserves the right to reject any bid. The highest bidder acknowledged by the auctioneer will be the Buyer. In the event of any dispute between bidders, or any other issue with respect to the bidder, the auctioneer will have absolute discretion to determine the successful bidder, to continue the bidding, to cancel the sale or to reoffer and resell the property in dispute. If any dispute arises after the sale, Zachys' sale record is conclusive.

5 In its sole discretion, Zachys may accept and execute absentee bids (written bids submitted to Zachys prior to the sale), telephone bids and internet bids as a convenience to clients who are not present at auction.

6 Unless otherwise indicated, all lots in this catalog are offered subject to a reserve, which is the minimum price the Consignor is willing to accept. This amount is confidential and will not exceed the low presale estimate Zachys shall act to protect the reserve by bidding through the auctioneer. The auctioneer may open bidding on any lot below the reserve by placing a bid on behalf of the Consignor. The auctioneer may continue to bid on behalf of the Consignor up to the amount of the reserve, either by placing successive bids or by placing bids in response to other bidders.

7 All alcoholic beverages purchased from Zachys are sold in the state of New York, and title passes to the buyer in the state of New York in accordance with the Uniform Commercial Code. All sales are subject to NY sales taxes unless the goods are delivered to the buyer in another jurisdiction under the authority of a permit issued by the recipient state and the collection of sales taxes by the state of the purchaser. If the Purchaser is a resident of a state other

than New York, all alcoholic beverage purchases will be delivered to an independent New York storage facility for the account of the buyer, who may arrange with the facility to pick up the inventory in person or arrange for delivery under the law of the purchaser's state or the ultimate destination of the goods.

8a Title to the offered lot, passes to the Buyer upon the fall of the auctioneer's hammer and the announcement by the auctioneer that the lot has been sold, subject to compliance by the Buyer with all other Conditions of Sale and the Buying & Bidding Information. Title passes to Buyer in the state of New York, where the sale takes place.

8b The Protection Fee is 1% of the hammer price plus the Buyer's Premium for all arranged deliveries of purchased property. In return for payment of the Protection Fee, purchased property will be protected against breakage, loss, theft or fire and other losses as covered by Zachys' insurance while in transit to the Buyer's declared point of destination. If Buyer elects to decline the protection afforded by the Protection Fee, Buyer thereupon assumes full risk and responsibility for the lot while in transit.

9 No property may be removed from Zachys' premises until Buyer has paid the Purchase Price in full plus all other fees and taxes (inclusive of any taxes due in the location of the auction on Buyers who are not residents of such location) and has satisfied such terms as Zachys, in its sole discretion, shall require. Zachys reserves the right to withhold all property until such time as all outstanding amounts are paid in full from purchases from any prior auction(s). Upon receipt of full payment, Zachys will issue a Release Order, which must be presented in order for Zachys to release purchases made at auction. Subject to the foregoing, all lots are to be paid for no later than 4:30 PM (local time at the place of the auction) on the fourteenth calendar day following the live sale, and on the seventh calendar day following the internet sale, and removed from Zachys' premises at Buyer's expense no later than 90 calendar days after the date of sale. If Buyer fails either to timely remove the purchased lots from Zachys' premises or make timely arrangements with New York Fine Wine Storage to store the purchased lots, Zachys may transfer such property to a public warehouse for the account, and at the risk and expense, of Buyer. If a lot has not been collected within 90 calendar days of the date of sale and Zachys does not transfer the uncollected property to a public warehouse, Buyer will be liable to Zachys for interest, storage fees, and handling charges.

10 Zachys is not responsible for acts or omissions by itself or others in packing or shipping, whether or not the carrier or packer is recommended

by Zachys. Packing and handling of purchased lots are entirely at the risk of Buyer. Zachys may, at the request and direction of Buyer and for an administrative fee, make arrangements for the consolidated shipment by common carrier of the purchased lots, provided that Zachys is not liable in any way therefore.

11

If Buyer fails to comply with any of these Conditions of Sale, Buyer will be in default and Zachys may avail itself of all remedies available by law, including, without limitation, the right to (i) hold such defaulting Buyer liable for the Purchase Price including all fees, charges and expenses, (ii) cancel the sale of that lot and any other property sold to Buyer, (iii) resell the property without Reserve at public auction or privately on reasonable notice to the Buyer, (iv) pay the Consignor an amount equal to the net proceeds payable in respect of the amount bid by the defaulting Buyer and then resell the property to a third party without Reserve at public auction or privately on reasonable notice to such Buyer, and/or (v) take such other action as Zachys deems necessary or appropriate. If Zachys resells the property pursuant to clause (iii) or (iv) above, the defaulting Buyer shall be liable for the payment of any deficiency between the Purchase Price and the price obtained upon resale pursuant to clause (iii) and (iv) above and all costs and expenses, including, without limitation, warehousing, the expenses of both sales, reasonable attorneys' fees, commissions, incidental damages and all other charges due hereunder. In the event that such Buyer pays a portion of the Purchase Price for any or all lots purchased, Zachys shall apply the payment received to such lot or lots that Zachys, in its sole discretion, deems appropriate. Any Buyer who fails to comply with these Conditions of Sale will be deemed to have granted Zachys a security interest in, and Zachys may retain as collateral security for such Buyer's obligation to it, any property in Zachys' possession owned by such Buyer. Zachys shall have the benefit of all rights of a secured party under the Uniform Commercial Code or applicable law adopted in the jurisdiction where the auction is held.

12

Payment will not be deemed to have been made in full until Zachys has collected good funds. In the event Buyer fails to pay any or all of the Purchase Price for any lot within 30 calendar days of sale and Zachys nonetheless elects to pay the Consignor any portion of the sale proceeds, Buyer acknowledges that Zachys shall have all of the rights of the Consignor to pursue the Buyer for any amounts paid to the Consignor, whether at law, in equity, or under these Conditions of Sale, or to cancel the sale of any lot unpaid 31 calendar days after sale.

13

Notwithstanding any other terms of these Conditions of Sale, if within 3 calendar days of the date of delivery of the property or 90 days after the sale, Buyer notifies Zachys in writing of a claim that any lot is short, ullaged, or has suffered breakage, then Zachys in its sole discretion will decide any such claim as between

the Consignor and Buyer and may rescind the sale and refund all or part of the Purchase Price received. This does not affect any other rights of the Buyer at law or under these Conditions of Sale.

Notwithstanding any other terms of these Conditions of Sale, if a Buyer purchased property that is inauthentic and returns such property to Zachys within 90 calendar days of the date of delivery, then Zachys agrees to rescind the sale and refund the Purchase Price received.

The benefit of this Condition of Sale 13 is not assignable and shall be applicable only to the original Buyer of the lot and not to subsequent assigns, buyers, heirs, owners or others who have acquired or may acquire an interest therein.

At its discretion, Zachys will not always cut the bands on original packaging of younger wines. In such cases, Zachys will not accept returns for any issues the Buyer might discover after the band is cut.

14

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

15

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys and Consignor shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations.

Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

16a

For auctions that are held in New York, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the State of New York. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented

to the exclusive jurisdiction of the State Courts of, and the Federal Courts sitting in, the State and County of New York. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental, or consequential damages, including, without limitation, loss of profits.

16b

For auctions that are held in Hong Kong, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the Hong Kong Special Administrative Region. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the Courts of Hong Kong Special Administrative Region. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental, or consequential damages, including, without limitation, loss of profits.

17

All offers and sales of alcoholic beverage products by Zachys are subject to the local laws governing the sale of alcoholic beverage products in the jurisdiction in which the auction takes place.

18

New York State law requires that Buyers of alcoholic beverages must be at least 21 years of age. Hong Kong law requires that Buyers of alcoholic beverages must be at least 18 years of age. Buyers should observe and comply with the applicable laws relating to the purchase of alcoholic beverages in the jurisdiction where the auction is held. By participating in the auction, each Buyer represents and warrants to Zachys that he, she or it has the legal capacity to purchase, receive, and possess any lot purchased.

19

Zachys does not ship alcoholic beverage products. As an accommodation to Buyers, Zachys may arrange to have property packed, insured, and delivered at Buyer's expense and direction, but (other than as provided in Condition of Sale 8) Zachys shall have no liability or obligation for shipping alcoholic beverage products. Zachys makes no representation, and assumes no obligation, with respect to the legality of shipment of alcoholic beverage products into any jurisdiction. Zachys urges all Buyers to investigate and under-

stand the alcoholic beverage products shipping laws and regulations of the jurisdiction to which they intend the alcoholic beverage products to be shipped prior to the purchase of alcoholic beverage products at auction.

20

By participating in the auction, Buyer agrees with Zachys and the Consignor that these Conditions of Sale, together with any instrument captioned (i) Buying & Bidding Information and (ii) General Catalog Notes published by Zachys and in effect from time to time and which are incorporated herein by reference as part of this Condition of Sale, shall become the legal, valid, and binding obligation of the Buyer, enforceable in accordance with their terms by Zachys and the Consignor (who is both a party hereto and, with respect to portions hereof between Buyer and Zachys, an intended third-party beneficiary).

21

In the event any one or more of the provisions, or any part or parts of a provision, of these Conditions of Sale and/or the Buying & Bidding Information is determined to be invalid or unenforceable in any respect, the validity and enforceability of all remaining provisions and parts of provisions shall not in any way be affected or impaired.

22

If there is any inconsistency between the English and translated version of the General Catalog Notes, the Buying & Bidding Information, the Conditions of Sale or all other relevant documents, forms, website or emails, the English version shall prevail.

23

Title and Risk of Loss. For New York residents, title and risk of loss to all goods shall pass to you upon our transfer of the products to the applicable carrier, or upon delivery to you if Zachys is acting as the carrier. For non-New York residents, title and risk of loss to all goods shall pass to you upon our delivery of the products to the independent storage facility, upon your receipt of the products from the Zachys premises, or upon transfer to an applicable carrier or third party in accordance with any alternative shipping/storage methods you decide. Notwithstanding the foregoing, Zachys reserves the right, exercisable in its sole discretion, to refund or replace goods damaged during shipment in accordance with Section II(b) of these Terms.

24

Tax. Sales tax will be applied to all Orders as applicable. Seller makes no representation as to the legal rights of anyone to deliver or import any wines, alcoholic beverages or other goods into any state. Because title passes from Zachys to Buyer in the state of New York (see Passage of Title and Storage; Title and Risk of Loss), all sales are subject to New York sales taxes unless the goods are delivered to the Buyer in another jurisdiction under the authority of a permit issued by the recipient state and the collection of sales taxes by the state of the Buyer.

General Catalog Notes

Level/Ullage Descriptions & Interpretations

- IN **Into Neck:** Excellent for a wine of any age.
- BN **Bottom Neck:** Excellent for a wine of 10 years or older.
- VTS **Very Top Shoulder:** Normal for any wine 10 years or older.
- TS **Top Shoulder:** Normal for any wine 25 years or older.
- JBTS **Just Below Top Shoulder:** Normal for any wine 30 years or older.
- US **Upper Shoulder:** Slight natural reduction through easing of cork and evaporation through cork and capsule. Very good for any wine over 40 years old. Excellent for any wine over 50 years of age.
- UMS **Upper-Mid Shoulder:** Good for any wine 50-60 years of age.
- MS **Mid Shoulder:** Probably some weakening of the cork. Very good for wines over 50-60 years of age. Estimates usually take this into account.
- LS **Low Shoulder:** Some weakening of cork acceptable if wine or label is exceptionally rare or interesting.

Because of the slope of shoulder, it is impractical to describe levels of Burgundy-shaped bottles as into neck, etc. Wherever appropriate, the level between capsule and wine will be measured and cataloged in centimeters.

The condition and drinkability of Burgundy are less affected by ullage than its equivalent from Bordeaux. For example, a 5 to 7cm. ullage in a 50 year old Burgundy can be considered normal, indeed good for that age; and 3.5 to 4cm., excellent for that age.

Champagne bottle measurements are done from the bottom of the foil to the level of the wine.

Label & Capsule Conditions

Labels and capsules can become soiled, stained, or otherwise marked, especially with wines over 20 years of age. Unless otherwise noted, label conditions will be appropriate for age, but Buyers should note that normal staining, discoloration or other conditions may not be noted if such conditions are appropriate for the age of the label. Potential Buyers are invited to make appointments to inspect wines personally.

Special Notices

Though every effort is made to describe or measure the levels of older vintages, corks over 20 years old begin to lose their elasticity and levels can change between cataloguing and sale. Old corks have also been known to fail during or after shipment. We therefore repeat that there is always a risk of cork failure with old wines, and Zachys assumes no responsibility for this.

Under no circumstances can an adjustment of price or credit be made after delivery, except as provided in Paragraph 13 of the Conditions of Sale in this catalog.

Unless otherwise stated, Bordeaux are Château bottled.

It is Zachys' general policy to describe levels for vintages prior to 1990. Unless otherwise noted, ullage levels will be appropriate for age.

At Zachys discretion, we will not always cut the bands on original packaging of younger wines. In such cases all wines are sold AS IS and will not accept returns for any issues the buyer's might discover after the band is cut.

At times, bottle numbers will be covered in photos to protect consignor anonymity.

Collection, Delivery & Storage of Wine

Wines should be collected within 90 days after the auction at which they were purchased, after which time they will be automatically transferred to a storage account and incur storage fees.

For US Auctions

Passage of Title

All alcoholic beverages purchased from Zachys are sold in the state of New York, and title passes to the buyer in the state of New York in accordance with the Uniform Commercial Code. All sales are subject to NY sales taxes unless the goods are delivered to the buyer in another jurisdiction under the authority of a permit issued by the recipient state and the collection of sales taxes by the state of the purchaser. If the Purchaser is a resident of a state other than New York, all alcoholic beverage purchases will be delivered to an independent New York storage facility for the account of the buyer, who may arrange with the facility to pick up the inventory in person or arrange for delivery under the law of the purchaser's state or the ultimate destination of the goods.

Storage

Wine purchased at auction is stored at New York Fine Wine Storage (NYFWS) located in Port Chester, New York. The 55,000 square foot warehouse is equipped with a state-of-the-art alarm system that is monitored 24 hours a day, 7 days a week. A refrigeration system provides an ideal temperature, and all wines are protected with a temperature alarm system, as well as a backup generator. Rates are competitive, and the merchandise will not have to be moved to another location.

For further information or directions, please call NYFWS at 914.874.8068.

Pickup

Wines can be picked up from Zachys Port Chester facility between the hours of 9 AM and 5 PM Monday through Friday, provided that payment for the lots has been received. Buyers can arrange to collect their wine by appointment by phoning Zachys at 914.448.3026. Please provide at least 72 hours notice before coming to collect your purchases. For further information or collection and delivery assistance, please call 914.448.3026 or email auction@zachys.com.

Original wooden cases and original cartons, when available, will be shipped automatically, unless instructed otherwise. Please inquire for rates of shipping original packaging when making arrangements.

Zachys can assist you in making arrangements to have the wine purchased at auction shipped. All shipments and pickups will be subject to a 1% Shipping Protection Fee charge. This Shipping Protection Fee provides protection against only breakage, theft or fire as covered by Zachys insurance with respect to purchased property packed, shipped and delivered pursuant to arrangements made by Zachys. Zachys and its forwarding agents cannot be held responsible for any other changes to the wines during shipment. Loss or breakage resulting from shipping that Zachys has arranged must be reported to Zachys in writing within three days of delivery of the property, which must be examined in the presence of the carrier on arrival.

To insure the safety of the wines, it may be necessary in some shipments to repack the wines in protective shipping containers and to ship the wooden cases separately at an additional charge.

Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverages which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys makes no representation, and assumes no obligation, as to the legality of shipment of alcoholic beverages into any jurisdiction. Zachys urges all Buyers to investigate and understand the wine shipping laws and regulations of the jurisdiction to which they intend the wine to be shipped prior to the purchase of wines at auction. The protection afforded by the Shipping Protection Fee does not cover confiscation by any government or law enforcement agency as a result of alleged violations of applicable laws by Sellers or Buyers.

Zachys will take precaution to ensure the safety of wines against inclement weather conditions. This may include delaying shipments during times of extreme high or low temperatures.

Export/Import Permits

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

Currency of fulfillment and applicable fees are determined by the origin of the shipment.

Zachys is not responsible for any acts or omissions of any shipper with whom Buyer, not Zachys, has made arrangements to pack, ship or deliver purchased lots, including, without limitation, any packing, shipping or delivery of purchased lots.
